2 - The University and the Union recognize the moral principles involved in the area of civil rights, fair employment practices and affirmative action and have reaffirmed in their Collective Bargaining Agreement their commitment not to discriminate because of race, creed, color, sex, age, marital status, handicap, sexual orientation, political persuasion, or national origin.

AGREEMENT

3 - This Agreement entered into this First day of July 1999, between the Board of Trustees of Michigan State University (hereinafter referred to as the "Employer") and Michigan State University Skilled Trades Local Union No. 999, Council No. 25, American Federation of State, County, and Municipal Employees, AFL-CIO (hereinafter referred to as the "Union").

6 - To these ends the Employer and the Union encourage to the fullest degree friendly and cooperative relations between the respective representatives at all levels and among all employees.

7 - Accordingly, the officials representing the Employer and the Union will from time to time during the life of this Agreement, at the request of either and the mutual convenience of both, meet for the purpose of appraising the problems which have arisen in the application, administration and interpretation of this Agreement and which may be interfering with the attainment of their joint objective as set forth above. Such meetings shall not be for the purpose of conducting continuing collective bargaining negotiations, nor to in any way modify, add to, or detract from the provisions of this Agreement. This article is not a grievable item.

ARTICLE 6 - UNION SECURITY- REQUIREMENTS OF UNION MEMBERSHIP

14 - To the extent allowed by the laws of the State of Michigan, it is agreed that:

- a. Employees covered by this Agreement at the time it becomes effective and who are members of the Union at that time shall be required as a condition of continued employment to continue membership in the Union for the duration of this Agreement.
- b. Employees covered by this Agreement who are not members of the Union at the time it becomes effective shall be required as a condition of continued employment to become members of the Union for the duration of this Agreement on or before the tenth (10th) day after the thirtieth (30th) day following such effective date, or pay to the Union a sum equivalent to the initiation fee and membership dues as a charge for representation services.
- c. Employees hired, rehired, reinstated or transferred into the bargaining unit after the effective date of this Agreement and covered by this Agreement shall be required as a condition of continued employment to become members on or before the tenth (10th) day after the thirtieth (30th) day following the beginning of their employment in the unit or pay to the Union a sum equivalent to the initiation fee and membership dues as a charge for representation services.
- d. An employee who shall tender an initiation fee (if not already a member) and the periodic dues, or a sum equivalent to the initiation fee and periodic dues, uniformly required of all employees in the bargaining unit that are represented by the Union, shall be deemed to meet the conditions of this section.
- e. Employees of the bargaining unit that are represented by the Union shall be deemed to be in compliance with this Union Security Clause if they are not more than sixty (60) days in arrears in payment of membership dues, or the sum equivalent to membership dues as a charge for representation services.
- f. The Employer shall be notified in writing, by the Union, of any employees in the bargaining unit that are represented by the Union who are sixty (60) days in arrears in payment of membership dues, or the sum equivalent.
- g. The Union shall indemnify and save the Employer harmless from any and all claims, demands, suits, or any other action arising from this Article or from complying with any request for termination under this Article.

ARTICLE 7 - UNION DUES, INITIATION FEES AND SERVICE CHARGES

A. Payment by Checkoff

15 - The Employer will check off initiation fees and biweekly dues, or service charges, on the basis of individually signed voluntary checkoff authorization cards on forms that have been agreed to by the Employer and the Union. Employees shall tender the initiation fee uniformly required as a condition of acquiring membership in the Union and biweekly membership dues, or service charges, by signing the proper authorization for checkoff form. Employees who are members of the Union must remain members for the duration of the Agreement.

B. Employer Responsibility for Deductions

16 - The Employer shall have no responsibility for the collection of initiation fees and membership dues, or service charges, or any other assessments that are not in accordance with the Union Security Clause of the Agreement.

C. Delivery of Executed Authorizations for Checkoff

17 - A properly executed copy of the form authorizing checkoff by an employee for whom initiation fees and biweekly membership dues, or service charges, are to be deducted in accordance with the Union Security Clause of the Agreement shall be delivered to the Employer before any payroll deductions are made. Deductions shall be made thereafter only under a properly executed authorization for checkoff which is in effect. Any authorization for checkoff form which is incomplete or in error will be returned to the Union Secretary-Treasurer by the Employer.

D. When Deductions Begin

18 - Deductions under all properly executed authorizations for checkoff shall become effective at the time such authorizations are tendered to the Employer and shall be deducted from the first (1st) pay of the month and biweekly thereafter.

E. Refunds

19 - In cases where a deduction is made that duplicates a payment that an employee already has made to the Union, or where a deduction is not in conformity with the provisions of the Union Constitution or By-Laws, refunds to the employee will be made by the Union.

F. Remittance of Deductions to Secretary-Treasurer

20 - Deductions for any calendar month shall be remitted to the designated Secretary-Treasurer as soon as possible after the first pay of that month. The Employer shall furnish the designated financial officer, monthly, with a list of those for whom the Union has submitted signed forms authorizing checkoff, but for whom no deductions have been made. The Union will notify the Office of Employee Relations, in writing, regarding changes in designated Secretary-Treasurer and financial officer.

G. Termination of Checkoff

21 - An employee shall cease to be subject to checkoff deductions beginning with the month immediately following the month in which he/she signs a dues termination card at the Union office. The Union will be notified by the Employer of the names of such employees following the end of each month in which the termination took place.

H. Disputes Concerning Checkoff

22 - Any dispute between the Union and the Employer which may arise as to whether or not an employee properly executed or properly revoked an authorization for checkoff, shall be a proper subject for a special conference. Until the matter is disposed of, no further deductions shall be made.

I. Limit of Employer's Liability

23 - The Employer shall not be liable to the Union by reason of the requirements of this Agreement for the remittance or payment of any sum other than that constituting actual deductions made from wages earned by employees.

