Corrigendum

Corrigendum to 'Diffusion of water-soluble sorptive drugs in HEMA/MAA hydrogels'

[J. Control. Release, 239, (October 10, 2016), 242–248]

D.E. Liu^a, T.J. Dursch^a, N.O. Taylor^a, S.Y. Chan^a, D.T. Bregante^a, C.J. Radke^{a,b,*}^a Chemical and Biomolecular Engineering Department, University of California, Berkeley, CA 94720, United States^b Vision Science Group, University of California, Berkeley, CA 94720, United States

The authors regret that the following errors were made in the Appendix of this article. The factor of 2 on the right side of Eq. (A3) should be replaced by unity, and the right side of Eq. (A4) should be multiplied by $8/\pi^2$.

Please see correct equations below –

$$V_s \frac{dC_{is}}{dt} = \frac{V_g}{L} \left[-D_i \frac{\partial C_i}{\partial x} \right]_{x=L} \quad (A3)$$

$$\frac{C_{is}(t)}{C_{is}(t=\infty)} = \frac{8}{\pi^2} \sum_{n=0}^{\infty} \frac{1 - \exp\left[-\left(\frac{(2n+1)\pi}{2}\right)^2 \frac{D_i t}{L^2}\right]}{(2n+1)^2} \quad (A4)$$

The authors would like to apologise for any inconvenience caused.
