Pacific Arts is the journal of the Pacific Arts Association, an international organization devoted to the study of the arts of Oceania (Aboriginal Australia and the Pacific Islands). The journal was established in 1990 and is currently issued as an annual volume in a new series that began in 2006. In 2020, the journal moved to eScholarship, the open access scholarly publishing program of the University of California/California Digital Library. For information on upcoming calls and submission guidelines, please email us or visit our website.
