_Ufahamu_, UCLA’s multidisciplinary Africanist student journal, seeks contributions that challenge broadly accepted conceptualizations of African studies. Since 1970, Ufahamu has maintained its original vision of creating a forum for protest against the increasingly western-dominated and exclusionary African Studies establishment. The journal continues to publish the work of those marginalized by the academic press—Africans, people of African descent, students, and non-academics. Together with our readers and contributors, we reaffirm our commitment to create intellectual linkages and feature current critical views.
Ufahamu: A Journal of African Studies is published by graduate students at UCLA. Views expressed in Ufahamu are not necessarily those of the Editors, the African Studies Center, or the Regents of the University of California.
