Retraction notice

At the request of the authors, the following article has been retracted.

R Geiger, DM Smith, SJ Little, SR Mehta. Investigation of the GeneXpert® CT/NG assay for use with male pharyngeal and rectal swabs. Published online before print August 10, 2016, doi: 10.1177/0956462416665059.

The authors submitted this article for publication in the *International Journal of STD & AIDS* on 16 April 2016. After going through peer review, the article was accepted for publication on 27 July 2016 and published online on 10 August 2016 with DOI: 10.1177/0956462416665059.

It has come to the attention of the Editor of the *International Journal of STD & AIDS* and SAGE

Publishing that the article above was previously published (under a slightly different title) in the *Austin Journal of HIV/AIDS Research*, to which the authors previously submitted the article and then subsequently believed they had withdrawn it.

R Geiger, DM Smith, SJ Little, SR Mehta. Validation of the GeneXpert® CT/NG Assay for use with Male Pharyngeal and Rectal Swabs. *Austin J HIV/AIDS Res.* 2016; 3(1): 1021.

In line with COPE guidance, *International Journal of STD & AIDS* and SAGE Publishing have agreed to retract the article at the request of the authors for reasons of redundant publication.
