Author Correction: Synchronized Biventricular Heart Pacing in a Closed-chest Porcine Model based on Wirelessly Powered Leadless Pacemakers

Hongming Lyu , Mathews John, David Burkland, Brian Greet, Allison Post, Aydin Babakhani & Mehdi Razavi

Correction to: *Scientific Reports* <https://doi.org/10.1038/s41598-020-59017-z>, published online 07 February 2020

This Article contains a typographical error in the Results section, under subheading ‘Pacemaker design’ where,

“Adding a C_{tune} of 82 μF in parallel with Rx coil tunes the SRF to be at around 13.56 MHz ISM band.”

should read:

“Adding a C_{tune} of 82 pF in parallel with Rx coil tunes the SRF to be at around 13.56 MHz ISM band.”

Additionally, the Acknowledgements section in this Article is incomplete.

“We thank Dr. B. Aazhang and Dr. J. Cavallaro for helpful discussions.”

should read:

“The animal research was supported by the Sultan Qaboos Chair in Cardiology at the St. Luke’s Foundation and the device development was supported by UCLA internal funding. We also thank Dr. B. Aazhang and Dr. J. Cavallaro for helpful discussions.”