J. List of Members Paying Dues or Service Charges Directly

24 - The Union will furnish the Employer, within fifteen (15) days after the effective date of this Agreement, the names of all members paying dues or service charges directly to the Union. Thereafter, the Union will furnish the Employer a monthly list of any changes.

K. Disputes Concerning Membership

25 - Any dispute arising as to an employee's membership in the Union shall be reviewed by the designated representative of the Employer and a representative of the Union, and if not resolved, may be decided at Step III of the grievance procedure. However, the employee may be retained at work while the dispute is being resolved.

26 - The Union shall indemnify and save the Employer harmless from any liability resulting from any and all claims, demands, suits or any other action arising from

compliance with this Article, or in reliance on any list, notice, certification or authorization furnished under this Article.

ARTICLE 8 - REPRESENTATION DISTRICTS

27 - The number of representation districts in the unit shall be as shown in paragraph 28, unless the number is increased or decreased by agreement between the Employer and the Union. The Employer and the Union may redistrict the unit from time to time by mutual agreement.

28 - The representation districts and the number of Stewards in each district shall be as follows:

AREA	STEWARDS	ALTERNATE STEWARDS

ARTICLE 9 - STEWARDS AND ALTERNATE STEWARDS

29 - In each district, employees in the district shall be represented by one District Steward or during his/her absence, an Alternate Steward, who shall be a regular employee and working in the district. The District Steward or Alternate Steward shall be notified in advance and in writing of scheduled overtime periods. Any concerns over the

administration of this provision shall not be subject to the grievance and arbitration procedure. The parties shall use the Special Conference provision to resolve concerns relative to this provision. During scheduled overtime periods for more than one employee in a district, if the District Steward or Alternate Steward is not scheduled to work in accordance with the equalization of overtime provision ([Article 45](#)) the District Steward or Alternate Steward shall appoint an employee scheduled to work as Acting Steward for that particular overtime period.

30 - The District Stewards, during their working hours, without loss of time or pay shall, in their own district, in accordance with the terms of this section, investigate and present grievances to the Employer, upon having received permission from his/her Supervisor to do so. The Supervisor will normally grant permission and provide sufficient time to the District Stewards to leave their work for these purposes subject to necessary emergency exceptions. The privilege of District Stewards leaving their work during working hours without loss of time or pay is subject to the understanding the time will be devoted to the proper handling of grievances and will not be abused; and District Stewards will perform their regularly assigned work at all times, except when necessary to leave their work to handle grievances as provided herein. One (1) District Steward or one (1) Alternate Steward and one (1) executive board member will be excused with pay to attend one (1) regularly scheduled stewards or executive board meeting not to exceed two (2) hours per month. Any alleged abuse by either party will be a proper subject for a Special Conference.

31 - A Chief Steward, or in his/her absence a designated Alternate Chief Steward, may investigate and discuss grievances with District Supervisors and/or District Stewards. The Chief Steward, or in his/her absence a designated Alternate Chief Steward, may leave his/her work during working hours without loss of pay based on the understanding that his/her Supervisor has granted him/her permission to leave his/her work, that the time will be devoted to the prompt handling of legitimate grievances, and that he/she will perform his/her regularly assigned work at all times except when necessary to leave his/her work to handle grievances as provided herein. Any alleged abuse by either party will be a proper subject for a Special Conference.

32 - The Union will furnish the Office of Employee Relations with the names of its authorized representatives and members of its grievance committees, and such changes as may occur from time to time in such personnel, so that the Employer may at all times be advised as to the authority of the individual representatives of the Union with which it may be dealing. The Employer will, in return, keep the Union advised as to its representatives.

ARTICLE 10 - UNION BULLETIN BOARD

33 - The Employer will provide enclosed bulletin boards that may be locked in each district which may be used by the Union for posting notices of the following types:

- a. Notices of Union educational, recreational and social events.
- b. Notices of Union elections.
- c. Notices of results of Union elections.
- d. Notices of Union meetings.
- e. Notices of job openings.

34 - The Union shall have the exclusive right to the use of its assigned bulletin boards. In the event a dispute arises concerning the appropriateness of material posted on the Union Bulletin Boards, the President of the local Union will be advised by the Office of Employee Relations of the nature of the dispute and the notices or bulletins in question will be removed from the bulletin boards until the dispute is resolved.

ARTICLE 11 - SENIORITY DEFINED

35 - Seniority shall be on a bargaining unit-wide basis in accordance with the employee's last date of hire in Local 999 unless negotiated locally by occupational groups.

36 - "Length of continuous service" means uninterrupted employment with the University, but includes layoffs and other periods of absence authorized by and consistent with this Agreement except as limited by the section designated as "Loss of Seniority," [Article 14](#) of this Agreement.

ARTICLE 12 - SENIORITY

A. Probationary Employees

37 - New employees hired in the unit shall be considered as probationary employees for the first 1040 hours of work. When an employee finishes the probationary period, he/she shall be entered on the seniority list of the occupational group and shall rank for seniority from the date the probationary period began. There shall be no seniority among probationary employees.

38 - The Union shall represent probationary employees for the purposes of collective bargaining in respect to rates of pay, wages, hours of employment and other conditions of employment, except discharge or discipline for reasons other than Union activity.

B. Part-time Employees

39 - Employees regularly scheduled to work twenty (20) hours per week but less than twenty-six (26) hours per week shall be considered half-time (1/2) time employees; those regularly scheduled to work more than twenty-six (26) hours per week but less than thirty-six (36) hours per week shall be considered three-quarter (3/4) time employees; and those regularly scheduled to work thirty-six (36) hours per week to forty (40) hours per week shall be considered full-time employees.

40 - Benefits to part-time employees - The following benefits shall be extended to part-time employees on a proportional basis: vacation time, holidays, personal leave, sick leave, longevity, funeral leave, health, dental, employee paid life, accidental death and dismemberment, and retirement contribution if the employee participates. (See definition of proportional benefits.)

