Correction to "Comments on 'Comparison of Gaussian Conditional Mean and Kriging Estimation in the Geostatistical Solution of the Inverse Problem' by R. J. Hoeksema and P. K. Kitanidis" by H. A. Loaiciga

In the paper "Comments on 'Comparison of Gaussian conditional mean and kriging estimation in the geostatistical solution of the inverse problem' by R. J. Hoeksema and P. K. Kitanidis" by H. A. Loaiciga (*Water Resources Research*, 23(5), 973-974, 1987), a few typographical errors have been noted. Equation (9) should appear as follows:

$$\begin{matrix} n \\ m \\ 1 \end{matrix} \begin{bmatrix} n & m & 1 \\ Q_{\phi\phi} & Q_{\phi Y} & 0 \\ Q_{\phi Y}^T & Q_{YY} & 1 \\ \mathbf{0}^T & \mathbf{1}^T & 0 \end{bmatrix} \begin{bmatrix} \mu \\ \lambda \\ v \end{bmatrix} = \begin{bmatrix} C(\phi, Y_0) \\ C(Y, Y_0) \\ 1 \end{bmatrix} \quad (9)$$
