Erratum to: Brief Report: Use of the Infant-Toddler Checklist in Infant Siblings of Children with Autism Spectrum Disorder

Chandni Parikh, Ana-Maria Iosif, and Sally Ozonoff

Please note the following corrections to this article:

1. In the Results section (paragraph 2): "The psychometric values were moderate, with strongest indices at 24 months: SE = 78% (95% CI 64–91%), SP = 83% (95% CI 78–89%), PPV = 52% (95% CI 40–65%), and NPV = 94% (95% CI 90–98%)."
  - a. Instead should say, "SE = 77% (95% CI 64–90%), SP = 85% (95% CI 80–91%), PPV = 55% (95% CI 42–68%), and NPV = 94% (95% CI 90–98%)".
2. In the Discussion section (paragraph 2), "Longitudinally, SE ranged from 52 to 63% and SP from 42 to 83% in our study."
  - a. Instead should say, "Longitudinally, SE ranged from 51 to 62% and SP from 42 to 85% in our study".