41 - Seniority - Part-time employees shall retain seniority on the same basis as full-time employees. This seniority shall be exercised during periods of layoffs, recall, and for filling of vacancies.

ARTICLE 13 - SENIORITY LISTS

42 - The seniority lists on the date of this Agreement will show the names of all employees of the unit entitled to a ranking for seniority. Service records in effect at the date of this agreement shall be used by the parties hereto as the records of continuous service as of such date.

43 - The Employer will keep the seniority lists up to date at all times, and whenever a Steward shall raise a question of seniority, shall make the seniority list available for his/her inspection for the purpose of settling the question. The Employer will, if requested by the Union, post corrected seniority lists every three (3) months.

44 - Within thirty (30) days after the ratification of this Agreement and every three (3) months thereafter during the term of this Agreement, the Employer shall give to the Union the names of all Union members covered by the Agreement together with their addresses as they then appear on the records of the Employer. The Union shall receive and retain such information in confidence and shall disclose it only to those officials of the Union whose Union duties require them to have such information.

ARTICLE 14 - LOSS OF SENIORITY

45 - An employee shall lose his/her status as an employee and his/her seniority if:

- a. He/She resigns or quits.
- b. He/She is discharged or terminated (unless reversed through the grievance or arbitration procedures).
- c. He/She retires.
- d. He/She does not return to work from layoff within fourteen calendar days after having been notified to return by restricted certified or registered mail addressed to the employee at his/her last address filed with the Office of Human Resource Services except when failure to notify and work is due to circumstances beyond the control of the employee. An employee who changes address must notify the Employer of the change.
- e. He/She has been on layoff for a period of time equal to his/her unit seniority at the time of his/her layoff or two (2) years, whichever is lesser.
- f. He/She is absent from work, including the failure to return to work at the expiration of a leave of absence, vacation, or disciplinary layoff, for three (3) consecutive working days without notifying the Employer, except when the failure to notify and work is due to circumstances beyond the control of the employee.

46 - A grievance involving compliance with this section shall begin at Step Three of the Grievance Procedure.

ARTICLE 15 - SENIORITY OF STEWARDS

47 - Notwithstanding their position on the seniority list, Stewards shall in the event of a layoff of any type be continued at work as long as there is work in their district which they can perform and shall be recalled to work in the event of a layoff to the first vacancy in their district which they can perform.

ARTICLE 16 - SENIORITY OF OFFICERS

48 - Notwithstanding their position on the seniority list, the President, Vice President, Financial Secretary, Recording Secretary and Chief Steward of the Union shall, in the event of a layoff only, be continued to work at all times when one or more districts or divisions or fractions thereof are at work, provided they can perform any of the work available.

ARTICLE 17 - SHIFT PREFERENCE

49 - Shift preference will be granted on the basis of seniority within the classification as openings occur. The transfer to the desired shift will be effected within two (2) weeks following the end of the current pay period within which a written request is made, provided the employee can do the work.

ARTICLE 18 - GRIEVANCE PROCEDURE

A. Time of Answers

50 - The Employer will answer in writing any grievance presented to it in writing by the Union as indicated below, unless the time is extended by mutual agreement:

- a. By the District Supervisor within five (5) working days from the date of the meeting at which the grievance was discussed.
- b. By the Administrative Head of a unit or division within seven (7) working days from the date of the meeting at which the grievance was discussed.
- c. By the Director of Employee Relations or his/her designated representative within seven (7) working days from the date of the meeting at which the grievance was discussed.
- d. The grievance must be presented in writing by the Chief Steward to the Administrative Head of a unit or division within fifteen (15) working days after its occurrence, except as provided for in Paragraph 67, in order to be a proper matter for the grievance procedure.

B. Time of Appeals

51 - Any grievance not appealed from an answer at Step II of the grievance procedure to Step III of the grievance procedure within seven (7) working days after such answer shall be considered settled on the basis of the last answer and not subject to further review.

52 - A grievance may be withdrawn without prejudice, and, if so withdrawn, all financial liabilities shall be cancelled. If the grievance is reinstated, the financial liability shall date only from the date of reinstatement. If the grievance is not reinstated within three (3) months from the date of withdrawal, the grievance shall not be reinstated. Where one or more grievances involve a similar issue, those grievances may be withdrawn without prejudice pending the disposition of the appeal of a representative case. In such event, the withdrawal without prejudice will not affect financial liability.

ARTICLE 19 - PRESENTING A GRIEVANCE

53 - Any employee having a grievance in connection with his/her employment shall present it to the Employer as follows:

A. Oral Step

54 - If an employee feels he/she has a grievance and wishes to enter it into the grievance procedure, he/she may discuss it with his/her Immediate Supervisor, or with his/her District Steward, who must then discuss it with the employee's immediate Supervisor before the grievance is referred to the District Supervisor. The Chief Steward may be present at any step or steps of the Grievance Procedure as well as an additional representative of the Employer, and if the Employer, requests that the aggrieved employee be present at any step or steps of the Grievance Procedure to participate in the discussion, he/she will be required to do so.

55 - If the matter is thereby not resolved, the District Steward may discuss the grievance with the District Supervisor on his/her shift. In the absence of a District Supervisor on his/her shift, the District Steward may refer the grievance to the appropriate day shift District Steward who may discuss the matter with the District Supervisor.

B. Step I

56 - If the grievance is not resolved, the District Steward may reduce the grievance to writing and submit it to the District Supervisor on his/her shift. The grievance shall be dated and signed by the aggrieved employee and his/her District Steward and shall set forth the facts, including dates, and provisions of the Agreement that are alleged to have been violated and the remedy desired. The grievance shall not be considered submitted until the District Supervisor receives the written grievance. A meeting will be arranged between the District Steward and the District supervisor to discuss the grievance. The District Supervisor will then answer the grievance in writing.

