Professor Naomi Iizuka, Chair

Freshman year at college is hard: your roommate is weird, you're feeling homesick, and a serial killer is slashing girls' throats. If Lexi discovers what really happened to her old high school friend on that car ride to the movies, everything will be okay. In *Hookman*, an existential slasher comedy, Lexi and her friends learn what it means to grow up – and it's not pretty.

EXPLANATION FOR REMOVAL OF PLAY

The text of this play has been removed at the request of the playwright, who holds the copyright to the play.
