# INTRODUCTION

The following document is an indexed transcription of the corporate Minute Books of the California Powder Works (CPW), the first and most influential explosives manufacturer in the western United States, 1861 – 1908. It was organized by a group of San Francisco capitalists at the beginning of the Civil War when shipments of gunpowder were suspended by the U.S. government to prevent Confederate capture. The investors were bankers, lawyers, mine owners, and commission merchants, all smart, visionary risk-takers, many of whom would go on to drive the early economic growth of San Francisco, California, and the West for decades to come.

The CPW's first manufacturing facility was located a mile north of the town of Santa Cruz, California in 1863. In 1869 a second works was built in San Francisco just south of what is now Golden Gate Park, and in 1880 a third, called Hercules, was established on the North Shore of San Pablo Bay.

For fifty years the CPW produced black powder, brown prismatic powder, gun cotton, dynamite, TNT, and smokeless powder for both military and civilian purposes. It was a major influence in the industrial development of the Western hemisphere, selling its products in territories from Alaska to South America and from the U.S. Midwest to China, Japan, and Australia.

It is hoped these corporate minutes will serve as an aid to researchers who wish to understand the development of this important Bay Area industry and the industrialists who financed and guided the early economic development of the West.

A complete history of the California Powder Works, now in progress, has been made possible, in part, by the following:

- A grant from the Sourisseau Academy, San Jose State University, San Jose, CA
- Two Dolkas awards through the Museum of Art & History at the McPherson Center, Santa Cruz, CA
- A Grant-in-Aid from the Hagley Museum and Library, Wilmington, Delaware.

**Trustees Meeting of the California Powder Works**

San Francisco 19<sup>th</sup> December, 1865

Upon call or the President, a meeting of the Trustees of The California Powder Works was held this day when were present Parrott, Sime, Baird, and Peck.

The meeting was called to order by the President, when the minutes of the last meeting were read and approved.

The committee appointed at the last meeting of Trustees to enquire into the expediency of disposing of a portion of the Saltpetre [sic], now stored in the Warehouse on Battery Street, report, that in their opinion, it is inexpedient for the present to dispose of any of the stock of Saltpetre [sic] now on hand.

The Secretary reports having made a contract for the delivery of a cargo of Nitrate of Soda, in accordance with a resolution passed at a meeting of the Board of Trustees held on the 13<sup>th</sup> day of October 1865. The copy of which contract is as follows, viz:

Agreement entered into between Mr. N. Bichard and The California Powder Works:

Mr. N. Bichard agrees to ship at Iquique or any other South American port for Santa Cruz, Santa Cruz County, California, Four-hundred (400) Tons more or less of 2240 lbs. each, refined Nitrate of Soda of not less than 96% fine, per American Bark Delaware now on the way to Iquique Peru.

The vessel to discharge her present cargo, to load the Nitrate, and to sail direct for Santa Cruz without unnecessary delay and to arrive at latter port on or before the first of May A. D. 1866.

The California Powder Works agree to receive the above Nitrate and to pay Mr. N. Bichard for the same in United States Gold Coin, four (4) cents per pound, gross weight, delivered duly paid as per Custom House weights, one half on deliver at the wharf at Santa Cruz and the balance Thirty (30) days thereafter.

Mr. N. Bichard agrees to instruct and authorize his Agents Cross & Co. that in case the Bark Delaware should from any cause not be available for the purposes on the Twentieth (20) day of February 1866, they are to charter another vessel on his account to fulfill the conditions of this agreement with as little delay as possible.

It is mutually agreed that in the event of refined Soda...

#### **(Minutes Page 56)**

.... not being able obtainable, unrefined shall be shipped, and that The California Powder Works will accept of the same on the same conditions as above at three & five-eighths (3 5/8) cents per pound, per Chili Standard of 93% fine.

Should Nitrate not be procurable, doing to war or other unforeseen circumstances, or should the vessel by which it may be shipped fail to reach the port of Santa Cruz, then this contract to be null and void.

Present: Messrs. Sime Peck, Parrott & Baird.

Meeting called by order of the President

Meeting called to order by the President when the minutes of the last meeting were duly read and approved.

Agreeably to a resolution passed at the last meeting of the Trustees, the Secretary reported having purchased, under sanction of the President, the cargo of Nitrate imported by Mr. C. Hare – the amount of pounds being Five-hundred thirteen thousand eight-hundred and fifty (513850) lbs. gross weight, and the price three & one-quarter (3 ¼) cents in bond – at three months from date, together with interest at one (1%) per cent per month.

The purchase being confirmed by the Board, the following resolution and preamble was offered by Mr. Baird, duly seconded by Mr. Peck, to wit: On motion of Mr. J. H. Baird, at a meeting of the Trustees of the California Powder Works held this day 21, December 1865 –

Resolved, that the note of this Company shall be executed in due form and issued under this date in favor of Mr. Charles Hare for the sum of Sixteen-Thousand Seven-hundred dollars, payable three months after date and bearing interest at one per cent per month – the same being in payment for 513850 pounds Nitrate at 3 ¼ cents per lb. in bond.

Carried.

The Secretary reports that a vacancy has occurred in the Board since its last meeting in the person of Mr. Eastman whose stock has been transferred. On motion of Mr. Baird, seconded by Mr. Peck,

Resolved, that this Board go into the election of a Trustee in the place of Mr. Eastman.

The Secretary being appointed Teller, reports a unanimous vote in favor of Mr. G. T. Lawton, who was thereupon declared elected.

The President reports having purchased the wharf & warehouse lately owned by David Gharky of Santa Cruz – together with a piece of property opposite said warehouse – deeds for all of which have been recorded and filed in this office. On motion of Mr. Baird, duly seconded by Mr. Peck,

Resolved, that the above purchase be approved of by this Board.

Carried.

The President stated that the object of the meeting was for the propose of adopting measures for the collection of the additional increase of the Capital Stock of the Company as authorized and created by the action of the meeting of the Stockholders held on the 14<sup>th</sup> December 1865.

The following form of a circular drawn up by Mr. Peck was offered and read, to wit:

(circular)

Office of the California Powder Works

San Francisco, 2<sup>nd</sup> January 1866

Sir:

I have been instructed by the Board of Trustees to inform you that, in accordance with law, the Capital Stock of the California Powder Works has been increased from Two-hundred thousand to Three-hundred thousand dollars, the proper certificate to that effect filed in the office of the County Clerk, and a certified copy thereof transmitted to the Secretary of State.

Of this increase in the Capital Stock, the law secures to each of the present Stockholders the right to subscribe for his pro-rata of 50 per cent, and the Board of Trustees confidently indulge the expectation that each and all Stockholders will desire to avail themselves of the privilege for the following reasons:

That when the new Stock is taken, the Company will rest on a solid footing:

Will be prepared to discharge its liabilities – to provide, pay for, and keep on hand adequate supplies of materials:

To increase the Works to the extent absolutely demanded by the requirements of the market, for their products:

To at once declare dividends from profits: and

To impart to the stock a ready market value, as well as to make it a desirable form of investment.

The character of our Powder is now so fully established.....

### **Minutes Page 59)**

... that the demand is in excess of the supply.

What is required is to increase our capacity of production and keep even pace with the demand.

At the present low price, caused by competition, the profits on Blasting Powder, (our chief production), are satisfactorily large.

Our Powder is now thoroughly introduced. All the numberless difficulties and prejudices incidental to, and inevitably attendant on the successful establishment of a new manufacture of Powder, are believed to be overcome; and the future progress and prosperity of the Company appears to be assured.

On the other page please find the form of an application for the additional stock.

San Francisco, January 1866

John F. Lohse, Esq., Secretary of The California Powder Works.

Sir:

Please allot to the undersigned, \_\_\_\_\_ Shares of the additional Stock of One-hundred Thousand Dollars, authorized and created by the action of the meeting of the Stockholders of The California Powder Works, held at the office of the Company on the 14<sup>th</sup> day of December, 1865.

Very Respectfully

On motion of Mr. Peck, seconded by Mr. Baird, the above forms of circular and application were adopted.

On motion of Mr. Peck, seconded by Mr. Lawton, Resolved that the Secretary be and is hereby directed to wait upon the Stockholders, and solicit and receive their several subscriptions to the additional Stock of \$100,000 - of the Company; and that the Secretary shall notify them that said additional Stock to be subscribed for, will be payable one half on the 20<sup>th</sup> instant and one half on the 10<sup>th</sup> February, on those days respectively at the office of the Company, in U. S. Gold Coin. And that the Secretary be further instructed to obtain from all stockholders declining to subscribe of the additional stock, a waiver of their rights to the same. Carried.

On motion, meeting adjourned subject to call of the President.

On motion of Mr. Kittle, seconded by Mr. Brenham, Resolved, that Messrs. Baird, Brewster, Lawton, Sime and Peck be declared unanimously elected as Trustees of the California Powder Works for the ensuing year, Carried.

Mr. Sime having retired, Mr. J. H. Baird was called to the chair when the following preamble and resolution were offered by Mr. J. A. Peck and seconded by Mr. C. J. Brenham, which were unanimously adopted to wit:

Whereas, it is well known to and gratefully acknowledged by all the Stockholders of the California Powder Works, that John Sime Esq. the President of the Company, has hitherto faithfully and assiduously discharged the very onerous and responsible duties of Construction Agent of the Mills and Works to which duties he has devoted the large measure of time, labor & thought required to plan, construct and perfect the same, as well as to organize and reduce to a system the labour [sic] employed all of which services have been discharged with such ability as to win the approbation of the Stockholders.

And, whereas for these signal services to the Company, all formal compensation has been generously declined by him. Now therefore be it Resolved: That a committee of three Stockholders be appointed by the Chair to devise and obtain a suitable and acceptable testimonial and to present the same in the name and on behalf of The California Powder Works to John Sime Esq. as a mark of the appreciation, by this meeting, of the services rendered by

him to the Company. And, be it further, Resolved, that a fair copy of these proceedings, duly certified, be delivered to Mr. Sime by the Committee.

The Chair appointed Messrs. Brenham, Peck, & Brewster as such committee, and the meeting thereupon adjourned subject to the call of the President.

John Sime Esq.

San Francisco

Sir:

We have the honor to place in your hands a true copy of the Record of certain proceedings of the Stockholders meeting of The California Powder Works, held on the 5<sup>th</sup> day of the present month.

A perusal of these proceedings will inform you that to the undersigned was delegated the agreeable and delicate duty of devising & procuring a suitable Testimonial to be presented to yourself in the name and on behalf of The California Powder Works, as a mark of appreciation by the meeting of the many valuable services it has pleased you generously to render to the Company from its formation to the present day.

In the discharge of the duty assigned to us we have thought to procure the accompanying Service of Silver as a not inappropriate expression of the sense of all our Stockholders. That to your well directed and untiring efforts the Company is largely indebted for its triumph over great difficulties and discouragements.

We therefore venture to have hope that you may feel at liberty to accept this token of gratitude and respect, from those whose long association with yourself spontaneously prompts them to tender it.

We are,

Signed, J. A. Peck, C. J. Brenham, B. Brewster

This Agreement made this 26<sup>th</sup> day of March A. D. 1867 between The California Powder Works party hereto of the first part, and the San Lorenzo Paper Mill party hereto of the Second part.

Whereas the said party of the first part, The California Powder Works, are a Corporation duly incorporated and doing business under the Laws of the State of California, having their works for the manufacture of powder on the banks of the San Lorenzo River, county of Santa Cruz, State of California and having the privilege of and using the waters of said river in their business.

And whereas the Works & Mill of the party of the Second part the San Lorenzo Paper Mill are situated on the banks of the San Lorenzo River, Santa Cruz, County, below the Works of the party of the first part.

And whereas the said party of the Second part, for the purposes of using the waters of said river erected a dam across the San Lorenzo River near their Mill, which dam is now out of repair and the said party of the first part have agreed that so long as the party of the second part shall refrain from creating a new dam, or repairing their present one, to allow them the privilege of taking the water of said river from the point or points of its delivery from the Powder Works through a flume to be carried across the property of said party of the first part. Now, therefore this Agreement witnesseth, that the said party of the first part in consideration of the sum of Five Dollars to them paid by the party of the Second part, and in consideration of the said party of the Second part, refraining from repairing their present dam, or creating a new dam across the San Lorenzo River near their Mill as aforesaid, hereby grant to the said party of the.....

**(Minutes Page 89)**

.... second part the privilege of taking the water of said river after it has passed through the Works of said party of the first part, from the point or points of its delivery from said Works to the river through a flume to be constructed at the costs and charges of said party of the Second part, and to be laid over the land belonging to the said party of the First part along the margin of said river and across the point of land on which are situated the Boarding house, Office and dwellings of said party of the First part, to the line of the land belonging to the said party of the Second part, it being understood and agreed that where said flume crosses the point of land above referred to below the level of the ground, the excavations shall be filled in with earth and the surface leveled & smoothed off by the said party of the Second part.

And it is hereby distinctly understood and agreed that said party of the First part hereby only engage to deliver said water at the point or points aforesaid, as it may flow in the ordinary & regular operations of their Works, and said party of the first part are not to be liable in damages for any alterations to their Works which may be or become necessary.

And the said party of the Second part hereby covenant and agree to and with said party of the first part, to keep said flume in good order and repair and to hold themselves accountable for, and to pay for, any loss or damage arising to said party of the First part, through the operation of, or accident happening to said flume.

And it is hereby agreed between the parties hereto, that should the said party of the second part hereafter see fit to renew their dam across said river they shall be at liberty to do so, on condition of removing the said flume constructed as aforesaid and restoring the land over, or through which it passes, to its present condition.

In witness whereof the said party of the first part, The California Powder Works, have hereunto caused their corporate seal to be affixed & these presents to be subscribed by their President & Secretary and the party of the Second part the San Lorenzo Paper Mill by its owners John Sime, Benjamin Smith & W. P. Harrison have hereunto set their hand & seals the day & year first above written.