C. Step II

57 - If the grievance is not resolved, the District Steward may refer the grievance to the Chief Steward who may submit it to the Administrative Head, or his/her designated representative of the unit or division, indicating the reasons why the written answer of the District Supervisor was unsatisfactory. The grievance shall not be considered submitted until the Administrative Head, or his/her designated representative, receives the written grievance. A meeting will be scheduled, within ten (10) working days from the date on which the written grievance was submitted, between the Chief Steward, District Steward and the representatives designated by the Employer to discuss the

grievance. The Administrative Head, or his/her designated representative, will then answer the grievance in writing.

D. Step III

58 - If the Administrative Head's answer is not satisfactory, the grievance may be referred to the Union President who may submit his/her appeal to the Employer's designated representative indicating the reasons why the written answer of the Administrative Head was unsatisfactory. Within ten (10) working days after receipt of such appeal, a meeting between no more than three (3) representatives of the Union and three (3) representatives designated by the Employer will be scheduled to discuss the grievance.

59 - The Union representatives may meet at a place designated by the Employer on the Employer's property for at least one-half (1/2) hour immediately preceding a meeting with the representatives of the Employer for which a written request has been made.

60 - The Union President or his/her representative shall be allowed time off his/her job without loss of pay to investigate a grievance he/she is to discuss or has discussed with the Employer, upon having received permission from his/her Supervisor to do so. The Supervisor will normally grant permission and provide sufficient time to the Union President or his/her representative to leave his/her work for these purposes subject to necessary emergency exceptions. The privilege of the Union President or his/her representative leaving his/her work during working hours without loss of time or pay is subject to the understanding that the time will be devoted to the proper handling of grievances and will not be abused; and the Union President or his/her representative will perform his/her regularly assigned work at all times, except when necessary to leave his/her work to handle grievances as provided herein. The Union President or his/her representative shall schedule this time within the release time provided in [Article 35](#) unless additional time is authorized by the Office of Employee Relations. Any alleged abuse by either party will be a proper subject for a Special Conference.

E. Step IV

61 - In the event the Office of Employee Relations' answer is not satisfactory, settlement may be determined by decision of the Arbitrator selected by the parties. The Union President or the Employer shall within thirty (30) calendar days of the Step III answer notify the other party or his designated representative in writing that they wish to appeal the grievance to arbitration. In the event they cannot agree upon an Arbitrator within five (5) working days of the date of the appeal, the party appealing the grievance to arbitration shall within fifteen (15) working days thereafter file a Demand for Arbitration with the American Arbitration Association who shall select an Arbitrator and the

Arbitrator shall establish a hearing date. In the event either party fails to appeal the grievance to arbitration within the specified time limit or the appealing party fails to file the Demand for Arbitration within the specified time limit, the grievance shall be considered settled based upon the last answer by the Employer's designated representative. The fees and approved expenses of the Arbitrator will be paid by the parties equally. The rules of the American Arbitration Association shall apply to all Arbitration hearings.

62 - Grievances within the meaning of the grievance procedure and this arbitration clause shall consist only of disputes about the interpretation or alleged violations of the Agreement. The Arbitrator shall have no power to add to, or subtract from, or modify any of the terms of this Agreement, nor shall he/she substitute his/her discretion for that of the Employer or the Union where such discretion has been retained by the Employer or the Union, nor shall he/she exercise any responsibility or function of the Employer or the Union.

63 - Finality of Decisions: There shall be no appeal from the Arbitrator's decision. Each such decision shall be final, and binding upon the Union and its members, the employee or employees involved, and the Employer. The Union will discourage any attempt of its members and will not encourage or cooperate with any of its members in any appeal to any Court or Labor Board from a decision of the Arbitrator.

ARTICLE 20 - COMPUTATION OF BACK WAGES

64 - No claim for back wages shall exceed the amount of wages the employee would otherwise have earned at his/her regular rate of pay.

ARTICLE 21 - REPRIMAND, SUSPENSION OR DISCHARGE

65 - In the event of written reprimand, suspension or discharge the employee may request that the Steward of the District and/or the Chief Steward be present. The Employer will make available an area where the employee may discuss a suspension or discharge before he/she is required to leave the property of the Employer.

A. Notice

66 - The Employer agrees, upon the written reprimand, suspension or discharge of any employee, to notify promptly in writing the Steward in the district and a copy shall be mailed to the Union President. In the event that an employee is issued a verbal warning, there will be no "Notice of Non-Academic Disciplinary Action - Written Record of Verbal Warning" prepared.

B. Appeal

67 - Should the reprimanded, suspended, or discharged employee and the Steward consider the discipline to be excessive and without just cause, a grievance shall be submitted within five (5) regularly scheduled work days of the reprimand, suspension or discharge. A grievance over a reprimand shall be submitted by the Chief Steward to the Administrative Head (Step II), whereas a grievance over a suspension or discharge shall be submitted by the Union President to the Office of Employee Relations (Step III). The Office of Employee Relations will schedule a meeting with the Union within three (3) regularly scheduled working days from the receipt of the appeal and shall, within two (2) regularly scheduled working days after said meeting, provide the Union with a written answer to the appeal. Failure to submit a written grievance within the time limits shall constitute a waiver of all claims concerning such reprimand, suspension, or discharge.

C. Use of Past Record

68 - In imposing any discipline on a current charge, the Employer will not take into account any prior infractions of which the Employer had knowledge, that occurred more than two (2) years previously.

ARTICLE 22 - MEDICAL DISPUTE

69 - In the event of a dispute involving any employee's physical ability to perform his/her job on his/her return to work at the University from a layoff or leave of absence of any kind, when the employee is not satisfied with the determination of the University's physician, he/she may submit a report from a medical doctor of his/her own choosing and at his/her own expense. If the dispute still exists, at the request of the Union, within 2 working days, the University's physician and the employee's physician shall agree upon a third medical doctor to submit a report to the Employer and the employee, and the decision of such third party will be binding on both parties. The expense of the report of the third party shall be shared equally by the Employer and the employee. The prevailing determination will be effective at a date mutually agreed to by the Union and the University.

