Dear Professor Cardullo,

I understand that the Written Capstone has a hard deadline at 12:15 pm on Friday, but I am having trouble contacting my faculty mentor to finalize and read over my paper before submission. Would it be possible to have the deadline extended to midnight on Friday? I am really sorry to ask this of you, but I honestly am trying my best to get the paper done and in the best shape, it can be. I hope to hear from you soon.

Respectfully,

Jennifer Huynh