The President desiring the expression of the Board as to what should be done with the large stock of blasting Powder on hand Mr. Parrott stated that in all probability an arrangement for a shipment could be made with the Captain of the Brig DeRuyter now discharging Nitrate at

Santa Cruz, said vessel having to return to Valparaiso, Chile, in ballast. Furthermore, that from advices received by Messrs. Alsop & Co. from Valparaiso, that powder (blasting) could be sold in Chile so as to net the Company not less than Two (\$2.00) per keg. On motion of Mr. J. H. Baird, seconded by Mr. C. J. Brenham, Resolved that a shipment (if possible) of blasting powder be made from Santa Cruz, per Brig DeRuyter for Valparaiso, and that Messrs. Alsop & Co. consignees of the vessel be authorized to make arrangements for freight not to exceed Ten (\$10) per ton. Cargo to be consigned to Messrs. Alsop & Co., Valparaiso.

**(Minutes Page 110)**

Mr. C. J. Brenham offered the following Resolution, viz. Resolved that the salary of the Superintendent Mr. B. Peyton be placed at Six Thousand dollars per year. After considerable discussion on the part of the members present, said resolution was seconded by Mr. J. H. Baird. The same being put to a vote, Messrs. Baird, Kittle & Parrott voted no; Mr. C. J. Brenham Aye.

On motion of Mr. Kittle, that the resolution be so amended as to read Four Thousand dollars a year from 1<sup>st</sup> January 1868. Mr. Parrott seconded the same, when the resolution passed by the following vote. Messrs. Kittle, Baird, Brenham & Parrott voting Aye.

No other business before the meeting, it adjourned subject to the call of the President.

The minutes of the last meeting were read & on motion duly seconded approved.

The President stated that finding it desirable that The California Powder Works should own the entire piece of ground upon which their Brick Warehouse (used for storing Nitrate) stands corner of Second & Main Street in the town of Santa Cruz, an arrangement had been entered into by him with Mr. Samuel Adams who held an undivided three-eighths interest in said lot by which an exchange should be made with him for an equal amount of ground in Lots No. 6 (upon which the present warehouse of the Santa Cruz Wharf Co. is situated) and Lot No. 7 lately bought by The California Powder Works of Mr. John Carpi.

That Mr. Adams had made over a deed to the Company for three-eighths interest in the Lot upon which the Brick warehouse stands and he therefore requested that a resolution should be passed authorizing a transfer of an equal amount in Lots No. 6 and 7 as above mentioned to Mr. Samuel Adams, whereupon the following Resolution was offered by Mr. N. G. Kittle to wit:

Be it Resolved that this Corporation do sell and convey to Samuel Adams of the City and County of San Francisco State of California, in the town of Santa Cruz now the property of this Corporation and bounded and described as follows to wit:

**(Minutes Page 118)**

..... to sign seal execute acknowledge and deliver to said Samuel Adams a good and sufficient deed for said property and for every part thereof. The above resolution being Seconded by Mr. Charles J. Brenham was then unanimously adopted.

The President furthermore reported having entered into an agreement with the North San Francisco Homestead & Rail Road Association binding the California Powder Works to the payment of Seven Hundred dollars upon the completion of the grading of Baker Street to the South Side of the slough between North Point and Beach Streets and also for the erection of a good and substantial bridge across the Slough. Upon motion of Mr. Brenham, duly seconded by Mr. Kittle the action of the President was approved of.

The President furthermore reported an Agreement to be entered into with the San Lorenzo Railroad Company relative to the cession of a portion of the Company's lands for the construction of a railway.

On motion of Mr. N. G. Kittle, seconded by Mr. C. J. Brenham, Resolved that the subject matter be referred to the President Mr. J. Sime, and Mr. J. H. Baird with power to act on behalf of The California Powder Works.

The President furthermore stated, that after consultation with Mr. S. Adams, they had determined upon enlarging the Warehouse at the head of the Company's wharf at Santa Cruz,

and that orders had been given for building an addition of equal size to the one now in use. On motion of Mr. Parrott, seconded by Mr. Kittle, the action of the President was approved.

The minutes of the last meeting were read & approved.

The President stated that as per resolution passed at the last meeting of the Board of Trustees, to the effect that some person be designated to be sent as Agent of the Company to New York, a Power of Attorney had been prepared in favor of Mr. Bernard Peyton, the reading of which is as follows: with preamble and resolution attached, to wit:

San Francisco October 10, 1868

At a meeting of the Board of Trustees of The California Powder Works held at the Office of said Company in this City on the Tenth day of October A. D. 1868, It was Resolved that The California Powder Works authorize Bernard Peyton to proceed to the Eastern States to attend to the interests of this Company in relation to the Powder Trade. And, that the President and Treasurer make & deliver a Power of Attorney to said Bernard Peyton empowering him to attend to such interests of the said Company and to do all matters of things in relation thereto.

Know all men by these Presents, That in pursuance of the foregoing Resolution, The California Powder Works a Corporation under the Laws of the State of California, hath made constituted and appointed, and by these present, doth make constitute and appoint Bernard Peyton of the City and County of San Francisco, and State of California who is about to proceed to the Eastern States, its true and lawful Attorney in fact for the period of six months from the date hereof for it and in its name place & stead, to its use and on its behalf, to enter into, make, execute, seal acknowledge and deliver any and all binding contracts, Agreements, Sales transfers, and other dispositions of, and any and all arrangements in relation to the business of said California Powder Works, and for transacting all matters and things with any other Company, Companies, Work, or Works in any and all the States and Territories of the United States, in relation to the Powder Trade in California as to the supplying and limiting various markets with different brand and kinds of powder. To establish any agency or Agencies or make arrangements and form connections with any other Powder Works or Companies for the sale or disposition of any such brands or kind.....

**(Minutes Page 122)**

..... Powder in any of said States and Territories and to arrange as to the terms and conditions of any such Agencies, contracts, & agreements.

Giving and Granting unto its said Attorney full power and authority during said six months to do and perform all and every act and thing whatever required and necessary to be done in

and about the premises as fully to all intents and purposes as the said California Powder Works might or could do if personally present: Hereby ratifying and confirming all that its said Attorney shall lawfully do, or cause to be done by virtue hereof.

In witness whereof the said California Powder Works hath hereunto set its hand by its President and Treasurer and caused its corporate seal to be hereunto affixed this tenth day of October A. D. One-thousand Eight-hundred and Sixty-eight.

On motion of Mr. C. J. Brenham, seconded by Mr. J. H. Baird, Resolved that the foregoing [*sic*] preamble and resolution together with Power of Attorney to B. Peyton, be accepted by the Board. Carried unanimously.

The President further stated that the following letter of instructions had been drawn up for the guidance of Mr. Peyton as Agent of the Company in his negotiations with Hazard and DuPont, to wit:

Office of The California Powder Works

San Francisco 10 October 1868

Bernard Peyton Esq. Present:

Sir:

The Board of Trustees of The California Powder Works after having considered various methods for abating the competition in the sale of Powder in this market, have resolved to send you to New York for the purpose of negotiating with Hazard and DuPont. Their wish is to make some agreement with those manufacturers under which shipments of Powder to the Pacific States shall entirely cease. To that end you will be provided with full powers to contract in our behalf and the object of this is to express our views for your government.

If you can induce them to refrain from our Market on condition that we undertake no trade with theirs, an arrangement which is barely possible, we will be much pleased but we contemplate the necessity of offering them greater inducements to abandon the California trade and will suggest various propositions that may be made by you in the order as preferred by us viz:

1<sup>st</sup>. You may propose that they take stock in the Company.

**(Minutes Page 123)**

We would increase our Capital to \$600,000 of which we would sell them one-third part or less at 25% discount and allow them such time as you may agree upon, but payment to be made within a year from contract.

2<sup>nd</sup>. Pay them a Royalty of Ten per cent on our Sales of Blasting Powder to the California Trade and American States & Territories west of the Rocky Mountains or of Thirty cents per keg on our Manufacture of Blasting Powder for the same trade and on Potash powders for the same named trade in proportion. This agreement to be good for five years.

3<sup>rd</sup>. Agree with them to fix prices, and let each party sell as much as he can: the agreement to last from three to five years. Consult with them to ascertain the cost of laying down Eastern powder in California, and fix your prices accordingly, placing Union Mills at not less than \$3.00 nor more than \$4.00 and potash powders in proportion. In case this agreement is made, we wish that one Agent be appointed to sell the powder of all parties.

4<sup>th</sup>. Concede to them the whole California trade in Sporting powders in consideration of their relinquishing to us the whole California trade in Blasting Powder. This should leave us free to

make and sell Government Cannon and Musket powder packed in 25# kegs, and free also to make and export to foreign Countries sporting powder. Such an agreement might be made for the term of five years. By the California trade, is meant the trade of the American States & Territories west of the Rocky Mountains.

In the event of the acceptance of the 2 or 4 proposals, the question will arise of the disposal of their stocks on hand here. Take them for us at cost, or allow their Agents to dispose of them.

Of course Hazard and DuPont should be well bound not only to ship no powder themselves to California, but also to prevent others from shipping their Manufacture.

Respecting the other Mills in the East, you will take no notice of them unless being in good accord with Hazard and DuPont you should be moved by their arguments to negotiate with their owners. Upon this as well as upon many other points and questions that may arise it is impossible for us to instruct you. We therefore content ourselves with fixing limits to the four contemplated proposals, some one of which will be the basis of your contract, and leave you free to dispose of counter proposals and such issues to the best of your ability.

You will leave this state while negotiations are pending with Mr. Chamberlain for the Pacific Powder Mills. There remains for us some.....

**(Minutes Page 124)**

.... twenty days to conclude these negotiations before you will be ready to approach Hazard or DuPont. We will acquaint you with their result by telegraph. Should we say "all right" you will proceed with your business. Should we say "nothing can be done across the bay" you will know that we have failed with Chamberlain, and will therefore have nothing to do with Hazard and DuPont.

In that event or in the event of Hazard and DuPont rejecting your advances you will make preliminary arrangements for the sale of our sporting powder in the Eastern Markets, by canvassing those markets, appointing agents etc.

On motion of Mr. Brenham, seconded by Mr. Baird, Resolved that the above letter of instructions be signed by the Treasurer and handed to B. Peyton for his guidance as Agent of the Company in his negotiations with Hazard and DuPont, also Resolved, that Mr. Peyton be instructed by the President to leave here this evening per Overland and stop at Salt Lake City and other places such a length of time as will enable him to make proper and ample negotiations for the sale of Powder. Carried unanimously.

On motion of Mr. Tevis, seconded by Mr. Haggin, the reading of the minutes of the last Stockholders meeting were dispensed with.

The object of the meeting as stated by the Chairman was as the call or notice indicated to consider and act upon a proposition made to increase the capital stock of the company from \$300,000 - \$450,000.

Mr. N. G. Kittle thereupon offered the following resolution which was duly seconded, to wit: Resolved that the capital stock of this company be and the same is hereby increased from the sum of \$300,000 divided into 600 shares of the par value of \$500 each, to \$450,000 which shall be divided into 4,500 shares of a par value of \$100 each.

The Ayes and Nose being called the resolution was voted upon as follows, viz.:

For the resolution:

J. H. Baird	84 shares	N. Luning	10 shares
J. O. Earl	15 shares	J. Mora Moss	16 shares
J. B. Hagan	40 shares	H. E. Robinson	10 shares
D. Trustee	30 shares	B. B. Minor tech	65 shares
J. G. Kittle	20 shares	P. Decker	10 shares
N. G. Kittle	20 shares	B. M. Hartshorne	27 shares
G. T. Lofton	15 shares	W. H. Moor	7 shares
B. Brewster	25 shares	J. D. Walker	7 shares
		A. H. Wilcox	16 shares

Against the resolution -- none.

The Chair then announced the resolution carried and the stock of the company increased accordingly.

Mr. Kittle then announced the following resolution which was duly seconded to wit: Resolved that the Trustees of this company shall cause to be issued to each of the Stockholders, five shares of the new stock of the par value of \$100 each for and in the lieu of each one share of the old stock of the par value of \$500 each.

**(Minutes Page 179)**

..... dollars each.

The Ayes and Noes were called for and the result being the same as for the previous resolution it was thereupon declared unanimously carried.

Another resolution was then introduced by Mr. Kittle and duly seconded to which: Resolved that for the purpose of paying the debt of the company and providing a sufficient fund for its business the Trustees be and they are hereby authorized to sell and dispose of the remaining 1500 shares of the new stock of the company representing the par value of \$150,000, for such price and upon such terms as they may deem best for the interests of the company.

The same vote being cast as for the previous resolution this one was also declared unanimously carried, when the meeting, on motion duly seconded, adjourned.

#### **Trustees Meeting**

A special meeting of the Board was called for this day by the President Mr. N. G. Kittle, when were present Messrs. Kittle, Haggin, Earl, and Lawton.

After the reading of the minutes of the last meeting which were approved, the President stated the object of the present call to be for the purpose of considering the issuance of an individual bond in the Hercules matter, in lieu of those already given by the Company, as they were unsatisfactory and unless changed the sale of Hercules Powder would almost entirely cease.

The following preamble and resolution was then offered by Mr. Haggin, to wit:

Whereas the Giant Powder Company claims that the use or sale of Hercules powder manufactured and sold by this Company is an infringement of certain letters patent of the

United States claim to be owned in part or in whole by said Giant Powder Works, and whereas said.....

**(Minutes page 218)**

Company has instituted several suits and threatens to institute other suits and actions against persons using or vending Hercules Powder, which threats and suits have materially and injuriously affected the business of this Company and lessened the sales of said powder, and whereas this Company has heretofore tendered to all persons and Corporations vending or using said powder, it's bonds of indemnity against all claims and suits of the Giant Powder Company founded on said letters patent, and whereas a number of persons vending or using said powder are not willing to accept said bonds without some solvent surety and declared that they will discontinue the use or sale of said powder unless such bonds with such surety or sureties are executed to them, and whereas it is thought advisable to procure some solvent person to sign such bonds as surety.