ARTICLE 23 - TEMPORARY LAYOFFS

70 - Due to vacation periods and conditions beyond the Employer's control, adjustments of the work force can be made without application of the layoff procedure of this Agreement. If such temporary adjustment continues for more than ten (10) working days, the Union can request the Employer to adjust the working force according to the layoff provision of the Agreement and the Employer will do so within five (5) working days thereafter.

ARTICLE 24 - LAYOFFS

71 - When there is a decrease in the work force, the following procedure shall be followed: temporary and probationary employees will be laid off within the affected classification, provided the seniority employees can do the available work.

72 - Seniority employees will be laid off according to unit seniority, within the affected classification, provided the greater seniority employees are able to perform the available work. However, the Employer shall not be required to promote an employee at time of layoffs, unless he/she has previously performed the higher-rated job and is able to do the work.

73 - A seniority employee laid off as provided for in Paragraph 72 may then bump a less senior employee in another classification in the same pay grade, within the same occupational group, provided he/she has the ability to perform the available work and so on to classifications in lower pay grades, providing he/she has the ability to perform the available work.

a. Where there is a dispute over ability to do the work the employee shall, prior to the layoff date and with documentation of prior education and/or experience applicable to the position and satisfactory to the Employer, be given one trial period of up to 10 working days in which to demonstrate competency to fill that position.

b. The phrase "satisfactory to the Employer" shall mean the Employer may make an initial determination as to an employee's prior education and/or experience being applicable to the available position. If a dispute exists over the Employer's initial determination, the factual applicability of prior education and/or experience to the position shall be determined through the grievance procedure.

c. A seniority employee who is given notice of layoff and after exhausting all available bump options within her/his occupational group without success, will be eligible to exercise the following option. The employee may bump the Trades Helper with the least seniority in another occupational group if she/he can perform the duties performed by the employee subject to the bump. If the Employer determines that the employee cannot satisfactorily perform the duties of a Trades Helper I, that determination will be grievable under [Article 19](#) of the Agreement. If the position to be bumped is that of a Trades Helper II and the employee is determined not to be able to perform the duties, a grievance may be filed and processed through the first three steps of the grievance procedure. However, the grievance shall not be appealable to step IV of the grievance procedure, which is arbitration.

74 - Employees to be laid off for an indefinite period of time will have at least fourteen (14) calendar days notice of layoff. The local Union Secretary and the District Steward will receive a list from the Employer of the employees being laid off on the same date the notices are issued to the employees.

75 - Unless otherwise specifically provided for by this Agreement, seniority shall accumulate during layoffs. Provided however, that during a layoff, an employee will not accrue vacation or sick leave nor be eligible for any payments for time off work provided by this Agreement, except as otherwise provided for by this Agreement.

76 - In the event of a dispute over a senior employee's ability to do the work as described in paragraphs 71, 72, and 73, the Union may file a grievance at Step 2 of the grievance procedure.

ARTICLE 25 - ASSIGNMENT OF SKILLED TRADES EMPLOYEES

77 - Employees covered by this Agreement may be assigned to other tasks during certain times without an increase or decrease in their regular rate of pay because of lack of available work in their specific classification. Should the need for a temporary reassignment arise, it will be handled in the following manner.

- a. The Employer will ask for volunteers from the affected classification who would be willing to be reassigned on a temporary basis.
- b. Should there be an insufficient number of volunteers, the requisite number of employees will be reassigned based on the least senior employees within the classification who can perform the work to be assigned.
- c. If there is a dispute as to whether the least senior employee can perform the work, the Union may call for a special conference which must be held before the employee is reassigned.

78 - The Employer will make every effort to give reasonable notice to employees who are to be temporarily assigned.

79 - It is understood that the above provision does not guarantee twelve months employment each year to any employee but is merely a sincere effort on the part of the Employer to utilize the talents and services of regular full-time employees during normally slow periods.

ARTICLE 26 - RECALL PROCEDURE

80 - When the working force is increased after a layoff, employees will be recalled according to unit seniority in the classification provided the greater seniority employees are able to perform the available work. However, the Employer shall not be required to promote an employee at time of recall unless he/she has previously performed the higher-rated job and is able to do the work.

81 - Seniority of an employee who is reemployed from a seniority list in the same occupational group that he/she was laid off from shall have status restored as of the date he/she left the service of the Employer.

82 - Notice of recall shall be sent to the employee at his/her last known address by registered or certified mail. A copy of the notice of recall will be mailed to the Union President and another copy will be placed in the Union's mailbox at the Office of Employee Relations. If an employee fails to report for work within fourteen (14) calendar days from the date of mailing the notice of recall, it shall be considered a voluntary termination.

ARTICLE 27 - WORK OPPORTUNITY FOR LAID-OFF EMPLOYEES

83 - The Employer will, in employing new people in any occupational group, give work opportunity bargaining unit-wide to employees with seniority who are at the time laid off and are not expected to be returned to work in their classification, and who can perform the work of the vacant position.

84 - An employee with seniority who is laid off and given work in another occupational group will be given seniority in the new occupational group equivalent to that which he/she had accrued in the occupational group from which he/she was laid off.

85 - The laid off employee shall retain seniority rights in his/her former occupational group until his/her accrued seniority in his/her new occupational group equals the seniority he/she had in his/her former occupational group at which time all of his/her seniority in his/her former occupational group shall be cancelled. If the employee exercises his/her seniority rights and returns to his/her former occupational group prior to the cancellation of seniority, he/she shall do so with all accumulated seniority.

