## Corrigendum

## Corrigendum to “Dose-finding study of a 90-day contraceptive vaginal ring releasing estradiol and segesterone acetate” [Contraception 102(3) (2020) 168–173]

This study by Chen et al contains an error in Table 1. In the Body Mass Index row, the data for participants <18.5 kg/m<sup>2</sup> are missing and the currently printed 3 lines should be shifted down to indi-

cate the data for 18.5–<25.0; 25.0–<30.0; and ≥30.0 kg/m<sup>2</sup>, respectively.

**Table 1**