Therefore be it resolved, that the President be and he is hereby authorized to enter into a contract for and in the name and under the seal of this Company and with such conditions as he deems best with Lloyd Tevis of the City and County of San Francisco for the purpose of having said Tevis become surety on said bonds and he agree to pay him therefore in gold coin of the United States 2 1/2% of the gross amount of all sales of Hercules Powder or other powder containing nitroglycerin made by the party of the first part from this date until the said claims of the Giant Powder Company are finally settled and adjusted by judgment of the courts or compromises and all just actions brought or hereafter brought by the said Giant Powder Company against persons using or vending said powder or any article manufactured or sold by the party of the first part for alleged infringements of said letters patent or any of them are finally settled and determined by final judgment in courts of a last resort or compromise and the President is authorized to provide for additional compensation to said Tevis whenever the bonds on which he is surety apply to or cover more than one half the powder sold.

Upon motion duly seconded the same was unanimously adopted when the meeting adjourned subject to call.

### **Trustees Meeting**

A meeting of the Board of Trustees was held this day upon called the President when were present Messrs. Baird, Haggin, Lawton, and Peyton.

The minutes of the last meeting were read and approved.

The President stated that the object of the meeting was for the purpose of considering a contract with the Santa Cruz and Felton Railroad Company for leasing the Powder Mill Wharf, building a connection between our wharf and the railroad wharf and the transportation of the freight of this Company between the wharves and the Works. The contract reads as follows:

This agreement made and entered into this 17<sup>th</sup> day of August A.D. 1877 between the California Powder Works, a Corporation existing under and by virtue of the laws of the State of California, party of the first part, and the Santa Cruz and Felton Railroad Company, a like Corporation existing under and by virtue of the laws of said State of California party of the second part witnesseth [*sic*]

That the first party in consideration of the agreements and conditions to be performed by the second party hereby lets leases and conveys to the second party the use of its wharf at the town of Santa Cruz known as the Powder Mill Wharf for a period of eight years from the first day of November 1877. Said wharf to be taken in the condition that the same now is to carry with it to the second party during said time all the rights and privileges of every description enjoyed by the first party under its franchise for the same. Said first party also agrees to build and construct or cause to be built and constructed within a reasonable time a connection between said wharves as authorized by ordinance of the City Council of Santa Cruz suitable for running a railroad cars and engine of the second party over the same said connection to be built in manner indicated by the second party provided that the same shall not cost the first party to exceed twenty-five-hundred....

**(Minutes Page 253)**

... dollars gold coin. The first party is to furnish all materials for building the same except the railroad iron which is to be furnished and laid by the second party but is to be and remain its

property the remainder of said connection except said railroad iron at the termination of this lease of said wharf is to be the property of the first party. In consideration of which the second party agrees to provide suitable cars to transport as required all incoming or outgoing freight used by the first party or its servants over said Powder Wharf or over the Railroad Wharf as its option free of charge to the first party. Said freight so used by the first party to be transported by the second party and switched upon the track to be built by the first party to connect their works with the railroad of second party and for each car load of material so transported from said wharves or from said town of Santa Cruz to sidetrack, the first party shall pay to the second the sum of three dollars and for each car load so transported from said sidetrack to town of Santa Cruz or said wharves the first party shall pay to the second the sum of two dollars gold coin. The cars to be left on the sidetrack so as to clear passing trains by the second party which is to take the same from the sidetrack when loaded. The first party to have the right to take the cars when necessary into its works from said switch for loading and unloading purposes. It agrees to return the same with all reasonable dispatch to said switch ready for shipment by the second party. It is understood that powder and other merchandise transported from said Works is to be loaded by and at the expense of the first party at a magazine which they will construct upon the upper limb of the connecting road and be transported thence to the Railroad Wharf or any point short of the same as required and that the merchandise transported to the same is to be unloaded by it but that any expense of loading or unloading said merchandise at the wharves is to be born by the second party except merchandise that may hereafter be stored by the first party in its warehouses near its wharf in which case the expense of putting the same in said warehouses shall be borne by the first party and the expense of taking the same out shall be borne by the second party which also.....

**(Minutes Page 254)**

... agrees to keep the track between said warehouses and wharf in a state of suitable repair. It is understood and agreed that a carload herein spoken shall consist of 8 tons of 2000 pounds each and that fractions of carloads shall be paid for at the same rate as full carloads but in case any of said merchandise is so bulky as to prevent loading 8 tons in an ordinary boxcar then and in that case each car well filled shall be counted and paid for as a full carload but for all shipments amounting to less than 1 ton the first party shall pay to the second \$.25. The second party agrees to furnish and delivered to the first party opposite its Works sufficient railroad iron to be taken from its present road bed to make the connection between its Works and the tracks of the second party at the rate of \$38 per ton gold coin, said iron to be suitable for the purpose and to be delivered as needed by the first party. It is agreed that the first party shall have the right to ship all or a part of its merchandise by other lines or ways if it desires but in case of such shipment during the continuance of this lease only the provisions above contained referring to the transportation of said merchandise shall be affected and all other provisions of this contract to continue in force until the expiration of the time above indicated.

At the expiration of said eight years, the second party agrees to return to the first party said wharf and connection in as good condition as the same were when received by it except ordinary where and suitable for use for wharfage purposes.

It is agreed that a monthly statement shall be made between said parties for all services above indicated arising under this contract.

The party of the second part shall do the shipping business of a party of the first part taking necessary receipts and bills the lading and forwarding the same as directed and in all essentials act as their agents and do all their business at the wharf without charge.

In case the first party shall hereafter engage in other businesses and shall require the movement of additional.....

**Trustees Meeting**

A special meeting of the Board of Trustees was called for this day by the President, when were present Messrs. Baird, Kittle, and Lawton.

The meeting coming to order, the last minutes were read and approved.

The object of the meeting as stated by the President was to consider upon a contract about to be entered into with Jason G. Fair for supplying certain mines under his charge with Hercules Powder for the term of the ensuing 12 months, said contract reading as follows:

This agreement made and entered into this 14th day of February A.D. 1879, between the California Powder Works, a Corporation duly incorporated under and by virtue of the laws of the state of California, the party of the first part, and James G. Fair the party of.....

**(Minutes Page 273)**

... the second part.

Whereas the party of the second part at the date of signing these presents has control of a number of corporations that are engaged in working mines located on the Comstock Lode in the State of Nevada and said Companies use in and about the working and development of these mines, a large quantity of blasting powder -- and whereas the party of the first part is engaged in manufacturing a blasting powder known as in called Hercules Powder and is desirous that same shall be used in the mines operated by said Corporation controlled by said party of the second part for that period of time commencing with the date of these presents, and ending on the first day of January A.D. 1880.

Now therefore it is hereby covenanted and agreed and understood by and between the parties of these presents as follows: that the party of the second part will during the time this

contract shall remain in force by all lawful means in his power cause the said Hercules Powder manufactured by the party of the first part to be used by said Corporations in all the said mines herein above named, and will prevent any other blasting powder from being used in said mines except by way of experiments while the said party of the second part shall have control of the said Corporations.

And it is expressly understood and agreed whenever the party of the second part shall cease to control any mine or mines above mentioned that then and in that case this agreement shall be at an end so far as this particular mine or mines is concerned --

This contract shall remain in force "except as to those mines of which the party of the second part shall lose control" from the date of these presents until the first day of January A.D. 1880.

The price to be paid to the party of the first part by various mining companies using said Hercules powder shall be in gold coin of the United States as follows viz.: for number 1 XX the party of the first part shall receive fifty-six cents (\$.56) per pound. For number two (2) the party of the first part shall receive thirty-seven cents (\$.37) per pound.

The above the powder is to be delivered by the party of the....

**(Minutes Page 274)**

... first part to the various Mining Companies at their magazine in Virginia City, State of Nevada, and payments for such powder to be made at the expiration of each month for such quantities and grades of powder as may have been delivered during the previous month.

Said powder must be of good quality and strength and must be equal in all respects to the same grades of powder now manufactured and sold. Provided, however, that the party of the second part shall have the right if he so elects to purchase the said powder for said mines by the carload in the city of San Francisco at three cents per pound less than the above prices.

And it is understood and agreed that should any of the powder furnished by the party of the first part to the various companies be found to be of inferior quality, that then and in that case the said mining companies shall have the right to purchase other powder from whatever source they may deem best until powder of a good standard quality is furnished to said mines.

It is expressly understood that the contract shall not apply to the use of black powder nor shall it apply to the use of any blasting powder that is used in said mines as experiments.

And it is further understood and agreed on the part of the party of the first part, that in consideration of the covenants on the part of the party of the second part heretofore contained, that the said party of the first part shall purchase of and from the Golden City Chemical Works a Corporation under the laws of the State of California, all the acids necessary to be used in and about the manufacture of said Hercules Powder during the continuance of this contract.

In witness whereof the said parties hereto have hereunto set their hands and seals in duplicate the day and year first above written.

Duly signed sealed and attested in the presence of:

Signed, Joseph Powning

Said letter of 15 June and 2<sup>nd</sup> July are in the words as follows, to wit:

San Francisco 15 June 1881  
L. Du Pont Esquire  
President Repauno Chemical Company.  
Wilmington, Delaware.

Dear Sir:

We have your proposition of 29th April last addressed to our Mr. Powning upon which you agree to accept the Cleveland Branch of this Company.

The same has had the attention of a full Board of Directors of this Company and their decision based upon the equity of the case and a sincere desire for the maintenance of our heretofore pleasant business relations, was to offer you the following proposition:

- 1st. The plant at the works, lease of land, and furniture at office, valued \$5000
- 2nd. All raw materials at the works at market value.
- 3rd. All manufactured stock wherever found valued at cost with 15% added -- or we to sell the same for our own accounts and risk.
- 4th. All book accounts to be collected by us.

Provisions must be made also for a supply of Hercules Powder, manufactured by you under our formula, to be placed in the hands of our agents in the Neutral Belt, and upon such terms as may heretofore be agreed upon, not to exceed 15% on cost value. This for the period of the unexpired term of our contact of 1880.

Should the foregoing meet with your approval and you should deem it advisable to continue the Cleveland Branch for an indefinite period, arrangements can be entered into for the use of our patent rights and Trade Mark, which we trust will be...

**(Minutes Page 302)**

.... satisfactory to all areas we shall however reserve the right in that case, to purchase back the Cleveland Branch on the same basis upon which we now propose to relinquish it, providing no arrangements can be made for continuing the compact of 1880 with the Gunpowder Trade Association on a basis satisfactory to all.

Trusting to have an early reply, we remain respectfully yours,

John F. Lohse, Secretary  
The California Powder Works  
by N. G. Kittle, President

Reply:

Wilmington Delaware: July 2, 1881.

N. G. Kittle Esquire  
President California Powder Works  
San Francisco

Dear Sir:

Your favor of 15 of June came duly to hand and was delayed being answered due to my sickness, and time required to consult parties interested.

Now in reply to your propositions will say:

Proposition 1. As to plant, we will accept this cash \$5000.

Proposition 2. Raw material -- we will accept this 30 days.

Proposition 3. Manufactured stock. We will accept the second alternative. You to see the same at your own account and risk, we agreeing to aid you as much as may be in our power.

Proposition 4. Section 1. Book accounts. We accept this.

Proposition 4. Section 2. Provision for supply of Hercules for Neutral Belt for unexpired term of compact of 1880: we accept this. Taking the above as a whole we accept it.

As to the closing section of your letter we doubt much whether it is either for your interest or our own and yet are not prepared to say we will refuse it if you insist on it, however:

1. We do not think it to our interest or yours that we be compelled to continue the Cleveland Branch indefinitely.

2. In our opinion the compact of 1880 was and is highly for the interests of the California Powder Works, and as such, is satisfactory to us except in one point, and if in the future any disagreement arises, fear it will be on the high explosives...

### **(Minutes Page 303)**

... trade of Arizona, we claiming this to be Neutral Ground Belt trade, you, Pacific trade. We would accept the following:

If at the end of the compact of 1880, freight on high explosives to Tucson, Arizona from Philadelphia is less than from San Francisco, then Arizona shall go into the Neutral Belt, but if the freight should be more, then Arizona shall be considered a Pacific State and belong to the California Powder Works.

The retirement from Cleveland, and Arizona, fixed on an equitable basis, should make any contract for the interests of our Companies, early adjusted.

Hoping you will consider this matter carefully and if possible grant our request, we remain Respectfully yours,

L. Du Pont, President

Repauno Chemical Company.

P.S. Owing to Mr. Wheeler's marriage had to keep this letter back until 6 July. L. Du Pont

A meeting of the Board of Trustees of the California Powder Works was held at this office this day when were present Messrs. Kittle, Lawton, Haggin, Earl, & Luning, and B. Peyton, Superintendent.

Upon coming to order, the last minutes were read and approved.

The object of the meeting as stated by the President was to hear the report of Mr. Peyton in regard to the conference held at Salt Lake City on the sixth and seventh instant between Messrs. L. Du Pont of the Eastern Syndicate, Mr. Dibble of the Giant Powder Company and himself as to division of trade in the Neutral Belt.

Mr. Peyton reported verbally that the result of the conference held at Salt Lake City on the sixth and seventh instant was the division of trade in the Neutral Belt in the proportion of 40% to the Eastern Companies, 30% to the Giant Powder Company, and 30% to the California Powder Works, but that the Giant Powder Company were unwilling to put that engagement into effect unless they could also settle for the Pacific Coast upon the basis of 25% to the small Companies combined 41% to the Giant Powder Company and 34% to the California Powder Works having the export trade free.

Whereupon, on motion of Mr. Haggin, it was resolved that the California Powder Works are unwilling to unite with the Giant Powder Company upon any other than equal terms.

The regular monthly meeting coming on the 12th instant and no other business of importance to be transacted it was resolved that a monthly dividend of 1% on the capital stock of the Company be and is hereby declared payable on and after the 15th instant, where upon the meeting adjourned.

San Francisco 27th November 1883  
**Trustees Meeting**

Minutes of last meeting read and approved.

The President stated that he had called the Board together for the purpose of hearing the report of the Committee appointed on the 14th instant to confer with the Giant Powder Company as to a compromise which is as follows:

To the Board of Trustees of the California Powder Works.

Gentleman:

Your Committee deputed to treat with the Giant Powder Company for a division of the trade in dynamite -- respectfully report, that the Giant Powder Company expressed the willingness to join the California Powder Works upon equal terms whilst...

