tenor saxophone
contrabass
2 percussion

Stephen Ryan Jackson

rinse & repeat

(2019)

instrumentation:

tenor saxophone
contrabass
2 percussion

duration:

6:30 - 7:00 minutes

program notes:

After following instructions or procedures slavishly without critical thought, rinse & repeat is about starting anew and breaking routine.

performance notes:

time stamp: (mvt. i): an approximate timing is given above each system of the score. This does not need to be strictly followed but performers can use stop watches if so desired.

aleatoric notation (mvt. i): any figure followed by a thick black duration line should be repeated asynchronously until the end of the duration line.

composite rhythm (mvt. ii): a composite rhythm for the entire ensemble is given as a cue staff below the score and each part.

techniques & notations:

(tenor saxophone)

air sound: forcefully blow into the instrument, without producing tone. Should produce a sound like rushing air. ☐

key click: loudly press keys to produce a clicking sound. (without tone) ✕

any pitch: any pitch that results. ♦

multiphonic: multiphonics are used more as distortion effects, then with the goal of specific pitches.
in mvt. i the multiphonic (D fundamental) should be resonate, complex and sonorous.
in mvt. ii the multiphonic (B♭ fundamental) should be loud and honky.

double tongue: articulate alternating between "t" and "k" articulation as fast as possible. Should sound sloppy and uneven. T K

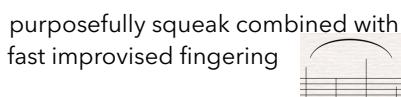

slap tongue: non-pitched slap tongue combined with air sound. +

r i n s e & r e p e a t

(2019)

techniques & notations: (contrabass)

bow tailpiece: bow tailpiece of instrument with semi-heavy pressure. Low sounds as well as squeaking result ↩

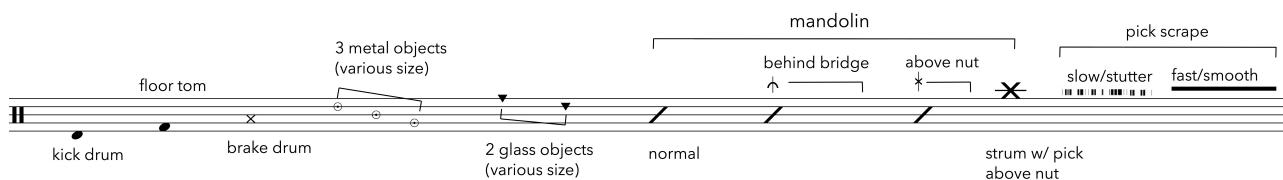

bow on bridge: bow directly on top of the bridge with semi-light pressure tremolo. ☐
Should produce an airy sound.

overpressure / scratch tone: bow with slow bow heavy pressure molto sul pont. Should produce a grating sound.

bow below the bridge: bow on the strings, between the bridge and tailpiece. ↑

techniques & notations: (percussion)

percussion key:

percussion list (shared):

