Explications / Explanations

Chaque station a un micro lié à un haut-parleur et une lumière. La station 1 a une lumière verte, la station 2 une rouge et la station 3 une bleue. Le trio II est lié à un haut-parleur et une lumière blanche. Chaque lumière réagit à la vitesse captée par son microphone associé. Celui qui gère l'électronique n'est pas apparent du public. / *Each station has a microphone linked to a speaker and a light. Station 1 has a green light, station 2 a red one and station 3 a blue one. The trio II is linked to a speaker and a white light. Each light reacts to the velocity picked up by its associated microphone. Whoever manages the electronics is not apparent to the public.*

La partition de l'électronique n'est que descriptive à l'exception du premier signal au tout début qui est prescriptif. Ce signal déclenche les automatisations pour l'entièreté de la pièce. / *The electronic score is only descriptive with the exception of the first signal at the beginning which is prescriptive. This signal triggers the automations for the entire piece.*

Pour les deux premières minutes, les haut-parleurs ne font qu'amplifier légèrement le son capté par les microphones. À partir de la troisième minute, une distorsion s'ajoute. Elle est programmée pour s'ajouter graduellement jusqu'à atteindre 100% à la dixième minute. / *For the first two minutes, the speakers only slightly amplify the sound picked up by the microphones. From the third minute, a distortion is added. It is programmed to gradually add up to 100% in the tenth minute.*

Les déplacements entre les stations n'affectent que le trio I, jamais le trio II. / *Movements between stations affect only trio I, never trio II.*

L'annexe A est basée sur la pièce *Only* de Morton Feldman, l'annexe B sur *Tom's Diner* de Suzanne Vega, l'annexe C sur *Around the World* de ATC et les mesures 195 à la fin sur *Workers Union* de Louis Andriessen. / *Appendix A is based on Morton Feldman's Only, appendix B is based on Suzanne Vega's Tom's Diner and measures 195 to the end are based on Louis Andriessen's Worker's Union.*

Lorsque la percussion II à la caisse claire amorce la mesure 195, le trio II doit terminer sa mesure en cours et passer immédiatement à cette section. Il ne recommencera alors qu'à la mesure 212. / *When percussion II starts measure 195 on the snare, trio II must complete its current measure and proceed immediately to that section. It will only start again at measure 212.*

De la mesure 195 à la fin, lorsque les portées sont à une seule ligne, les notes sont au choix des interprètes. / *From measure 195 to the end, when the staves are in a single line, the notes are chosen by the performers.*

This musical score page covers measures 181 to 190. It features a large ensemble of instruments. The top section includes Clarinet (Cl.), Bassoon (Bsn.), and Percussion I (Perc. I), all with whole rests. Below them, Percussion II (Perc. II) consists of Gong (Glk.) and Vibraphone (Vib.), both with active melodic lines. The piano section (Hp.) has both staves with active accompaniment. The keyboard section (Clav.) also has both staves with active parts. The electric ensemble (Él.) is indicated by a brace and a double bar line, with no notation shown. The bottom section, starting at measure 184, includes Cl., Bsn., and Perc. I, all with whole rests. Perc. II (Glk. and Vib.) continues with active parts. The piano (Hp.) and keyboard (Clav.) sections remain active. The electric ensemble (Él.) is again indicated by a brace and a double bar line. Measure numbers 181, 184, and 190 are clearly marked at the beginning and end of the system.