**(Minutes Page 329)**

... their Patent remains undecided in California but they say that where the Patent shall be confirmed, if ever, its value ought to be acknowledge by the California Powder Works and a few points to be allowed them particularly in view of the possibility of extending the Patent.

So far as the settlement upon equal division between the two Companies is concerned, that is what we have ever sought for, because it will tend towards better prices for our powder and at the same time save us large expenses for traveling agents and other costs incidental to competition. Further, it is believed that the sales of the Giant Company exceed ours, which if true, will afford at once a gain to us and it must be remembered that the difference in cost of production between the two Companies will be quite a percentage in favor of the California Powder Works.

Your committee regard it as highly probable that on an equal division, our quota will exceed the sales we could make alone, and as unquestionable that our profit will sensibly exceed those of the Giant Company -- so far these, as the business without respect to the patents is concerned, your committee believes that your wishes are fully met and proceed to consider the relation of the patent to the question.

At this time a suit for infringement against the Safety Nitro Company -- is impending in the US Circuit Court, Sawyer, Judge. The cost of the suit is estimated at \$17,000, the whole of which will be borne by the Giant Powder Company.

Proceedings will also be had in due time, to obtain an extension of the Patent, which, extended, will be worth a large sum of money. All the expenses attending the attempt to extend the Patent will be borne by the same Company.

Now, they urge that whilst an equal division of the trade with us, irrespective of the Patent, maybe just, it is also just for them to receive some equivalent, should they by their own efforts, at their own cost, confer, upon.....

**(Minutes Page 330)**

... the joint Companies the plane advantage of the established Patent and the inestimable advantage of the extended Patent. They suggest 5% for such equivalent.

This 5%, be it observed, will not be in truth 5% of the trade, because the settlement made at Salt Lake for the Neutral Belt will go into operation at the same time with this proposed agreement, if made. By the terms of that settlement these two Companies participate equally in the trade which we estimate at 50,000 pounds per month for each party.

Now then, suppose the whole consumption of dynamite to be 500,000 pounds per month and that 20% thereof be apportioned to the small companies,

Small companies	20%	100,000 pounds
-----------------	-----	----------------

Sales in neutral belt		100,000 pounds
Balance for Giant Powder Company and California Powder Works		300,000 pounds
		Total 500,000 pounds

The Giant Company will have	52 1/2%	of 300,000 pounds
or		157,500 pounds
plus sales in Neutral Belt		50,000 pounds
		Total 207,500 pounds

The California Powder Works will have	47 1/2% of	300,000 pounds
or		142,500 pounds
Plus sales in Neutral Belt		50,000 pounds
		Total 192,500 pounds

400,000 pounds

The whole trade will then be thus divided:

Small Companies	100,000 pounds at 20%
Giant Company	207,500 pounds 41 1/2%
California Powder Works	192,500 pounds 38 1/2%

Making 3% more for the Giant than for the California Powder Works.

The protraction of the contest between the California Powder Works and the Giant Company waged on our part with the sole aim to obtain the Dynamite Patent...

**(Minutes Page 331)**

... gratis, can result in nothing better than a division of the 3% or a again to us of 1 1/2% which would make us even. This gain will take effect only upon the continuation of the Patent, which we regard as exceedingly doubtful and then will last only few months unless the Patent be extended, and we all believe it will not be extended.

In all probability the concession of the 1 1/2% will never be operative, but, should it however prove so, it will be attended with profits to the California Powder Works so great that the 1 1/2% will be absolutely insignificant beside them.

Your Committee therefore recommend that an agreement be made between the California Powder Works and the Giant Powder Company based upon equality without the patent, and 5% in favor of the Giant Powder Company with the Patent.

Signed

N. G. Kittle, Bernard Peyton

Reading of minutes 23rd instant dispensed with. The Committee read the following report which was presented in the form of a resolution, offered by Mr. Luning.

Resolved, that the California Powder Works are willing to enter into an amended agreement with the Giant Powder Company upon the following terms viz:

First. Of the whole trade in dynamite in the territory of the Giant Powder Company, 25% shall be allowed to the small companies.

Second. The remaining 75% shall be divided evenly between the Giant Company and the California Powder Works -- 37 1/2% to each.

Third. That all existing contracts made by the Giant Powder Company and the California Powder Works and the small companies, shall be pooled under the agreement to be made between these three parties.

Fourth. That the California Powder Works shall pay to the Giant Powder Company one half of the expenses of their pending litigation, and one half of the cost of their future legations as provided for in article 15 of the agreement of January 18, 1884, and also one half of their expenses in attempting to procure an extension of their patent - being 1/6 of the whole.

Fifth. That in the event of an extension of the patent, the California Powder Works will allow to the Giant Powder Company 5% of the trade after the expiration of the agreement with the Small Companies, when the division shall be 52 1/2% to the Giant Company and 47 1/2% to the California Powder Works. By "extension of the Patent" is meant such an extension as shall secure to the parties the exclusive right to make and sell dynamite.

Sixth. That the proposed amended agreement shall be entered into only after satisfactory arrangements with the Acid Manufacturers.

Seventh. That Messrs. Lawton and Peyton be requested to prepare the amended agreement and submitted it to the Board for their action.

After do discussion the resolutions were unanimously adopted.

**Amended agreement,**

This agreement, made and entered into this second day of June A. D. 1884, between the Giant Powder Company, party of the first part, and the California Powder Works, the party of the second part, and the Safety Nitro Powder Company, the Vulcan Powder Company, and the California Vigorit Powder Company, parties of the third part, all of the said parties being corporations under the laws of the state of California, witnesseth as follows:

Whereas, each of the said parties owns letters patent of the United States, viz: The party of the first part owns letters patent of Alfred Nobel, dated May 26, 1868 numbers 78317, re-issued January 9, 1883, number 10267.

The party of the second part owns letters patent of J. W. Willard dated November 17, 1874, numbers 157054.

One of the parties of the third part namely the Safety Nitro Powder Company, owns two letters patent of Gilbert and Dawes dated May 24, 1881, number 241941, and June 14, 1881, number 242893.

**(Minutes Page 343)**  
**Amended agreement, cont.**

And whereas, each of the parties hereinto is desirous to settle for and be released from all claims for any infringement, real or alleged, of said letters patent of the other parties, and is also desirous of obtaining a license to manufacture and sell the powders and compounds described, and claimed in the aforesaid letters patent of the other parties.

And whereas, it is conceded that the said letters patent are not all of equal value, and that the business now being conducted by the parties hereto is unequal.

Now therefore, in consideration of the premises and of certain valuable considerations to each of the parties hereto from the others moving, it is covenanted and agreed as follows; to wit:

### **Mutual releases**

First. That each of the parties herein to forever release the others from all and every claim for any past infringement of the letters patent aforesaid, except so far as the payments and division of business hereinafter provided for, shall be considered in satisfaction of such damages or claims.

### **Patens acknowledged valid**

Second. That each of the parties herein to for the purposes of this agreement acknowledge the validity of each and all the aforesaid letters patent, and the novelty of the several inventions therein described, and agrees not to dispute the same during the continuance of this agreement.

### **License, territory covered, shall not ship east.**

Third. that each of the parties hereinto does hereby grant to the other parties a license to make, use, and vend during the continuance of this agreement, the powders described in said letters patent in and throughout the States and Territories of the United States, lying west of the Eastern boundaries of Montana, Wyoming, Colorado and New Mexico; and that all the parties hereinto hereby agree to make no shipments of dynamite to any part of the United States lying East of said boundaries during the term of this agreement.

### **Dates of this agreement**

Forth. this agreement shall go into operation on the 3rd day...

**(Minutes Page 344)**

### **Amended agreement, cont.**

... of June 1884, and shall continue in force for and during the term of three years ensuing thereafter, unless during the said term other party or parties shall began the business of manufacturing and selling dynamite within the territory named in competition with the parties hereto, in which event it shall be competent for anyone of the parties hereto to declare this agreement null and void, and the same shall thereafter be null and void.

### Further licenses prohibited

Fifth. A right to sell dynamite in Wyoming, Montana, Utah, Colorado and New Mexico has heretofore been granted by the party of the first part to certain manufacturers in the Atlantic states, but no other license or right to use any of said letters patent or to make, vend or use any of the articles embraced thereby within the territorial limits of the aforesaid, shall hereinafter be granted by any of the parties hereunto, nor shall any license granted herein or right acquired hereby be a sign in whole or in part.

### Division in lieu of royalty.

Sixth. It being hereby understood and acknowledged by their representative parties hereunto, that all dynamite powders containing nitroglycerin that can be practically made in body the invention of one or more of the said letters patent of the representative parties aforesaid, it is agreed, in order to avoid complications of accounts and differences of opinion, as to the accounts of royalties on said respective patents, that the division of business in lieu of royalty herein agreed to, is and shall be made and adhere to as a compensation for the grant of the right of the respective parties hereunto, to use all or any of the conventions hereby licensed, irrespective of the extent of use by its several parties of the several inventions and as

a commutation for, and settlement of, all past claims for infringement by the respective parties of all or any of the said letters patent.

Parties not to be otherwise engaged in dynamite industries.

It is further agreed that, except under the provisions of this instrument, none of the parties hereunto shall be or become interested, directly or indirectly, in the manufacture or sale of dynamite powder within the territorial limits covered by the licenses issued in pursuance to this agreement.

**(Minutes Page 345)**  
**Amended agreement, cont.**

Delineation of dynamite

Seventh. For the purposes of this agreement the terms “dynamite” and “dynamite powder” shall be taken to mean any explosive compound consisting of nitroglycerin mixed mechanically with other substances, either inert or capable of being converted into gas by the explosion of nitroglycerin, in which the amount of nitroglycerin exceeds 6%, being the explosive compounds substantially as described in the letters patent herein before mentioned.

Division of dynamite business

Eighth. The following division of the dynamite business in the territory described, shall be made in lieu of and as if form of royalty, namely:

Of the aggregate quantity of dynamite sold by all the parties hereunto, the party of the first part shall be entitled to sell 37 1/2%; the party of the second part shall be entitled to sell 37 1/2%, and the parties of the third part shall be entitled to sell 25%, and when any party shall exceed the said proportion, the party selling to access as ascertained by the quarterly statements, hereinafter more particularly referred to, shall pay over to the other parties the profits of such access, to be ascertained as hereinafter provided.

Agents to be appointed to settle adjustment.

Each of the parties hereunto shall appoint an agent to pay over such access or receive compensation for the access of the others. Such profits shall be ascertained by the standing committee hereinafter provided for, from the quarterly reports to be rendered by each of the parties hereunto, in the following manner to wit:

Profits -- how ascertained.

The whole quantity of dynamite sold by all the parties hereunto during the previous quarter shall be reduced to the standard of 40% dynamite, in order to fix the quantity that each party was entitled to sell. The quotas of the respective parties having been ascertained, and the aggregate amount of the profits thereon determined by computing the difference between “the manufacturing cost” as fixed in pursuance here of, and the average price realized by all the parties hereunto, the standing committee shall proceed to find which parties if any, have sold in excess, and which parties, if any have sold short. The party or parties that shall be found under the....

**Amended agreement, cont.**

Excess of sales -- how settled.

... the computation above provided for to have realized in excess of profits upon their sales over the quarter of said aggregate profit to which they are entitled, shall pay to the party or parties that have realized less than their quota by the same computation, the value of such excess less 10% commission, in 90 days from the date of that quarterly statement; such payments to be made in accordance with written notice from the standing committee.

Exports of dynamite.

Ninth. Dynamite sold for export and actually exported for consumption abroad, or consigned to foreign countries for sale is not within the terms of this agreement, but reports of the same must be made to the standing committee.

Reports of dynamite on hand also of monthly shipments and manufacturers.

Tenth. As soon as practicable, during the current month of June, each party hereunto shall report under oath to its standing committee the quantity of each grade of dynamite it had on hand unsold on the first day of June 1884, both at its works and in its magazines, and in transition for points to be named, and in the hands of agents, specifying locations of magazines and agents, and specifying grades by percentages of nitroglycerin and thereafter, monthly, same reports of all its manufactures and also of shipments to states and territories, separately named and also exports to foreign countries of dynamite, shall be made to said committee. These reports shall be separate for each works when the party owns or represents more than one. At the end of each year, counting from 1 June, a like record of dynamite on hand at its works, and in its magazines, and in transit, and in the hands of agents, shall be made to the committee.

Quarterly reports

Eleventh. As soon as practicable, after the close of each quarter, or of three months, during the term of this agreement and not later than the last day of the succeeding months after the expiration of the quarter, each party shall make to the standing committee, a sworn report of the number of pounds of dynamite of each grade sold by it in the previous quarter specifying grades by percentage of nitroglycerin, with amount and price of each grade sold, as provided in article XV (15) hereof.

**(Minutes page 347)**  
**Amended agreement, cont.**

Quarterly Adjustments.

Twelfth. As soon as practicable, after the expiration of each quarter of three months, beginning from 1 June 1884 and not later than 45 days after the expiration of the quarter, the standing committee shall prepare a statement of the business of such previous quarter and make due adjustments of the same, as herein before provided.

Statements must be verified by oath.

Thirteenth. All the statements from each party herein before provided for, shall be prepared and sworn to by its Secretary accept reports of manufacturers at and shipments from the works, which shall be sworn to by the superintendent or manager of the works, and the penalties for willful misstatements shall be \$1000 for each offense, which shall be paid by the party whose

officer made the misstatements to the standing committee, and said \$1000 shall be for the benefit of the other parties hereunto, in the proportions as fixed for participation in the business.  
Experts to examine works re.

Fourteenth. Each party hereunto shall make quarterly examinations by an expert of the books of accounts, papers and vouchers concerning this agreement of the other parties at such date, and by such experts as it may select but not more frequently than four times in any one year, provided that any omission on the part of either party to make such examination in any quarter shall not prejudice any of its rights herein under.

Standing Committee appointed.

Fifteenth. It is further agreed that a committee shall be appointed, to be known as the standing committee, which shall consist of two members, appointed from the board of directors of the Giant Powder Company, two from the trustees of the California Powder Works, and two from the boards of directors of the three corporations forming the third-party hereunto, who shall be changeable at the option of the party appointing upon due notice in writing to the other parties. The committee shall choose one of their number as chairman, and he shall vote on all questions without regard to his office as chairman.