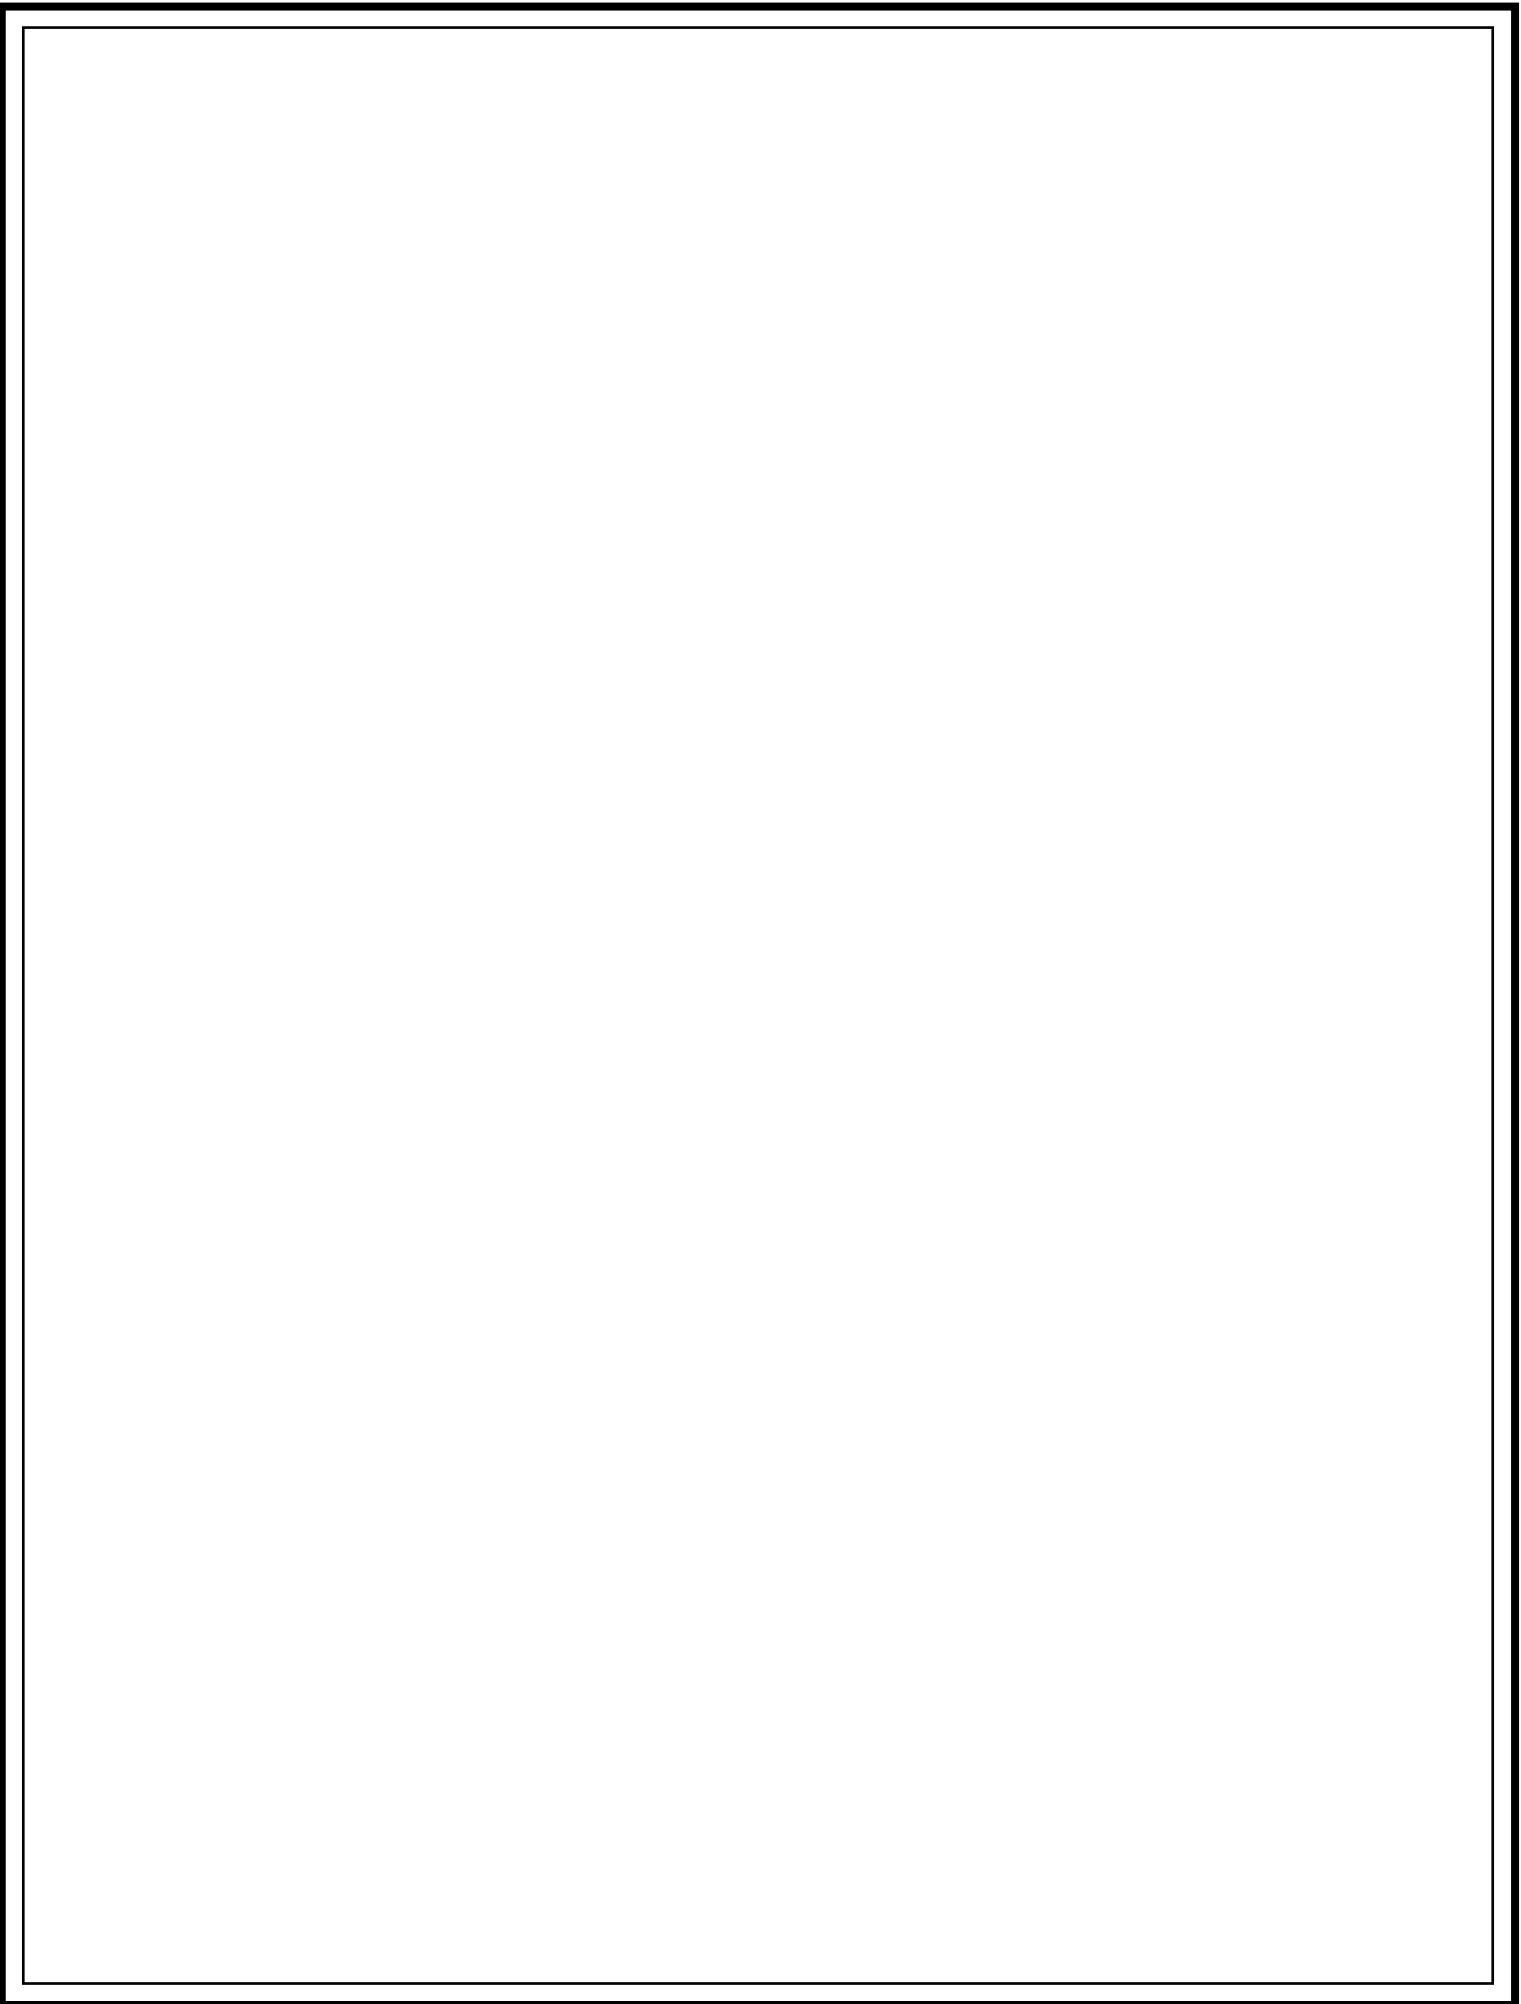

kick drum, floor tom, brake drum, 3 metal objects, 2 glass objects, prepared mandolin (guitar pick, chopstick, harmonica, glockkenspiel (A♭, G, D♭, C)
4 mechanical toothbrushes)

mandolin preparation:

preperation:

1. **ruler** placed between all strings (under G string, above D string, under A string, above E string)
placed about 1 - 2 inches from bridge.
2. **quarter** placed between D-E strings (under D, under A1-above A2, under E1-above E2)

Transposing Score

written for Erin Rogers and the musicians
of the 2019 New Music on the Point Festival
