# PAROLES GELEES

UCLA French Studies

Published annually by the French Graduate Students' Association, *Paroles Gelées* is a journal of French studies dedicated to the promotion of graduate student scholarship. *Paroles Gelées* seeks to publish essays not only on French literature, language and culture as such, but also welcomes studies exploring these in conjunction with other disciplines.

Papers submitted for consideration should be limited to approximately twenty (20) typewritten pages and may be written in either French or English. Authors should follow the *MLA Handbook* style in preparing their articles and should provide two (2) copies of their work.

Manuscripts are accepted on a year-round basis; however, papers received by January 31 will normally be considered for the current year's volume.