Meetings.

Regular meetings of the standing committee shall.....

**(Minutes Page 348)**

**Amended agreement, cont.**

... be held on the 11th day of each month, or, when that day falls on Saturday, Sunday, or a legal holiday, on the next business day thereafter at such hour and place in San Francisco, as the committee may appoint.

Do notice of all meetings of the Committee shall be given according to rules adopted by it.

Quorum.

A quorum shall consist of one representative from each party. When a member of the Committee is absent, his associates shall be held to represent him by proxy.

Special meetings.

Special meetings of the Committee shall be promptly called at any time on written request of any two members.

Failure to attend meetings.

If any party, after proper notice, fails to be represented at two successive meetings, whether regular, special or adjourned the parties attending shall duly call the attention of the absent party in writing to the fact, and give him do notice at the same time of the next meeting. If the same party again fails to be represented, the parties attending may proceed to act with the same effect as if all the parties were represented and joined in the action taken.

Minutes.

All proceedings of the committee shall be properly recorded in a book that shall always be open to all the parties hereto.

Fixing prices.

The standing committee shall have power to fix the prices at which dynamite shall be sold within the States and Territories embraced within this agreement.

They shall prepare a schedule of such prices by taking as the standard price 23 1/4 cents for number 2 dynamite, containing 40% of nitroglycerin, in carload lots, and 24 1/4 cents for smaller lots FOB in San Francisco, and graduating there from the prices of dynamite containing, more or less than 40% by adding a half cent per pound for each 1% of nitroglycerin more than 40%, and deducting one quarter of a cent per pound for each 1% of nitroglycerin less than 40%. These prices shall be known as the "selling price"; and upon them all the parties herein to shall be required to settle with the standing committee, except in the case of contracts now outstanding, which are hereinafter provided for, and in case of special rates allowed by the committee, as hereinafter provided; but nothing herein...

**(Minutes Page 349)**

**Amended agreement, cont.**

... contained shall prevent any parties hereto from obtaining more than the "selling price" and from retaining the difference for its own profit.

To account at selling prices re:

Each party here in two shall account at the "selling price" to the standing committee for all the dynamite it sells except in the case of contracts now outstanding and in the case of a special rate being allowed by the committee: but when losses are made by bad debts no prophet shall be exacted from the party incurring such losses. If, however, any debt that's given up for lost, be afterwards collected due account of the same shall be made.

Selling prices may be changed.

The standard price above named for number 2, 40% dynamite and also the scale for graduating prices may be changed at the discretion of the committee but no change shall be made without the vote of at least one representative of each party hereunto.

Special rates.

Special rates for localities or grades may be made in the discretion of the committee, when circumstances so require, upon a like vote. All sales at such special rates shall be separately reported in the quarterly statements together with the localities thereof and the names of the buyers: and the same shall be taken into account and such special prices allowed for in adjusting the quarterly settlement.

Manufacturing cost.

The standing committee shall also prepare a schedule showing the manufacturing costs of the various grades of dynamite in accordance with the percentage of nitroglycerin contained, taking as a standard for number 2 dynamite of 40% nitroglycerin 14 1/2 cents with 25/100 of a cent added or deducted for each 1% of nitroglycerin more or less. The manufacturing cost and also the scale of gradation thereof may be changed at the discretion of the committee but no change shall be made without the vote of at least one representative is of each party hereunto.

Investigation of complaints.

The standing committee shall have power to investigate complaints between the parties hereunto or their representative agents as to infractions of this agreement including infractions of the schedule of selling prices above named mentioned.

Fines.

The standing committee may impose fines for such....

**(Minutes Page 350)**

**Amended agreement, cont.**

... infractions as in their judgment may seem proper not exceeding \$1000 for anyone offense and they may impose and collect such fines upon information even if unable to prove directly that the infraction has been committed as charged against the letter or the spirit of the agreement unless the agent or the parties charged with such infraction shall in writing, in a clear and comprehensive form, prepared by the committee, specifically deny under oath that any such infraction had been committed. If such denial under oath is made, no fine shall be imposed at that time but should the committee subsequently discover such denial to be untrue they shall have power to impose a fine not exceeding \$1500 for such infraction or for each of them if more than one.

The parties hereunto respectively agree, that upon being notified in writing of any fine imposed upon them by the standing committee, they will forthwith pay over the amount thereof to the committee for the benefit of the parties aggrieved.

Right to take legal proceedings.

It is, however, understood that, notwithstanding any fine or decision by the committee, each of the parties hereunto reserves its right to take legal proceedings for redress for any infraction or grievance arising under this agreement and should it so elect for the termination thereof on account of such infraction or grievance.

Forms to be prepared.

Sixteenth. The standing committee shall prepare all forms of statements or affidavits required under this agreement.

Prior contracts may be filled.

Seventeenth. It is understood and agreed, that all the parties hereunto may fill their contracts for dynamite entered into prior to June 1, 1884 at prices less than those provided for in this agreement; and that all dynamite delivered after that date under such contracts shall be included as sales in the quarterly report of sales herein required, and shall count in the quota or division of sales herein provided, and shall be accounted for in the quarterly reports at the actual prices realized upon deliveries.

**(Minutes Page 351)**

**Amended agreement, cont.**

Appealed to arbitration.

Eighteenth. Should either of the parties hereunto feel aggrieved by any decision of the standing committee, it may within 14 days thereafter appeal therefrom to arbitrators. Such party in that case shall appoint an arbitrator, and shall duly notify the representatives of the other parties in the standing committee, and the other parties shall forthwith appoint another arbitrator, and the two so selected shall appoint a third. All the arbitrators shall be impartial and disinterested persons. They shall proceed promptly to hear and decide the case, and their assistants shall be binding upon both parties, unless an appeal therefrom should be taken to the courts within 60 days. Should the other parties neglect for 10 days, after being duly notified, to appoint an arbitrator, the arbitrator already appointed may proceed to hear and determine the case with the same effect as if both parties had appointed arbitrators. The expenses of arbitration shall be paid by the losing party.

Expenses standing committee.

Nineteenth. All expenses of the standing committee including fees for attendance -- \$10 -- shall be paid by the parties hereto in the proportion of the division of profits.

How third party divides its 25%.

Twentieth. It is understood that the 25% of the aggregate profits appointed to the parties of the third part, and to be paid to their agent, is by him to be divided amongst them in the proportion of 11 1/4% to the Safety Nitro Powder Company; 7 1/2% to the Vulcan Powder Company, 6 1/4% to the California Vigorit Powder Company.

Intent of this agreement.

Twenty-first. It is finally declared by all the parties hereunto that the true intent of this instrument is:

To procure a fair division amongst them of the dynamite business in the territory described, and the proportions stated, by means of interchange of rights under the said patents (as illustrated by exhibit A., appended hereunto) to obtain remunerative prices for dynamite; to release one another...

(Minutes Page 352)

**Amended agreement, cont.**

... from vexatious lawsuits and all liability for past infringement of said Patents; to secure to the parties hereunto, in accordance with their aforesaid patents, as far as possible, the sole right to manufacture and sell dynamite in the territory described during the term herein agreed upon; to harmonize their relations by executing their patent interests and providing speedy and fair means to settle all questions that may arise amongst them, and to settle the question of outstanding contracts by assuming them for the common account.

Not to prejudice the Noble Explosive Gelatine [sic] Patent.

Twenty-second. It is specially agreed and understood that nothing contained in this agreement shall affect or impair the patent rights of the party of the first part to the invention known as Nobel's explosive gelatine, [sic] and described and covered by letters patent number 175,735, dated 4 April 1876, issued to the assignee of said Nobel: nor shall prevent said party of the first part from enforcing such patent rights by legal proceedings against any and all parties.

A monthly meeting of the Board of Trustees was held this day when were present Messrs. Kittle, Lawton, Luning, and Haggin.

The minutes of the last meeting being read and approved, the President announced that in La Carbonera case the Superior Court, Judge Hunt presiding, had decided against the Company and presented a letter to that effect from Messrs. McAllister and Bergen: San Francisco December 11, 1884

To the California Powder Works  
Gentleman:

In the two cases of Davis and Cowell and the California Powder Works and the California Powder Works versus Davis and Cowell, Judge Hunt has decided in favor of Davis and Cowell. Of course I cannot predict what the decision of the Supreme Court will be in these cases, but in my judgment an appeal ought to be taken in order to give the California Powder Works the chance of having the judgment reversed.

In order to stay proceedings the California Powder Works would have to give a bond to pay the value of the use and occupation of the property in dispute pending the appeal.

Yours truly Hall McAllister

Upon motion of Mr. Haggin, seconded by Mr. Luning, it was Resolved, that an appeal be taken by the Company to the Supreme Court of the State of California from the judgment of the Superior Court of the City and County of San Francisco in the suits of Isaac E. Davis et al. versus the California Powder Works and the California Powder Works versus Isaac E. Davis et al. -- and the President of this Company is hereby authorized to take all necessary and proper steps to effectuate said appeals, including the giving of an appeal bond in each of said suits, and this Company will indemnify and save harmless the individuals and each of them who execute any of said appeal bonds, or appeal undertakings, from the obligation and liability of same.

The monthly meeting of the Board of Trustees was held this day when were present Messrs. Kittle, Lawton, Haggin, Luning, and Peyton.

Upon coming to order, the minutes of the last meeting were read and approved.

The President stated having received a letter from Messrs. Du Pont & Co. under date 8 January 1885 relative to Colorado Powder Company purchase to wit:

Wilmington Delaware January 8, 1885

N. G. Kittle, Esquire

President, California Powder Works

San Francisco California.

Dear Sir:

We learn that at the meeting held on December 19, 1884 your Company declined to accept the second agreement, in which provision was made for payment for Colorado Powder Company purchase and in lieu thereof accepted the first agreement, dividing the trade...

**(Minutes Page 367)**

... in 60 and 40% and leaving the Colorado Powder Company entirely independent.

We are much surprised at the position your Company has taken with regard to the matter, and think the reason advanced for declining to pay your just proportion is puerile viz: Mr. Du Pont said he would communicate with us upon completing purchase and state our participation in it.

This could not be done as Repauno Chemical Company did not actually become possessed of the property until December 30, 1884, when they received the Sheriff's deed, and bill four Sheriff's fees etc. etc.

We consider that by telegram and letter of February 1883, your Company is in all honor bound to carry out what you then stated you would do, and what is more, it is only equitable and right that you should do so.

The Repauno Company never would have purchased the Colorado Powder Company, unless all parties to be benefited by said purchase, had agreed to pay their proportion.

Now what will you gain by declining to pay your proportion? Nothing!

The owner of the Colorado Powder Company gave due notice in New York to both Mr. Dibblee and Mr. Peyton, that they would certainly reimburse themselves, if possible, from the trade of the Neutral Belt.

As soon as they communicate this step to get trade they will have to cut prices, and then de-amortization will commence and your Company will find yourselves just where you would have been for the last year -- running at cost or perhaps a small loss.

We certainly trust that at the next meeting of your Board you will lay the matter before them and that they will adopt the 2nd agreement, and cancel the useless one, that has been executed.

Very truly yours

E. I. Du Pont de Nemours Company

It was thereupon Resolved that the agreement, dated November 26, 1884, between the California Powder Works and certain other companies engaged in selling dynamite in the states and territories described therein as the Neutral Belt and which was executed by the California Powder Works on the first day of December 1884 is, with the assent an agreement of....

**(Minutes Page 368)**

... the other parties thereto, hereby annulled; and that a certain other agreement with the same parties, bearing the date first mentioned, it is hereby ordered to be executed by the President and Secretary of this Company; the essential differences between the two agreements being that the latter provides for the term of five years for the agreement to run and for the payment of the cost of the works and goodwill of the Colorado Powder Company in the manner set forth in article 9 of the said latter agreement.

Mr. Peyton being called to the Chair, the meeting came to order and the last minutes were read, and on motion, seconded approved.

The Secretary reported two telegrams from the President from New York -- relative to his visit at the East in interests of the Company. Same ordered placed on file subject to the return of the President for further information.

Letter from Edward Green, Secretary of the Gunpowder Trade Association, under date of 18 September, giving notice that the agreement entered into between the several powder companies in September A.D. 1886 would terminate on and after 31 December 1890. The Secretary was directed to reply to same and to accept the proposition.

On motion, duly seconded, the regular monthly dividend of 1% on the capital stock of the company was declared payable on and after the 15th instant, when there being no further business, before the meeting, it adjourned subject to call.

Present Messrs. J. Bermingham, J. G. Kittle, M. A. de Laveaga, and B. H. Baird. Absent, B. Peyton.

Upon coming to order, the minutes of the last meeting were read and approved.

The President reported having purchased about 1700 tons of nitrate of soda ship "Arthurston" at \$1.55 -- vessel to arrive in April next. Also having made a contract with Messrs. Kittle and Company for 50 drums of glycerin per month by sail from Europe commencing in January 1891 and ending in December 1891 -- at 9 3/8 cents in bond here which together with a duty of 4 1/2 cents per pound will cost us 13 7/8 cents -- or 8 cents less per pound than we now pay and that powder from this glycerin for export would be entitled to a drawback. Confirmed.

The President reported business is good, but collections tardy and that in his judgment owing to the inability to gather in.....

**(Minutes Page 441)**

... several large accounts now ordered and for the reason that the new Judson Dynamite Company are about to enter the field -- there being a disturbing element in the high explosive business -- he believed it but just to the Stockholders of the Company, to not pay the extra dividend of \$3 as has been the custom for the past three years. On motion of Mr. Kittle, seconded by Mr. de Laveaga, resolved, that the usual dividend of one dollar per share on the Capital Stock of the Company be declared payable on and after the 15th instant -- and that the discussion as to an extra dividend be postponed until after the New Year. No further business, the meeting adjourned subject to call.

Present Messrs. J. Bermingham, J. G. Kittle, M. A. de Laveaga, B. H. Baird, and B. Peyton. Upon coming to order the minutes of the last meeting were read and approved.

The President reported that pursuant to authority given him at an informal meeting held on the 6th instant, he offered a resolution on the 7<sup>th</sup> instant suspending Pool rates in the Neutral Belt, which was carried.

