Erratum

Fleming, S.W., and H.E. Dahlke. 2014. Modulation of linear and nonlinear hydroclimatic dynamics by mountain glaciers in Canada and Norway: Results from information-theoretic polynomial selection, *Canadian Water Resources Journal* 39(3): 324–341.

During typesetting of the equations by the publisher, two errors were introduced into the paper. First, an integral sign is missing from Equation 4, which instead should read as follows:

$$I(x) = \int f(x) \log \left[\frac{f(x)}{g(x|\theta)} \right] dx \quad (4)$$

Second, an additional lambda spuriously appears in the first term on the right hand side of Equation 8, which should read:

$$AIC_c = Y \ln(\hat{\sigma}^2) + 2\lambda + \frac{2\lambda(\lambda + 1)}{Y - \lambda - 1} \quad (8)$$

These typesetting errors occur only in the text of the manuscript; all calculations were performed using the correct formulae.
