## Correction: Carbon nanotube–vitrimer composite for facile and efficient photo-welding of epoxy

Yang Yang, Zhiqiang Pei, Xiqi Zhang, Lei Tao, Yen Wei\* and Yan Ji\*

Correction for 'Carbon nanotube–vitrimer composite for facile and efficient photo-welding of epoxy' by Yang Yang et al., *Chem. Sci.*, 2014, **5**, 3486–3492.

Throughout the original manuscript, incorrect values were given for the light intensity for the IR laser irradiation. All instances of "15.2 W cm<sup>-2</sup>" should be changed to "0.84 W cm<sup>-2</sup>", and all instances of "1.52 W cm<sup>-2</sup>" should be changed to "0.25 W cm<sup>-2</sup>".

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