ARTICLE 28 - ABSENCES

86 - An employee is expected not to be absent from work for any reason other than personal illness without making prior arrangements before the start of the shift with the supervisor. Unless such prior arrangements are made, notice must be given to the supervisor immediately of the reason for being absent. If the absence is to continue beyond the first day, the supervisor must be notified on a daily basis, unless otherwise

arranged with and specifically approved by the supervisor. The employee is responsible to notify the supervisor in situations as described above. When notice is provided by someone other than the employee, the employee will be held accountable for the message and the receipt of the supervisor's response. Each employee will be given a telephone number in order to notify their supervisor if they are going to be absent. If a dispute arises as to whether the employee contacted the supervisor, in the first dispute, the employee will be given the benefit of the doubt.

Whenever one of the above holidays falls on Sunday, the following Monday shall be observed as the designated holiday, except for the day before or after Christmas and the day before or after New Year's which shall be considered separately each year.

89 - If an employee is absent on either his/her scheduled working day immediately preceding or his/her scheduled working day immediately following the holiday, he/she will not be paid for the holiday unless his/her absence is excused. However, if an employee is laid off for the period between the end of fall semester and the beginning of spring semester because of lack of work, he/she will receive the same holiday pay given to the rest of the employees.

90 - If an employee terminates his/her employment, he/she will not receive pay for holidays occurring after the last day worked even though the holidays may fall within the period of his/her projected terminal vacation leave (except when an employee retires).

100 - An approved leave of absence for military service will not be counted as a break in the employee's service record when determining his/her vacation allowance under the progressive vacation plan. All other leaves of absence will be considered a break in an employee's service record in determining vacation allowances.

101 - An employee may take his/her vacation at any time in the course of the year as long as it conforms with the requirements of his/her individual department and he/she has permission from his/her supervisor. A vacation should not be taken for less than one week at a time, but it is permissible for an employee to vary his/her schedule if it is approved by his/her Supervisor. An employee should consult with his/her Supervisor at an appropriate time each year concerning his/her vacation allowance and the time the employee wishes it to be scheduled. Supervisory approval should be sought a minimum of one (1) working day prior to the desired time off. In the event of illness in the immediate family, an employee may use accrued vacation time subject to other provisions of this article. Employee vacation time may be taken in one (1) hour increments.

102 - Employees who regularly work at least twenty (20) hours per week on a continuous basis will be entitled to vacation benefits proportionate to the time actually employed.

ARTICLE 39 - FILLING OF VACANCIES

150 - The Employer will fill vacancies on a seniority basis first within the occupational group with employees who possess the minimum qualifications for the classification under consideration. If there are no qualified bidders or no bidders from within the occupational group, the Employer will select the most senior applicant in the bargaining unit who possesses the minimum qualifications of the classification. An unsatisfactory MSU employment record may be a proper per cause for denial of consideration for a vacancy.

151 - Vacancies will be posted for a period of seven (7) calendar days in a conspicuous place in the employee's work areas. All postings will state the classification, rate of pay, starting time, shift, location, and minimum qualifications. A copy of the Position Vacancy Notice will be provided to the Union when it is available. Employees must apply for vacancies by submitting the Employee Request for Consideration for Support Staff Position Vacancy to the Office of Human Resource Services by the closing date specified on the Position Vacancy Notice.

152 - Postings shall remain posted for seven (7) calendar days before the vacancy is filled. The Employer will notify the Union, in writing, of the name of the employee selected to fill a vacancy, stating his/her seniority date and title of the classification. Temporary transfers may be used, if necessary, during the posting period.

153 - A vacancy may not be filled from a posting ninety (90) calendar days or more after the posting expiration date. The vacancy must be reposted if it is to be filled.

154 - If it should become necessary in filling a vacancy to bypass an employee's seniority, reasons for denial shall be given in writing to such employee with a copy to the Steward of the district.

155 - An employee who is promoted, transferred or demoted must satisfactorily complete a trial period of 520 hours of work. Prior to the expiration of this period, either the Employer or the employee may declare the trial period unsatisfactory, and the employee shall return to his/her former position at his/her former pay rate, classification, and shift. If the Employer determines an employee is unsatisfactory in the new position,

notice and reasons shall be submitted to the employee in writing by the Employer with a copy to the Union. The matter may then become a proper subject for the grievance procedure.

156 - During the trial period, employees will receive the regular rate of the job they are performing.

157 - An employee who bids on a vacancy that is posted under this section and is subsequently selected and placed in the vacancy shall remain assigned to it for three (3) months following the 520 hours of work trial period before becoming eligible to bid on another posted vacancy.

158 - If an employee is temporarily assigned to a job with a higher maximum rate, and he/she is capable of doing the job, he/she shall receive an increase of ten (10) cents per hour, or the starting rate, whichever is greater, but in no event shall he/she be paid more than the maximum rate of the job to which he/she is temporarily assigned. If the temporary assignment in a higher classification is for three (3) hours or more, the employee will receive the increase in pay for eight (8) hours. An employee who is assigned on a temporary basis to a job in a lower pay grade shall have his/her hourly pay rate maintained. This section shall not be used to circumvent the posting requirement as stated in this article.

159 - If an employee is temporarily assigned to work as a supervisor for eight (8) consecutive hours or more, he/she shall receive, in addition to his/her regular pay, one dollar (\$1.00) per hour differential compensation. Such differential compensation will not increase the hourly base rate.

160 - The procedures for filling vacancies may be bypassed for the following situations:

- a. Employees drawing Workers' Compensation benefits for any position at their former or lower compensation grade levels, the duties of which they are able to perform, provided that during their absence they did not become subject to layoff.
- b. Former seniority employees who have filed for unemployment compensation.

161 - The parties recognize the Employer's commitment to and program for Affirmative Action. To that end the parties agree to cooperate to the extent possible for the achievement of the Affirmative Action objective. When it is necessary to fill vacancies for Affirmative action purposes, such action must be proven under the provision of the Affirmative action plan of the Employer. The University and the Union will meet to

discuss any problems associated with the filling of vacancies for affirmative action purposes. Following discussion, the action may be permitted.

