CONTRIBUTIONS WHILE ON UNPAID LEAVE - As set forth in Administrative Code section 16.701(b), covered employees who are not in active service for more than twelve (12) weeks, shall be required to pay the Health Service System for the full premium cost of membership in the Health Service System, unless the employee shall be on sick leave, workers' compensation, mandatory administrative leave, approved personal leave following family care leave, disciplinary suspensions or on a layoff holdover list where the employee verifies they have no alternative coverage.
196. SINGLE EMPLOYEES - For "medically single" employees, i.e., benefited employees not receiving the contribution paid by the City for dependent health care benefits, the City shall contribute all of the premium for the employee's own health care benefit coverage.

PILOT WELLNESS INCENTIVE PROGRAM

197. The City hereby establishes a pilot "wellness incentive program" to promote workforce attendance.
198. Effective July 1, 2002, any full-time employee leaving the employment of the City upon service or disability retirement may receive payment of a portion of accrued sick leave credits at the time of separation.
199. The amount of this payment shall be equal to two-and-one-half percent (2.5%) of accrued sick leave credits at the time of separation times the number of whole years of continuous employment times an employee's salary rate, exclusive of premiums or supplements, at the time of separation. Vested sick leave credits, as set forth under Civil Service Commission Rules, shall not be included in this computation.
200. Example of Calculation:
- Employee A retires with 20 years of service.
Employee A has a sick leave balance of 500 hours.
Employee A has a base salary rate of \$25.00 per hour at the time of separation.
Wellness Incentive = 2.5% for each year of service X 20 year of service = 50%.
50% x 500 hours = 250 hours.
250 hours x \$25.00 (base salary at time of separation) = \$6,250.00.
201. The number of hours for which an employee may receive cash payments shall not exceed one thousand forty (1040) hours, including any vested sick leave.
202. A wellness incentive bonus payment shall not be considered as part of an employee's compensation for the purpose of computing retirement benefits.
203. The number of hours for which an employee may receive cash payment shall not exceed one thousand forty (1040), including any vested sick leave hours.

204. This wellness incentive bonus shall not be considered as part of an employee's compensation for the purpose of computing retirement benefits.

III.P. RETIREMENT PICK-UP

205. The City shall pick up the full amount of the employee's contribution to retirement.
206. The parties acknowledge that the San Francisco Charter establishes the levels, terms and conditions of retirement benefits for members of the San Francisco Employees Retirement Systems (SFERS). The fact that a MOU does not specify that a certain item of compensation is excluded from retirement benefits should not be construed to mean that the item is included by the Retirement Board when calculating retirement benefits.
207. Rule changes by the City's Retirement Board regarding the crediting of accrued sick leave for retirement purposes shall be incorporated herein by reference. Any such rule change, however, shall not be subject to the grievance and arbitration provisions of this Agreement or the impasse procedures of Charter Section A8.409.

RETIREMENT SEMINAR RELEASE TIME

208. Subject to development, availability and scheduling by SFERS and PERS, employees shall be allowed not more than one day during the life of this MOU to attend a pre-retirement planning seminar sponsored by SFERS or PERS.
209. Employees must provide at least two-weeks advance notice of their desire to attend a retirement planning seminar to the appropriate supervisor. An employee shall be released from work to attend the seminar unless staffing requirements of other Department exigencies require the employee's attendance at work on the day or days such seminar is scheduled. Released time shall not be unreasonably withheld.
210. All such seminars must be located within the Bay Area.
211. This section shall not be subject to the grievance procedure.

III.Q. FEDERAL MINIMUM WAGE

212. Notwithstanding any of the other provisions of this agreement, no employee working in a federally funded position shall be paid at a rate less than the established Federal Minimum Wage if that is a condition upon receipt of the Federal funds.

III.R. FAIR LABOR STANDARDS ACT

213. City agrees that it will, at a minimum, compensate in a manner and consistent with the Fair Labor Standards Act. No employee covered by this Agreement shall suffer any reduction in benefits as the result of the application of this language.

III.S. VOLUNTEER/PARENTAL RELEASE TIME

214. Represented employees shall be granted paid release time to attend parent teacher conferences of four (4) hours per fiscal year (for children in kindergarten or schedules 1 to 12).

215. In addition, an employee who is a parent or who has child rearing responsibilities (including domestic partners but excluding paid child care workers) of one or more children in kindergarten or schedules 1 to 12 shall be granted unpaid release time of up to forty (40) hours each fiscal year, not exceeding eight (8) hours in any calendar month of the fiscal year, to participate in the activities of the school of any child of the employee, providing the employee, prior to taking the time off, gives reasonable notice of the planned absence. The employee may use vacation, floating holiday hours, or compensatory time off during the planned absence.

219. Classification 7311 Cement Mason shall be provided adequate foul weather gear consisting of hat, coat, pants and boots when required to perform their normal work duties in the rain

IV.D. TOOL INSURANCE

220. The City agrees to indemnify employees covered under this Agreement for the loss or destruction of the employee's tools subject to the following conditions:
221. 1. These provisions shall apply when an employee's tools are lost or damaged due to fire or theft by burglary while the tools are properly on City property or being used by the employee in the course of City business.
222. 2. The employee must demonstrate that he/she has complied with all of the tool safekeeping rules required by the City at the employee's particular work location.
223. 3. Prior to any losses, the employee must submit a list of his/her tools to his/her appointing officer and the latter must acknowledge and verify said inventory both as to existence of said tools and their necessity as relates to the employee's job duties. Tools not enumerated on said list shall not be governed by these provisions.
224. 4. The employee shall be responsible for using all reasonable means to preserve and protect his/her tools. Failure to do so shall relieve the City from any and

all obligations under this section. Any employee making false or inaccurate claims under this section shall be subject to disciplinary action by his/her appointing officer.

225. 5. In the case of theft, the following procedures shall be followed in perfecting a claim:

227. b. The statement must contain the member's name, location, and details of loss, date of loss and date reported to the police.
228. c. The statement must be submitted to the parties set forth in subsection (1) immediately above within five (5) days of the loss, unless the employee is on authorized leave in which case the employee shall have five (5) days from the date of his/her return to report the loss.
229. 6. In case of damage due to fire, the requirements of Section E above shall be followed with the exception that verified reports need not be filed with the police.
230. 7. The first Ten Dollars (\$10.00) of any loss shall be borne by the employee. A "loss" is defined as the total dollar amount of tools of the employee lost or damaged in one incident. Approved claims shall be settled by the City paying to the employee the replacement cost of the tool(s) minus Ten Dollars (\$10.00).
231. 8. The replacement cost for tools governed hereunder shall be determined by agreement between the employee or his representative and the employee's appointing officer. Where possible, tools shall be replaced by tools of the same brand name and model. Any dispute resulting from attempts to determine tool replacement costs shall be submitted to an appropriate grievance procedure for resolution. In instances where the employee has suffered a loss of a substantial number of tools which would jeopardize the employee's ability to perform his/her job duties and if there is a dispute as to tool replacement costs, the employee shall not lose any time from work as a result thereof.