Mr. Dibblee alone voting in the negative, and that at a meeting of the Positive Belt Committee held on the same day, a resolution suspending Pool rates in the Positive Belt was carried unanimously as a consequence of suspension in the Neutral Belt -- this virtually ending at once the subsidies paid to the Vulcan Powder and Western Mineral Companies.

The President further reported having received notice from the Giant Powder Company of their withdrawal from the agreement entered into to keep closed their black powder mill at Clipper Gap.

Upon motion, seconded, resolved that the above reports are satisfactory and duly approved by the Board.

**(Minutes Page 442)**

The President also reported that an accident occurred at the works at Pinole on 8th instant, by which the new Champion plant was destroyed, and causing the death of two Whites and one Chinaman. He recommended the reconstruction of safer and larger works for the manufacture of the new Champion Powder as the same had proven by actual tests in the field to be much superior to the celebrated Judson Powder so extensively used in railroad and other work, and which has in a great measure displaced our black powder.

The President stated that Mr. Sherwood was desirous of borrowing 200 tons of Japan sulfur, at \$20 per ton -- the same costing the company \$19 per ton. On motion, seconded, the matter was left to the discretion of the President.

Mr. Peyton presented for the consideration of the Board schedule of cost and other papers showing the operations of the Standard Cartridge Company of Chicago and stated, that the Company is working under a patent belonging to Messrs. du Pont & Co. who favor the construction of cartridge works by this company and have agreed for that purpose to set off the entire Pacific Slope. That when certain litigation over the patent is concluded, they will issue a

license to the C. P. Works covering the Pacific Slope upon the same terms as they will accord to the Standard Company of Chicago, which company is composed of the DuPont, Hazard, Laflin & Rand, Oriental and other works, name forgotten.

On motion of Mr. Kittle, seconded by Mr. Baird, the same be referred to Messrs. Bermingham and Peyton for further investigation and to be reported upon at their earliest.

On motion, seconded, a dividend of 1% on the capital stock of the company was declared payable on and after the 15th instant, when the meeting adjourned.

**Special Trustees Meeting**

A special meeting of the Board of Trustees was called for at this 11 AM, when were present Messrs. Bermingham, Kittle, de Laveaga, Baird, and Peyton.

The President stated that this meeting was called for the purpose of considering the advisability of the consolidation of the California Powder Works with the Giant Powder Company, and that some of the Trustees and himself, have recently had a number of interviews with President Dibblee of the Giant Powder Company relating to same. After much

deliberation, we concluded that we were entitled to 75% in such a combination. Mr. Dibblee suggested that his directors might consent to a consolidation on the basis of 27% to the Giant Powder Company, and 73% to the California Powder Works, thus making a difference of 2% between the ideas of the representatives of the two companies.

After much discussion, Mr. Kittle offered the following resolution, to wit: that the President of the company and Mr. Peyton be authorized to negotiate with the Giant Powder Company for a consolidation on the basis of 75% to this company, and 25% to the Giant Powder Company subject to the approval of the legal number of shares in each Company.

Mr. Kittle's resolution being seconded by Mr. Baird, Mr. de Laveaga moved as an amendment thereto, that Mr. Kittle be authorized to act with the President and Mr. Peyton in any negotiations with the Giant Powder Company.

Mr. de Laveaga's amendment being accepted, the resolution was put and carried by a unanimous vote.

The meeting then adjourned.

Mr. M. A. de Laveaga offered the following resolution in regard to a contract of indemnity to be delivered to the heirs of such John McKee and Jonathan G. Kittle, to wit:

Resolved that the President and Secretary of this Corporation and its corporate name and under corporate seal, execute and deliver to the heirs, executors, administrators and legal representatives of each John McKee and Jonathan G. Kittle, a contract of indemnity in the words and figures following viz.:

This agreement entered into this 12th day of January 1894 by and between the California Powder Works, a Corporation organized.....

### **(Minutes Page 479)**

... and incorporated under the laws of the state of California, the party of the first part, and their heirs, executors, administrators and legal representatives of each John McKee and Jonathan G. Kittle late of San Francisco, deceased the parties of the second part, witnesseth:

Whereas, on or about the 29th day of July 1890 the party of the first part, in the case of Willis E. Davis, administrator of the estate of Isaac E. Davis, deceased, plaintiff, versus the California Powder Works defendant, sued out a writ of error from the Supreme Court of the United States to the Supreme Court of the State of California, from the decision and judgment of the Supreme Court of the State of California in said case; and,

Whereas to effectuate said writ of error, the said party of the first part was called upon to give and did give a supersedeas [sic] and stacy bond which resulted the following condition viz:

The condition of this obligation is such that whereas the California Powder Works, a Corporation duly organized and existing under and by virtue of the laws of the state of California, has prosecuted and is prosecuting a writ of error from the Supreme Court of the United States to the Supreme Court of the State of California, to review, re-examine and reverse the judgment rendered in the above entitled suit by the Supreme Court of the State of California; and whereas the Chief Justice of the said Supreme Court of the State of California has allowed said writ of error and fixed the amount of the bond to operate as a supersedeas

and stay of proceedings in said writ pending the determination of the said writ of error, in the sum of \$10,000.

And provided that if said Corporation, the California Powder Works, should prosecute its said writ of error to effect and answer all damages and costs if it fail to make good its plea, then the said obligation to be void, otherwise the same should be and remain in full force and virtue; and,

Whereas, the said John McKee and Jonathan G. Kittle become sureties on said bond and execute the same as such sureties, and the same was accepted and approved by the Supreme Court of the State of California on the 29th day of July 1890: and,

Whereas the party of the first part desires to indemnify.....

**(Minutes Page 480)**

.... and save harmless their heirs, executors, administrators and legal representatives of each of the said John McKee and the said Jonathan G. Kittle, of and from all liability, damages and costs for or on account of or by reason of the said bond and of each and every of its provisions:

Now therefore, the said Corporation, party of the first part, in consideration of the signing, execution and delivery of said Bond, and of one dollar to it in hand paid, the receipt whereof is hereby acknowledged, does hereby covenant, promise, and agree to and with the heirs, executors, administrators and legal representatives of each of the said John McKee, and the said Jonathan G. Kittle, that the party of the first part will at all times hereafter well and sufficiently save harmless and keep indemnified the said parties of the second part and each and every of them, from and against all manner of costs, charges, expenses and damages which they, the said parties of the second part or any or either of them at any time or times hereafter may bear sustain or be put into, for or concerning the bond or any of the terms thereof, or the delivery thereof, as aforesaid:

In witness whereof, the said Corporation has caused these presents to be subscribed and its corporate seal to be affixed by the hands of its President and Secretary who are thereunto duly authorized.

Signed the California Powder Works  
by, John Bermingham, President  
The California Powder Works  
by John F. Lohse, Secretary.

The above resolution being duly seconded by Mr. Peyton, the contract of indemnity was duly approved of and ordered that a copy of same be spread upon the minutes.

The Secretary announced that 30,000 shares were duly represented out of the entire subscribed capital stock of the Corporation, which is 30,000 shares.....

**(Board of Directors Meeting Page 31)**

..... and the Chairman declared that more than two thirds of all the subscribed capital stock of the Corporation was duly present and represented and that the meeting was ready for business.

The Secretary reported that he had given notice of the meeting as required by Section 359 of the Civil Code of California, and produced and read the following copy of the notice thereof, to wit:

Notice

Office of the California powder works

Notice is hereby given that the Board of Directors of the California Powder Works hereby call a meeting of the stockholders of said Corporation to be held on Wednesday, the 15<sup>th</sup> day of April, 1903, at the hour of 11:00 AM at the office of the California Powder Works, in that building known as "Office" situated in the Town of Hercules, Contra Costa County, State of California, for the purpose of voting upon the proposition of diminishing the capital stock of said Corporation from 60,000 shares of the par value of \$100 each, to 30,000 shares of the par value of \$100 each.

Dated at Hercules, this 15<sup>th</sup> day of January, 1903.

**(Board of Directors Meeting Page 32)**

By order of the Board of Directors of the California Powder Works

John Bermingham Junior, Secretary,

which he reported was published in The Pinole Weekly Times a newspaper printed and published in the County of Contra Costa, State of California, once a week for the period of at least 60 days next prior to the date of this meeting, and stated that he also duly mailed said notice on the 17<sup>th</sup> day of January, A.D. 1903, to each stockholder of the Corporation, addressed to his place of residence, if known, and if not known, at the office of the Corporation; and he also read the affidavit of the principal clerk of the printer of The Pinole Weekly Times, and which has been heretofore set forth in full in these minutes, showing the due publication of the said notice in said paper on the following dates, viz.: on the 17<sup>th</sup>, 24<sup>th</sup>, and 31<sup>st</sup> days of January, 1903; on the 7<sup>th</sup>, 14<sup>th</sup>, 21<sup>st</sup>, and 28<sup>th</sup> days of February, 1903; on the 7<sup>th</sup>, 14<sup>th</sup>, 21<sup>st</sup> and 28<sup>th</sup> days of March, 1903; and on the 4<sup>th</sup> and 11<sup>th</sup> days of April, 1903; and on motion of Mister de Laveaga, seconded by Mister Pillsbury, it was unanimously Resolved that the report of the Secretary as to the publication and mailing of notices of this meeting be approved and ratified, and further.....

**(Board of Directors Meeting Page 33)**

Resolved that all preliminary steps for the holding of this meeting required by law have been fully complied with.

The following resolution was then offered by Mister Pillsbury and duly seconded by Mister de Laveaga, viz.:

Whereas, the total amount of the capital stock of this Corporation is now the sum of \$6 million (\$6,000,000), divided into 60,000 shares of the par value of \$100 each; and

Whereas, 30,000 shares of the said capital stock and no more has been subscribed for and issued, this fully paid up and is now outstanding; and

Whereas, all the stockholders of said Corporation consider it advisable that the capital stock should be reduced to \$3 million, (\$3,000,000) divided into 30,000 shares of the par value of \$100 each, and have requested in writing that a meeting of the stockholders be called and held for that purpose.

Now therefore, it is hereby resolved by the unanimous votes of the stockholders owning and holding on the stock books of this Corporation more than two thirds of the entire capital stock thereof which has been subscribed, viz.: all the capital stock of said Corporation which has been.....

**(Board of Directors Meeting Page 34)**

..... subscribed for, that the capital stock of this Corporation be and the same is hereby diminished and decreased from \$6 million dollars, divided into 60,000 shares of the par value of \$100 each, to \$3 million dollars, divided into 30,000 shares of the par value of \$100 each, and all and singular the said stockholders so owning and holding on the books of this Corporation more than two thirds of the entire subscribed capital thereof, to wit, all of said subscribed stock, do hereby unanimously vote for and do hereby unanimously consent and assent to such diminution and decrease of the capital stock in the amount and as aforesaid.

The Chairman thereupon directed the Secretary to call the role of stockholders for the purpose of voting upon said resolution.

The Secretary then called the role of stockholders and the said resolution was unanimously adopted.

As evidence and in testimony of their votes in favor of the said resolution so diminishing and decreasing the said capital stock, all the said stockholders thereupon signed and filed with the Secretary of this Corporation a written ballot or vote in the words and figures following, to wit.

**(Board of Directors Meeting Page 35)**

We, the undersigned stockholders of the California Powder Works, a Corporation, representing owning and holding on the books of the said Corporation, the number of shares set opposite our respective signatures hereto (said number of shares being more than two thirds of the entire subscribed capital stock of said Corporation, to wit; all the capital stock hereto for subscribed for) at a meeting of said stockholders duly called and held under and in accordance with the provisions of the laws of the State of California, and more particularly in accordance with the provisions of Section 359 of the Civil Code of the State of California, do hereby vote for and in favor of the said resolution offered at said meeting on the 15<sup>th</sup> day of April, 1903, by Mister Pillsbury and seconded by Mister de Laveaga, said resolution being for that diminution of the capital stock of this Corporation as therein specified, and we, the undersigned stockholders and each of us, do hereby vote, consent and assent to such diminution, and do hereby diminish the capital stock of this Corporation from its present amount, \$6 million, divided into 60,000 shares of the par value of \$100 each, two \$3 million, divided into 30,000 shares of the par value of \$100 each.

In Witness Whereof, we have hereunto.....

.... H. M. Barksdale, Vice – President Penniman presided, the Secretary being absent, and Mister B. C. Carroll was requested to act as temporary Secretary.

The reading of the minutes of the last meeting of the Board was waived.

On motion of Director Turner, seconded by Director Webster, the following resolution was unanimously adopted.

Whereas, this Corporation by its two deeds dated, respectively, October 6, 1902, and October 5, 1903 conveyed to Hercules Water Company, a Corporation, certain land and riparian rights and privileges in the County of Contra Costa, State of California, and

Whereas, the Hercules Water Company, in consideration of such conveyances, issued and delivered to this Corporation 700 shares of the capital stock of Hercules Water Company and executed an agreement to furnish to this Corporation, free of charge, any and all water that might thereafter be required by this Corporation for manufacturing or domestic purposes in the County of Contra Costa, and

Whereas, the amount of water required.....

..... by this Corporation for manufacturing and domestic purposes in the County of Contra Costa, is now, and for a long time past has been greatly in the excess of the amount estimated either by this Corporation or by the Hercules Water Company, at the time of the execution of said agreements; and

Whereas, the consideration asked by this Corporation for such conveyances was 700 shares of the capital stock of the Hercules Water Company and the office to supply said water by Hercules Water Company was voluntary on its part, and

Whereas it is deemed by the Board of Directors of this Corporation to be unreasonable and unjust to hold said Hercules Water Company to the terms of its agreement requiring it to furnish to the Corporation water required by it for manufacturing and domestic purposes free of charge:

Now, therefore, it is Resolved that Hercules Water Company, a Corporation, be and the same is hereby released from that certain agreement entered into by it on the \_\_\_\_ Day of \_\_\_\_ 1902, by the terms of which it agreed to furnish to this Corporation free of charge, any and all.....

..... amounts of water that might thereafter be required by this Corporation for manufacturing or domestic purposes in the County of Contra Costa; and

Resolved, further that said agreement of the \_\_\_ day of \_\_\_ 1902 be and the same is hereby held and admitted to be canceled.

