## ACKNOWLEDGEMENTS

As Editor-in-Chief I would like to thank the many people who helped make this year's issue of the *Journal* possible. First and foremost I wish to thank Florence Saloutos for her generous financial support. I would also like to thank the members of the editorial board, whose hard work, patience, and humor made my job a pleasure instead of a burden. Special thanks go to Roger Bowerman, who volunteered time and energy beyond a Managing Editor's call of duty. The organizational support of the UCLA Department of History, especially its assistance in typing manuscripts onto disk, was invaluable. The following faculty members and graduate students shared their time and expertise to referee articles: Mehrdad Amanat, Joyce Appleby, Stephan Astourian, Vincent Cornell, Steve Harmon, Rand Johnson, Gary Nash, Hans Rogger, Patricia Seleski, Kitty Sklar, and Robert Wohl. The *Journal* staff wishes to acknowledge the continued support of the UCLA Graduate Students' Association, the Social Sciences Council, and the History Graduate Students' Association, who provide the bulk of our operating budget. Finally, personal and collective thanks go to Mrs. Florence Saloutos whose expanded financial support has not only made it possible to continue to offer the Theodore Saloutos Award but helped us to meet operating expenses that seem always to run ahead of our limited resources. We encourage donations to help guarantee the perpetuity of the Saloutos award and the continued publication of the *Journal*.

Congratulations are due to next year's Editor-in-Chief, Roger Bowerman, the new managing editor, David Lorey, and the rest of the staff for the 1986 edition.

Michael Gelb  
Editor-in-Chief