ARTICLE 40 - TRANSFERS

162 - Transfer of Employees: If an employee with seniority is transferred from one occupational group to another occupational group, he/she will be given seniority in the new occupational group equivalent to that which he/she had accrued in the occupational group from which he/she is transferred at which time all of his/her seniority in his/her former occupational group shall be cancelled.

163 - Effective July 1, 1975, an employee who is thereafter transferred to a position under the Employer, not included in Local 999, shall accumulate seniority for the first 180 days provided he/she returns to a Local 999 position during the said 180 day period. In the event the employee returns to a position in Local 999 after the initial 180 day period, his/her seniority shall have been frozen as of the date he/she transferred out of Local 999 and shall accumulate additional seniority beginning on the date he/she returns to a position in Local 999.

164 - Employees transferring under the above circumstances, TRANSFERS Paragraphs 162 and 163 shall retain all rights accrued for the purposes of any fringe benefits provided for in this Agreement.

165 - If and when operations or divisions or fractions thereof are transferred from one location to another for a period of more than seven (7) calendar days, employees affected will be given the opportunity to transfer on the basis of seniority, desire and classification. Location exchange will be considered in such cases.

166 - The Employer agrees that in any movement of work not covered above in TRANSFERS Paragraphs 162, 163, and 165, he/she will discuss the movements with the Union in order to provide for the protection of the seniority of the employees involved.

ARTICLE 41 - CLASSIFICATION AND WAGES

167 - Wages shall be paid in accordance with the Wage Schedule as set forth in Appendixes III, IV and V. All listed classifications and corresponding wage rates shall remain in effect for the term of the Agreement unless the job content of any classification is changed.

168 - The Employer retains the right to eliminate, change and establish classifications. In the event a new classification is established or an existing classification is changed,

the Employer shall place it in an existing pay grade in the Wage Schedule or in a new pay grade, on the basis of the relative value of the elements of the new or changed classification in comparison with the elements of existing classifications.

169 - The following procedure will be used whenever a new or changed classification is placed in the Wage Schedule, as provided in Paragraph 168 of this article.

- a. The Employer will provide the Union with a written copy of the new or changed classification which shall describe the job content sufficiently to identify the classification.
- b. Upon receipt of the Employer's classification description, a reasonable number of representatives of the Union may meet with representatives of the Employer to discuss the new or changed classification and the placement in the Wage Schedule.
- c. If there is a disagreement with the placement in the Wage Schedule, a grievance concerning compliance with Paragraph 168 of this article may be processed through the Grievance and Arbitration Procedure, provided it is submitted in writing at Step III of the Grievance Procedure within seven (7) working days after the Union is afforded the opportunity to discuss the matter with the Employer. If such a grievance is processed through Arbitration, the Arbitrator shall have no power or authority to revise the classification, but only to determine whether the proper placement has been made in the Wage Schedule in accordance with Paragraph 168 of this article.

ARTICLE 42 - WAGE RATE INCREASE PLAN

A. Wage Rate

170 - Effective July 1, 1999, the minimum and maximum of each grade level shall be adjusted as reflected in Appendix III. Each employee on the active payroll on that date shall have his/her base rate of pay increased by three (3) percent.

172 - Effective July 1, 2001, the minimum and maximum of each grade level shall be adjusted as reflected in Appendix V. Each employee on the active payroll on that date shall have his/her base rate of pay increased by one (1) percent.

A one (1) percent lump sum (not in the base), of the July 2, 2001 base wages (hourly rate times 2080 hours), payment shall be made to all regular employees on the payroll as of June 30, 2001 as a one-time payment. Payment shall be made during the month of July, 2001.

B. Movement Within Grade Levels

173 - Effective July 1, 1975, a review will be made of all employees, except Apprentices, represented by Local 999 whose wage rate is not at the maximum of their current grade level. If an employee meets the following qualifications:

- a. Has been in their present classification for two (2) years or more.
- b. Has at least a satisfactory rating on each of their last two (2) Employee Evaluation rating form, that employee will receive an increase to bring their wage rate to the maximum of their current grade level.

During the term of this Agreement, an employee whose wage rate is not at the maximum of their current grade level and who does not meet the qualifications as listed above, shall be:

- a. Reviewed on a semiannual basis and will be granted an increase based upon a satisfactory work record. Employees shall progress to the top of their current grade level at any time within a two (2) year period as provided above.
- b. Reviewed and upon meeting the qualifications as listed above, shall, effective the date of qualifications, receive an increase to bring their wage rate to the maximum of their current grade level.

A written record of the date and the outcome of the review will be made.

In no case will an increase exceed the maximum rate for the classification.

ARTICLE 43 - WORKING HOURS

A. Shift Differential

174 - Employees who work on the second or third shift shall receive, in addition to their regular pay fifty (50) cents per hour additional compensation. Such differential is to be added to the total wages and does not increase the hourly rate and will be paid for all hours worked on a shift.

B. Shift Hours

175 - The first shift is any shift that regularly starts on or after 5:00 a.m., but before 1:00 p.m. The second shift is any shift that regularly starts on or after 1:00 p.m. but before 9:00 p.m. The third shift is any shift that regularly starts on or after 9:00 p.m. but before 5:00 a.m.

C. Rest Periods

176 - Employees may take a rest period of not more than fifteen (15) minutes for each half day of work. Rest periods should be taken at a time and in a manner that does not interfere with the efficiency of the work unit. The rest period is intended to be a recess to be preceded and followed by an extended work period; thus, it may not be used to cover an employee's late arrival to work or early departure, nor may it be regarded as accumulative if not taken.

D. Wash-Up Time

177 - Employees will be given the necessary time prior to punching out, to wash up and change uniforms, if used.