On motion of Director Bermingham, seconded by Director Turner, the following resolution was unanimously passed:

Whereas, this Corporation has heretofore by its two deeds dated respectively October 5, 1903, conveyed to the Hercules Water Company, a Corporation, certain lands and riparian rights and privileges in the County of Contra Costa, State of California, and

Whereas it is deemed advisable that the said rights and privileges therein granted should be more particularly designated and dutifully fixed:

Now therefore resolved, that the President or Vice President and Secretary of this Corporation, be and they are hereby authorized and empowered for and on its behalf and as its corporate act and deed, to execute a deed confirming and ratifying in all respects the two deeds in the preamble hereof mentioned, and.....

..... held on the 21<sup>st</sup> day of March, 1906 were read and on motion duly seconded approved as read.

The following resolution was introduced by Stockholder Frank Turner, and duly seconded by stockholder W. J. Webster.

At this point in the proceedings Mister W. W. Kaufman authorized proxy of stockholder J. A. Folger presented and read the following and requested that it be spread upon the minutes.

Stockholder J. A. Folger, by W. W. Kaufman his proxy does hereby object to the passage of any resolution at this meeting of the Stockholders of California Powder Works, either authorizing or ratifying sale of the properties of this Corporation to DuPont de Nemours Powder Company or to any other person or Corporation.

This objection is made and based upon the ground that the attempted action of the Board of Directors of California Powder Works a Corporation in selling or attempting to sell the properties of this Corporation is null and void, of no effect.

One of the reasons why said action of said Directors is null, void and of no effect is hereby specified to be the fact that a majority of said Directors, or a sufficient number thereof necessary to make a quorum at the meeting at which such attempted sale was made, or the resolution.....

**(Board of Directors Meeting Page 111)**

..... therefore passed were and each of them was actually interested in the purchasing Corporation, and the Corporation to which the properties of said California Powder Works were proposed to be sold.

That said, Directors were, and each of them was, a stockholder for the Corporation to whom it was and is proposed to sell the properties of this Corporation.

That more than a quorum of the Directors of this Corporation at the meeting at which it was voted to sell the properties of this Corporation were actually interested adversely to California Powder Works a Corporation and were actually interested in making said sale at the lowest possible price to the purchaser.

That said meeting of said Directors was not properly called, in accordance with law and the by-laws of the Corporation and that the same was not properly held and that a legal quorum competent to act upon the proposed sale of the properties of the Corporation did not in fact vote, or act there on and that for many other and diverse reasons the resolutions of the Board of Directors of this Corporation purporting to sell the properties of this Corporation was null, void and of no effect.

**(Board of Directors Meeting Page 112)**

Further objection is made at this meeting of stockholders, two thirds of the stockholders are not present or properly represented by proxy, further that this meeting is not properly called or

held, and that notice thereof has not been given in accordance with Law and the By – Laws of this Corporation; that the purported notice of the calling of this meeting was insufficient in that said notice did not state to whom all of the properties of this Corporation had been sold; or for what price they had been sold; or how the purchase price was payable and for the further reason that said notice purports to call a meeting for the purpose of discontinuing the business of California Powder Works a Corporation, before it has in fact disposed of its properties and that said notice states that at said meeting the question of application for a Decree of Disillusion would be considered and acted upon, whereas no such question could be taken up or considered at this meeting of the stockholders until after the sale of its properties had been consummated, further because of the number of shares represented at this meeting of the stockholders, 27,315 shares are owned and held by the DuPont de Nemours Powder Company who are in truth and in fact.....

**(Board of Directors Meeting Page 113)**

..... the purported purchase and that there is not sufficient number of stockholders disinterested in the purchase and sale of the properties of this Corporation now a sufficient number of stockholders who are not in fact the proposed purchasers of the properties of this Corporation, to vote or act at this meeting of stockholders; and further that any vote of said 27,315 shares of the capital stock of California Powder Works which may be voted in favor of the proposed sale of the properties of this Corporation to DuPont de Nemours Powder Company would be a fraud upon the other stockholders of this Corporation and would be null and void and of no effect and would be in effect a vote by such stockholders to sell unto himself the properties of this Corporation in fraud of the rights of the other stockholders of California Powder Works.

The above all but some of the objections which said J. A. Folger through his attorney in fact makes to the putting or passing of the proposed resolution just read.

Said J. A. Folger requests that a copy of this protest be spread upon the minutes of the Corporation of this meeting.

Said J. A. Folger further specifies that said purported sale of said properties of this.....

..... to said DuPont de Nemours Powder Company in furtherance of a trust, combination, agreement and conspiracy in restraint of trade and commerce between the various states of the United States and contrary to the provisions and restrictions of the so-called Sherman Act, the same being a law of the United States.

The resolution offered by stockholder Frank Turner and seconded by stockholder W. J. Webster was as follows:

Whereas the Board of Directors of this Company in special meeting duly called and assembled on the 30<sup>th</sup> day of November, 1906, duly resolved to sell all of the real, personal and mixed property of this Company, wherever situated, including the goodwill of the business of this Company, and all letters patent, and interests therein, trademarks, trade names, brands, processes, copyrights and formulae of this company to E. I. DuPont de Nemours Powder Company a Corporation organized and existing under the law of the State of New Jersey for the sum of \$6,750,000 and in addition, an amount necessary to pay all liabilities of California

Powder Works as shown by the books of that Corporation on the 24<sup>th</sup> day of December, 1906, said amount to be later ascertained by the Secretary and inserted in these minutes to be paid in cash upon delivery of possession of the property so sold, subject to the approval of three fourths majority of.....

..... the stockholders of this Company in special meeting assembled.

Now, therefore be it resolved that the action of the Board of Directors aforesaid, in resolving to sell and convey all the real, personal, and mixed property of this Company, wherever situate, including the goodwill of the business of this Company and all letters patent and interests in letters patent, trademarks, trade names, trade processes, copyrights and formulae to E. I. DuPont de Nemours Powder Company aforesaid, for the sum of \$6,750,000 to be paid in cash by the purchaser upon delivery of possession of the property sold, be and the same hereby is and in all things ratified, approved and confirmed.

The Secretary then called the role for a vote on this resolution, which resulted as follows; for resolution 29,764 shares, against 8 shares.

They Secretary then announced that the resolution had been carried by more than two thirds majority as required by the By-Laws.

Minutes of regular meeting of Board of Directors of California Powder Works, October 16, 1907.

A regular meeting of the Board of Directors of the California Powder Works was held at the office of the company in the Town of Hercules, California, this 16<sup>th</sup> day of October, 1907 at 11:00 AM

Present: R. S. Penniman, Frank Turner, W. J. Webster, John Bermingham Junior. Mister R. S. Penniman, President of the Company, presided at the meeting and Mister Henry Boysen, Secretary of the Company was present and acting.

The minutes of the last meeting of the Board, held on the 7th day of October, 1907, were read, and on motion of Director Bermingham, duly seconded by Director Turner, were approved as read.

The following resolution was offered by Director Webster, seconded by Director Turner, and all of the Directors present at said meeting voted for the same, namely: R. S. Penniman, Frank Turner, W. J. Webster, and John Bermingham Junior.

Whereas, at a meeting of this Board held Monday, October 7, 1907 the resignation of Mister T. C. DuPont as a Director of this Corporation was tendered and accepted and Mister H. D. Pillsbury was then elected as a Director in the place and stead of said T. C. DuPont and

Whereas under the bylaws of this Corporation it is a necessary qualification for a Director that he shall hold at least five shares of the stock of the Company of record; and

Whereas it appears that at the time of the election of said Pillsbury at said last meeting, he was not a holder of record of 5 shares of the stock of the California Powder Works, only holding 4 shares of record, it appears that he has since become and now is the holder of 5 shares of said stock of record.

**(Board of Directors Meeting Page 128)**

Now Therefore

Resolved: that the resignation of said T. C. DuPont as a Director of this Corporation, be and again accepted.

Resolved, further: that H. D. Pillsbury be and hereby is reelected a Director of this Corporation in the place and stead of said T. C. DuPont resigned.

The President then declared that said H. D. Pillsbury had been duly elected a Director of the Corporation, and therefore said Pillsbury appeared and took his seat as such Director, and participated in all further proceedings of said Board during said meeting.

On motion of Director Pillsbury, seconded by Director Turner, the following resolution was adopted by a vote of all of the Directors present, to wit: R. S. Penniman, Frank Turner, W. J. Webster, John Bermingham Junior and H. D. Pillsbury.

Whereas at a special meeting of the Board of Directors of this company, regularly held at Company's office in the Town of Hercules on November 30, 1906, a resolution was duly adopted by said Board to the effect that this Company sell to the E. I. DuPont de Nemours Powder Company a Corporation, all of this Company's real, personal, and mixed property wherever situate, including the goodwill of the business of this Company and all letters patent and interests in letters patent, trademarks, trade names, brands, processes, copyrights, and formulae of this Company, for the sum of \$6,750,000 plus the aggregate amount of the actual liabilities not including fund accounts of the California Powder Works, on the 24<sup>th</sup> day of

December, 1906 to be paid in cash upon the delivery of the possession of the property to be sold, and in and by the same resolution it was furthermore resolved that said resolution should not become effective or the sale consummated until said sale should be ratified and confirmed by the consent of stockholders of the Company holding of record at least two thirds of the issued capital stock of this Corporation; and

Whereas, the said resolution was thereafter duly ratified....

**(Board of Directors Meeting Page 129)**

..... and confirmed by the consent of stockholders of this Company holding of record more than two thirds of the issued capital stock of said Corporation, to wit: 29,764 shares out of a total of 30,000 shares of the issued stock of said Corporation, said 30,000 shares being the total capital stock thereof; and thereupon and thereafter all of the real, personal, and mixed property wherever situate belonging to this Company, including the goodwill of the business of this Company, and all letters patent and interests in letters patent, trademarks, trade names, brands, processes, copyrights and formulae of this Company, as provided by said resolution, were sold and the possession thereof delivered by this Corporation to said E. I. DuPont de Nemours Powder Company for the sum of \$6,750,000 in cash, which amount was duly received by this Company, and furthermore the said E. I. DuPont de Nemours Powder Company having paid to this Company in cash, the sum of \$71,132.94 which sum was the aggregate amount of the actual liabilities, not including fund accounts of this Company, on the 24<sup>th</sup> day of December, 1906, and exclusive of the actual liabilities of this company to the E. I. DuPont de Nemours Powder Company which liability consists of the promissory note of this Company, said DuPont Company, for the sum of \$350,000 and the said E. I. DuPont de Nemours Powder Company having surrendered to this company the said note for \$350,000 and acknowledged full payment thereof so that the actual amount paid to this company by the E. I. DuPont de Nemours Powder Company for all of the real, personal, and mixed property of this Company aggregates the sum of \$7,171,132.94 and

Whereas, pursuant to and in compliance with said resolution and in consideration of the receipt by this Company of said sums of \$6,750,000 and \$71,132.94 in cash, and said promissory note for \$350,000 making aggregate consideration of \$7,171,132.94 from said E. I. DuPont de Nemours Powder Company, the proper officers of this Company did heretofore duly grant, transfer, convey, assign and set over and delivered to said E. I. ..... personal and mixed property of this Company wherever situate, including the goodwill of the business of this Company and all letters patent and interests in letters patent, trademarks, trade names, brands, processes, copyrights and formulae of this Company.

Now therefore, be it

Resolved: that all of the said transactions steps and proceedings had taken by this Company through its Board of Directors, Officers, Agents, in connection with the foregoing sale and transfer of the property of this Company to or with said E. I. DuPont de Nemours Powder

Company, for the considerations mentioned, be and the same are hereby fully ratified, approved, and confirmed, and said sale is hereby ratified, approved and confirmed.

On motion of Director Webster, seconded by Director Bermingham the following resolution was adopted by the vote of all Directors present to wit: R. S. Penniman, Frank Turner, W. J. Webster, John Bermingham Junior and H. D. Pillsbury.

Whereas this Company pursuant to a resolution of its Board of Directors unanimously adopted at a special meeting of said Board duly held on the 30<sup>th</sup> day of November, 1906, and with the consent of stockholders of this Company holding of record more than two thirds of the issued capital stock of this Corporation, did duly grant, transfer, convey, assign, set over and delivered to E. I. DuPont de Nemours Powder Company all of the property of this Company, real, personal, and mixed and

Whereas all the transactions, steps and proceedings had and taken by this Company through its Board of Directors, officers and agents in connection with the sale and transfer of its property to said E. I. DuPont de Nemours Powder Company, for the consideration received have been fully ratified, approved and confirmed, and said sale has been ratified, approved and confirmed, and is now complete: and

Whereas in the opinion of this Board of Directors of this Corporation is desirable in order that its affairs may be finally wound up, and a distribution of its assets made to the stockholders thereof

Now therefore be it

Resolved that a special meeting of the stockholders of this Corporation be called to be held at the office of the Company in the Town of Hercules, Contra Costa County, California, at 11:00 AM on the 30<sup>th</sup> day of October 1907 for the purpose of voting upon the proposition to dissolve this Corporation and distribute its remaining assets to its stockholders and to apply to a court of competent jurisdiction for a decree of dissolution.

Resolved further that the Secretary of this Company be and is hereby instructed to give notice as aforesaid has been called by Board of Directors for the purpose of voting upon the proposition to dissolve this Corporation, distribute its remaining assets to the stockholders thereof and to apply to a court of competent jurisdiction for the a decree of Dissolution: said notice to be in writing stating the time and place and object of the meeting as above recited and to be delivered to the stockholders personally or enclosed in an envelope and posted to each stockholder at his place of residence or business, if known to the Secretary and if not known, then addressed to him at San Francisco California and dropped in a United States Post Office box with the postage thereon prepaid such service of notice to be so made at least 10 days before the time for said meeting.

The Chairman thereupon announced that out of a total of 30,000 shares of capital stock of this Corporation, issued and, 29,936 shares being more than two thirds of all its capital stock was represented at the meeting either in person or by proxy, and that the 24 shares standing in the name of Galena W. Newhall, was present by the Council of the stockholder, and that the meeting was ready to proceed with its business.

