Corrections to the original paper are the following:

Page 692, line 6, left column. “centered at  $\Gamma$  ( $-0.5 \text{ eV} < E < 0$ )” should be “centered at  $\Gamma$  ( $E < -1 \text{ eV}$ )”.

Page 692, line 2, right column. “ $E \approx -0.5 \text{ eV}$ ” should be “ $V \approx +0.6 \text{ V}$ ”.