E. Call-In Pay

178 - An employee reporting for emergency duty at the Employer's request for work which he/she had not been notified of in advance and which is outside of and not continuous with his/her regular work period, shall be guaranteed at least three (3) hours pay and three (3) hours work at the rate of time-and one-half. An employee who reports for such emergency duty in the physical plant division which is of a minimum five (5) hours duration and which is continuous with his/her scheduled start time, shall receive a one (1) hour paid break prior to beginning scheduled work. An employee who reports for scheduled work and no work is available will receive three (3) hours pay at his/her regular straight time rate. Paragraph 178, Call-in Pay shall apply when an employee is contacted away from the workplace for unscheduled emergency duty. An employee contacted away from the work place and who begins work within three (3) hours of a regular shift starting time shall receive the full three hours call-in pay at time-and-one-half.

When an employee has arrived at the workplace for a regularly scheduled shift and is then assigned to begin work early, Paragraph 178 does not apply. If the employee is assigned to begin work early also completes the regular schedule of work in accordance with Paragraph 179 or Paragraph 182a, then the employee will be paid for actual time worked before the start of the regular shift at time-and-one-half, or a one-half-hour minimum at time-and-one-half, whichever is greater.

F. Time-and One-Half

179 - Time-and-one-half the regular rate of pay will be paid for all time worked in excess of eight (8) hours in an employee's work day. Time-and-one-half the regular rate of pay will be paid for all hours worked in excess of forty (40) hours in an employee's work week.

180 - For the purpose of computing overtime pay all hours paid will be considered time worked.

181 - Overtime premium shall not be pyramided, compounded or paid twice for the same time worked.

ARTICLE 44 - TIME-AND-ONE-HALF IN SEVEN-DAY OPERATIONS AND IN OTHER SPECIFIC AREAS OF WORK

182 - The following provisions apply to seven-day operations and other specific areas of work within the work groups designated.

a. Time-and-one-half the regular straight time rate will be paid to employees assigned to seven-day operations who work over forty (40) hours in a work week. It is further agreed that the above provision applies to the Swing Shift Maintenance Shop Trouble Trucks within the Physical Plant.

b. Time-and-one-half the regular straight time rate will be paid to all employees classified in the bargaining unit in the Department of Intercollegiate Athletics who work over forty (40) hours in a work week.

ARTICLE 45 - EQUALIZATION OF OVERTIME HOURS

183 - Overtime hours shall be divided as equally as practicable among employees in the same classifications in their district. An up-to-date list showing overtime hours will be posted in a prominent place in each district before the 15th of each month. Within the Physical Plant, overtime hours shall be divided as equally as practicable among employees in the same system numbers.

184 - Whenever overtime is required, the person with the least number of overtime hours capable of performing the work reporting to that supervisor or, in the Physical Plant, within the same system number, will, except in necessary emergencies, be called first and so on down the list of those reporting to that supervisor or, in the Physical Plant within the same system number, in an attempt to equalize the overtime hours. The Union reserves the right to grieve what is an emergency. Employees reporting to other

supervisors, or, in the Physical Plant, in other system numbers, may be called if there is a shortage of qualified employees reporting to the supervisor or the system number requiring the overtime. In such cases, they would be called on the basis of least hours of overtime, provided they are capable of performing the work.

The Parties recognize in various units there are exceptions to the above procedure. Where currently exists, Project Teams groups, Service Routes and Subgroups, the following procedure will be followed:

Employees regularly assigned to a Team Project, Service Route or Subgroup will be given the first opportunity to work the overtime. If there is not a sufficient number of employees from the Project Team, Service Route or Subgroup to perform the overtime work, the Supervisor will then go to the employees within that system number or reporting to that Supervisor.

185 - For the purpose of this clause, an employee who did not choose to work will be charged the average number of overtime hours of the employees working during that overtime period (2 hour minimum). In the event of emergency call-in, only the person or persons actually contacted or report to perform the work will be charged the time. An employee who is unavailable will not be called for overtime work and will not be charged overtime hours.

186 - On July 1 each year, the amount of overtime hours credited to each employee will be reduced equal to the amount of overtime hours credited to the employee at the bottom of the overtime list and only the excess overtime hours for each employee shall be carried forward.

187 - Employees who have changed classifications will be charged with the highest number of overtime hours that exist in the new classifications on the day he/she was reclassified. Employees who, by reason of assignment change supervisors or, in the Physical Plant, system number, will carry their existing number of overtime hours with them to the new overtime list. New and transfer employees shall be given the same number of overtime hours as the employee with the highest number of hours on the overtime list, plus one hour.

188 - The University and AFSCME, Local 999, AFL-CIO mutually agree that there are peak periods and times of unanticipated demands in University Printing when the University must carry out its operations on an overtime basis. The peak periods in University Printing are 1) June 1 to July 1; 2) August 1 to September 15; 3) Four (4) weeks before the beginning of each semester. In those situations requiring overtime, the University shall use the following procedure:

A. The Employer will provide, whenever possible, forty-eight (48) hours notice of the overtime work.

B. The employee with the least number of overtime hours in the affected classification and work group will be offered the overtime first. If that employee declines, the overtime offer will be made to the employee with the next lowest number of overtime hours. If the overtime is declined by all qualified employees in the classification and work group, the least senior qualified employee will work the overtime.

C. The overtime work will not exceed five consecutive days for any employee.

For longevity payment purposes only, a year of continuous full-time service is defined as any longevity year in which the employee is actively employed for at least 39 calendar weeks (273 calendar days).

To qualify for initial eligibility, the employee must have been on active employment for at least 39 calendar weeks (273 calendar days) for six (6) consecutive years and an employee as of October 1 of that year to receive the longevity payment. (If the University should agree with any other bargaining unit to an opt-out lump-sum payment amount greater than \$600.00, the Union may re-open the Agreement for negotiations on that issue only.)

234 - Those employees not participating in TIAA-CREF or other retirement programs made available through the University will have their retirement figured solely on the improved UNCRP formula plus a 10% addition added to the base pension prior to actuarial reduction or the selection of a survivor option.