The Secretary reported that he had given notice of the meeting to each stockholder by mailing to each stockholder on the 18<sup>th</sup> day of October, 1907 at Pinole, California, a notice in writing stating the time, place and object of the meeting which notice was enclosed in an envelope addressed to each stockholder at his place of business, the place of business of each stockholder being known to the Secretary, and that the postage on each envelope was prepaid; and the Secretary offered and affidavit made by him setting forth these facts, which affidavit was placed on file. Thereupon the President declared that due notice of this mailing had been given, and that the meeting was duly assembled, and ready for business.

A resolution was thereupon introduced by stockholder H. D. Pillsbury, seconded by stockholder Turner, and the same is hereby recited. At this point in the proceedings Paul A. McCarthy, duly authorized proxy of stockholder J. A. Folger, presented and read the following objection thereto, and requested that it be spread upon the minutes viz.:

Protest of Stockholder J. A. Folger against proposed passage of resolution to dissolve the California Powder Works, and to distribute its remaining assets to its stockholders, and to apply to a court of competent jurisdiction for a decree of dissolution.

Stockholder J. A. Folger does hereby in writing object to the passing of any resolution at this meeting of the stockholders of....

**(Board of Directors Meeting Page 136)**

California Powder Works, either to dissolve the Corporation or distribute its assets among its stockholders and to apply to a Court of competent jurisdiction for a decree of dissolution. He does object to the passage of a joint resolution endorsing the doing of said things and does object to the passage of any separate resolution or resolutions by reason of which the stockholders shall vote either to dissolve the Corporation, or to distribute any assets among the stockholders, or to apply to any Court of Competent jurisdiction for a decree of dissolution.

This objection is made and based among other grounds upon the ground that the said California Powder Works is not free of debt but that it is indebted to diverse and sundry people; and that there are many existing claims and demands against the Corporation. That stockholder J. A. Folger has a claim and demand against said Corporation which claim and demand is not been satisfied or discharged.

That said J. A. Folger is now and continuously for a long time heretofore to wit: more than two years, has been a stockholder of said California Powder Works owning in good faith, in his own name on the books of said Corporation, 82 shares of the fully paid capital stock of said Corporation.

That heretofore, and while said J. A. Folger was a stockholder of and in said Corporation, as aforesaid, the Board of Directors of said California Powder Works did resolved to sell to E. I. DuPont de Nemours Powder Company, a Corporation, organized and existing under the laws of the State of New Jersey, all of the property of every kind and nature of said California Powder Works for, among other considerations the assumption by said E. I. DuPont de Nemours Powder Company all of the debts of said Corporation, California Powder Works aforesaid.

That thereafter a resolution was passed by the vote of the owners of more than two thirds of the capital stock of said California Powder Works a Corporation, ratifying said sale or attempted sale. That at said meeting.....

**(Board of Directors Meeting Page 137)**

..... of said stockholders, the said J. A. Folger, protested against such proposed action, which protest was in writing and was read in full at the said meeting of said stockholders and spread upon the minutes of said Corporation, and which protest as spread upon the minutes is hereby referred to and made a part of the protest and objection.

That as said J. A. Folger is informed and believes and therefore alleges that said California Powder Works, a Corporation, has attempted to carry out the said sale and has made a written conveyance of all its properties of any kind to said E. I. DuPont de Nemours Powder Company, but said J. A. Folger alleges the fact to be that said attempted sale and the said conveyance of all of said property to said last named Corporation are null, void and of no effect, and that the consideration paid to or received by the California Powder Works, a Corporation, for and on account of said sale will, because of the fact that said sale is null, void and of no effect, be owing to and must be returned to the said Corporation E. I. DuPont de Nemours Powder Company, a Corporation, that the assumption by said E. I. DuPont de Nemours Powder Company of all of the debts of said California Powder Works, a Corporation, is null, void and of no effect. That in the event that said E. I. DuPont de Nemours Powder Company has at the

time of the offering of said application for disillusion, paid all of the debts owing by said California Powder Works, a Corporation, that then and in such event there will be, and is due, owing and unpaid to said E. I. DuPont de Nemours Powder Company a Corporation, all of said sums of money so paid out by it.

In the event that said E. I. DuPont de Nemours Powder Company, a Corporation, has not paid all of the debts of the California Powder Works, a Corporation, but has assumed and agreed to pay the same, that then and in such event said California Powder Works, a Corporation, is not released from the obligation to pay said debts, and further that said assumption of said debts and said agreement to pay the same is now, void and of no effect, for the reason that the said assumption of said debts,

**(Board of Directors Meeting Page 138)**

..... and said agreement to pay the same, is a part of the consideration of said attempted sale, and that said attempted sale is null, void and of no effect, and that said consideration will fail, and that the said assumption of said debts being based upon said void sale, is without consideration, and is of itself null and void and of no effect.

That therefore the said J. A. Folger has commenced an action in the Superior Court of the County of Alameda, against said California Powder Works, a Corporation, and against all of the Directors thereof and against all of the stockholders who attempted to procure said sale of all of said properties of said California Powder Works, a Corporation, as aforesaid and against said E. I. DuPont de Nemours Powder Company, a Corporation, to obtain a judgment setting aside and declaring null, void and of no effect the said pretended sale and transfer of the said properties and the declaring null, void and of no effect, the said resolution of said Board of Directors of said California Powder Works, a Corporation, and declaring null, void and of no effect the said resolution of said stockholders, of said California Powder Works a Corporation, and directing that said E. I. DuPont de Nemours Powder Company a Corporation, to reconvey and surrender possession of all paid properties to said California Powder Works, a Corporation, and directing the said Directors of said California Powder Works, a Corporation, to resume possession of all of its properties, and to operate its business for the benefit of its stockholders, and further return of all considerations received by the California Powder Works, a Corporation upon said pretended sale unto said E. I. DuPont de Nemours Powder Company, a Corporation, and for other and further relief. The said action is numbered 24703 on the register of Actions of the Superior Court of the County of Alameda, and a copy of the complaint therein together with summonses issued out of said court in said action has now therefore duly and regularly served upon the said California Powder Works and said California Powder Works has duly regularly appeared in said action and has answered the complaint on file in said action and said action is now at issue and is ready.....

**(Board of Directors Meeting Page 139)**

..... for trial and has been set for trial on the 18<sup>th</sup> day of November 1907.

Said J. A. Folger alleges the fact to be that in said action so commenced by him as aforesaid, a decree will be obtained wherein and whereas said pretended sale will be set aside and wherein and whereby it will be adjudged and decreed that the California Powder Works a Corporation, is indebted to the said E. I. DuPont de Nemours Powder Company, in such sums of money as said E. I. DuPont de Nemours Powder Company have expended in the payment of the debts and obligations of said California Powder Works a Corporation, and for \$6,750,000, the purchase price aforesaid properties and that by said judgment said California Powder Works, a Corporation, will be adjudged and decreed indebted in a large sum of money to various persons and corporations and further alleges that said California Powder Works, a Corporation, is now indebted for all costs incurred by said plaintiff in the commencement of said action, and will further become indebted to the said plaintiff in said action for all further costs which may be incurred or sustained by him therein.

Said J. A. Folger further alleges that when the pretended sale to said E. I. DuPont de Nemours Powder Company has been set aside that it will be and become necessary to take an accounting between the said E. I. DuPont de Nemours Powder Company and said California Powder Works of all business transacted by said E. I. DuPont de Nemours Powder Company arising out of or connected with said pretended sale to it and of its use and occupation of the plant and property of this Corporation. That it is not possible to divide the assets of said California Powder Works among its stockholders as said assets of said California Powder Works are not capable of division.

Dated October 29, 1907

J. A. Folger, a stockholder of California Powder Works, a Corporation  
Stratton and Kaufman, Attorneys for said Stockholder.

**(Board of Directors Meeting Page 140)**

The resolution so as aforesaid offered by stockholder H. D. Pillsbury and seconded by stockholder Turner was as follows viz.:

Whereas, at a special meeting of the Board of Directors of this Company regularly held at the Companies office in the Town of Hercules on November 30, 1906, a resolution was duly adopted by said Board to the effect that this Company sell to the E. I. DuPont de Nemours Powder Company, a Corporation, all of this Company's real, several and mixed property wherever situate, including the goodwill of the business of this Company and all letters patent and interests in letters patent, trademarks, trade names, brands, processes, copyrights and formulae of this Company, for the sum of \$6,750,000 plus the aggregate amount of the actual liabilities, not including fund accounts of the California Powder Works, on the 24<sup>th</sup> day of December, 1906 to be paid in cash upon delivery of the possessions of the property to be sold, and in and by the same resolution it is furthermore resolved that said resolution should not become effective or the sale consummated until said sale should be ratified and confirmed by the consent of stockholders of this Company holding of record at least two thirds of the issued capital stock of this Corporation and,

Whereas, the said resolution was therefore duly ratified and confirmed by the consent of stockholders of this Company holding of record more than two thirds of the issued capital stock of said Corporation, to wit: 29,764 shares out of a total of 30,000 shares of the issued stock of

said Corporation, said 30,000 shares being the total capital stock thereof; and thereupon and thereafter all of the real, personal and mixed property wherever situate, belonging to this Company including the goodwill of the business of the Company, and all letters patent and interests in letters patent, trademarks, trade names, brands, processes, copyrights and formulae of this Company as provided by said resolution, were sold and the possession thereof delivered by this Corporation to said E. I. DuPont de Nemours Powder Company for the sum of \$6,750,000 in cash, which amount was duly received by this.....

**(Board of Directors Meeting Page 141)**

....Company. E. I. DuPont de Nemours Powder Company and furthermore the said E. I. DuPont de Nemours Powder Company having paid to this Company in cash, the sum of \$71,132.94 which sum was the aggregate amount of the actual liabilities not including fund accounts of this Company in the 24<sup>th</sup> day of December 1906 and inclusive of the actual liabilities of this Company to the E. I. DuPont de Nemours Powder Company which liabilities consisted of the promissory note of this Company to said DuPont Powder Company for the sum of \$350,000 and the said E. I. DuPont Powder Company having surrendered to this Company the paid note for \$350,000 and acknowledged full payment thereof, so that the actual amount paid to this Company by the E. I. DuPont de Nemours Powder Company for all the real, personal and mixed property of this Company aggregates the sum of \$7,171,132.94 and

Whereas payment to and in compliance with said resolution, and in consideration of the receipt by this Company of said sums of \$6,750,000 and \$71,132.94 in cash and said promissory note for \$300,000 making an eye aggregate consideration of \$7,171,132.94 from said E. I. DuPont de Nemours Powder Company the proper officials of this Company did heretofore duly grant, transfer, convey, assign and set over and deliver to said E. I. DuPont de Nemours Company all of the real, personal and mixed property of this Company wherever situate, including the goodwill of the business of this Company and all letters patent and interests in letters patent, trademarks, trade names, brands, processes, copyrights and all formulae of this Company.

Now therefore be it

Resolved that all of said transactions, steps and proceedings had and taken by this Company through its Board of Directors, Officers or Agents in connection with the following sales or transfers of the property of this Company to or with said E. I. DuPont de Nemours Powder Company for the consideration mentioned, be and the same are hereby ratified, approved and confirmed, and this said sale is hereby ratified,

**(Board of Directors Meeting Page 142)**

.... approved and confirmed.

The Secretary then called the role for a vote on this resolution and the said resolution was adopted by a vote of 29,854 shares in its favor and 82 shares against the same; the stock of Mrs. Elaine M. Newhall, represented by counsel not being voted. The Chairman then announced that the resolution had been passed and adopted by and according to said vote of

29,854 shares, the same being more than two thirds of all capital stock of the Company viz., 29,854 shares out of its total stock of 30,000 shares.

The following resolution was introduced by stockholder Webster and seconded by stockholder Turner viz.:

Whereas, this Company, pursuant to a resolution of this Board of Directors, unanimously adopted at a special meeting of said Board duly held on the 30<sup>th</sup> day of November, 1906 and with the consent of stockholders of this Company holding of record more than two thirds of the issued capital stock of this Corporation, did duly grant, transfer, convey, assign, set over and delivered to E. I. DuPont de Nemours Powder Company all of the property of this Company real, personal and mixed and

Whereas, all of the transactions, steps and proceedings had and taken by this Company, through its Board of Directors, Officers and Agents in connection with the sale and transfer of its property to said E. I. DuPont de Nemours Powder Company for the consideration received have been fully ratified, approved, and confirmed and said sale has been ratified, approved, and confirmed and is now complete; and,

Whereas this company is no longer engaged in any of the purposes for which it was organized or in any business at all and has no outstanding debts or liabilities, claims, or demands, and

Whereas at a regular meeting of the Board of Directors of this Corporation duly held at its office and principal place of business on October 16, 1907, it was declared that a dissolution of said Corporation.....

**(Board of Directors Meeting Page 143)**

..... is desirable, and a special meeting of the stockholders thereof, for the purpose of voting upon the proposition to dissolve said Corporation and distribute its remaining assets to its stockholders, was then and there called by said Board to take place on this day; and

Whereas do notice of said special meeting has been given the stockholders of this Corporation as provided by the By-Laws thereof and directed by said Board, and this meeting is now regularly convened pursuant thereto and for the purpose aforesaid.

Therefore, Resolved, that in the opinion of the stockholders of the California Powder Works, at this meeting called for the purpose of deciding the dissolution of said Corporation is desirable in order that its affairs may be finally wound up and a distribution of its assets made to the stockholders and the Corporation dissolved by the decree of court of competent jurisdiction and a dissolution of said Corporation is hereby resolved upon, authorized and approved, and the Board of Directors is authorized and requested to take and prosecute all necessary steps to ensure the final dissolution of said Corporation in the manner approved by law.

Before this resolution was voted upon, J. A. Folger by his duly authorized proxy Paul A. McCarthy announced that he entered the same objections to this resolution as to the resolution already adopted at the meeting and therefore recited at length.

The Secretary then called the role of the stockholders of California Powder Works for a vote on said resolution, and the result was as follows namely:

Fore said resolution 29,854 shares to wit:

1. E. I. DuPont de Nemours Powder Company  
by Frank Turner its duly authorized proxy
