The term "Contract" as used herein means the written agreement provided under Section 3517.5 of the Government Code.

ARTICLE 1 - RECOGNITION

1.1 Recognition

A. Pursuant to Public Employment Relations Board decision S-SR-20, the State recognizes CSEA Local 1000 as the exclusive representative for Medical and Social Services Specialists Bargaining Unit 20, hereinafter referred to as Unit 20. Unit 20 consists of all employees in the job classifications listed by title in Appendix "A" attached hereto and incorporated by reference as a part of this Contract.

B. Pursuant to Government Code Sections 19815.4 and 3517, CSEA Local 1000 recognizes the Director of the Department of Personnel Administration or his/her designee as the negotiating representative for the State and shall negotiate exclusively with the Director or his/her designee, except as otherwise specifically spelled out in the Contract.

ARTICLE 2 - UNION REPRESENTATION RIGHTS

2.1 Union Steward Designation

A. Steward Designation

A written list of Union stewards and elected bargaining unit council representatives, broken down by department, unit, and designated area of representation, shall be furnished to each department and a copy sent to the State immediately after their designation. The Union shall notify the State promptly of any changes of such stewards. Union stewards shall not be recognized by the State until such lists or changes thereto are received.

B. Scope of Representation

The State recognizes and agrees to deal with designated Union stewards, elected bargaining unit council representatives and/or Union staff on the following:

- a. The enforcement of this contract;

- b. Employee discipline cases;
- c. Informal settlement conferences or formal hearings conducted by the Public Employment Relations Board;
- d. Matters scheduled for hearing by the Board of Control;
- e. Matters pending before the State Personnel Board;
- f. Discussions with Management regarding denials of reasonable accommodation;
- g. Statutory appeal hearing.

C. Area of Representation

A Union steward's "area of representation" is defined as an institution, office, or building. However, the parties recognize that it may be necessary for the union to assign a steward an area of representation for several small offices, institutions or buildings within close proximity. Disputes regarding this paragraph may be appealed directly to Step 3 of this Grievance Procedure (Section 6.9).

2.2 Access

A. Union stewards, Union staff, and/or elected bargaining unit council representatives shall be allowed access to bargaining unit employees at the work site during working hours for representational purposes. Access shall not interfere with the work of the employees. Union stewards, Union staff or elected bargaining unit council representatives seeking access to employees must notify the department head or designee in advance of the visit.

B. Access to bargaining unit employees shall not be unreasonable withheld; however, it may be restricted for reasons of safety, security, or patient care including patient privacy. If access is restricted, other reasonable accommodations shall be made.

2.3 Use of State Phones, Fax, Copiers and Telecommunication Devices

A. Union stewards shall be permitted reasonable use of State phones and telecommunication devices for the deaf (TDD) for union representative purposes provided that such use does not result in additional cost to the State nor interfere with State operations.

B. Union stewards shall also be permitted reasonable and occasional use of fax machines and copiers for union representation purposes provided that such use does not result in additional cost to the State nor interfere with State operations.

2.4 Distribution of Literature

A. The Union may use existing employee organization bulletin boards to post materials related to Union business. Upon mutual agreement between an authorized Union representative and the department, Union bulletin boards will be where they are accessible to employees. When required in advance, Union shall

reimburse the State for additional costs incurred. A copy of all materials posted must be distributed to the facility or office supervisor at the time of posting.

B. The Union may, before or after work hours or during meal and rest periods distribute Union literature. Distribution of Union information shall not be unreasonably denied or disrupt the work of others. However, if access for distribution of information is restricted for safety, security, or patient care including patient privacy, other reasonable accommodation will be made in accordance with department procedures.

C. The Union may continue to use existing employee mailboxes and in-baskets for distribution of literature. Such information will be distributed to Departmental employees based on the Department's policies and procedures in distributing other non-business information.

D. The Union agrees that any literature posted or distributed on site will not be libelous, obscene, defamatory, or of a partisan political nature.

E. The Union shall be permitted incidental and minimal use of State electronic communication systems for communication of Union activities as the departments permit for other non-business purposes.

F. The use of electronic communication systems (devices) are not considered private or secure information and are subject to being monitored by the department.

2.5 Use of State Facilities

A. The State will continue to permit use of certain State facilities for Union meetings, subject to the operating needs of the State. Requests for use of such State facilities shall be made in advance to the appropriate State official. When required in advance, the Union shall reimburse the State for additional expenses, such as security, maintenance and facility management costs, or utilities, incurred as a result of Union's use of such State facilities.

2.6 Union Steward Time Off

A. Upon request of an aggrieved employee, a Union steward shall be allowed reasonable time off during working hours, without loss of compensation, for representational purposes in accordance with Section 2.1.a of this Contract, provided the employee represented is in the steward's department and designated area of primary responsibility. Release time for this purpose is subject to prior notification and approval by the steward's immediate supervisor. Upon mutual agreement of the parties, a reasonable number of additional stewards can also be granted reasonable time off under this section.

A. The State shall be prohibited from imposing or threatening to impose reprisals, from discriminating or threatening to discriminate against Union stewards, or otherwise interfering with, restraining, or coercing Union stewards because of the exercise of any rights given by this Contract.

2.9 Union Information Packets

A. Upon initial appointment to any position as a probationary or permanent employee, the employee shall be informed by the employer that the Union is the recognized employee organization for the employee in said classification. The State shall present the employee with a packet of Union Information which has been supplied by the Union.

2.10 Access to New Employees

In work locations not accessible to regularly scheduled departmental orientation, each new bargaining unit employee shall be given the opportunity to meet with a Union representative, at the work site, for up to 15 minutes during normal working hours for orientation to the Contract and the Union.

ARTICLE 3 - UNION SECURITY

3.1 Union Security

A. The State agrees to deduct and transmit to the Union and all membership dues authorized on a form provided by the Union. Effective with the beginning of the first pay period following ratification of this Agreement by the Legislature and the Union, the State agrees to calculate, deduct and transmit to the Union, Fair Share fees from State employees who do not have membership dues deductions for CSEA, SEIU Local 1000, based upon an amount or formula furnished by the Union for Fair Share fees deductions. The State further agrees to recalculate, deduct and transmit Fair Share fees to the Union based upon any revised amounts or formulas furnished by the Union for Fair Share fees deductions during the term of this Agreement. The State and the Union agrees that a system of authorized dues deductions and a system of Fair Share fee deductions

shall be operated in accordance with Government Code Section 3513(h), 3513(j), 3515, 3515.6, 3515.7, and 3515.8, subject to the following provisions:

1. When Fair Share Fees are in effect, an employee may withdraw from membership in the Union by sending a signed withdrawal letter to the Union with a copy to the State Controller at any time. An employee who so withdraws his/her membership shall be subject to paying a Fair Share Fee, if such a fee is applicable.
2. The Union agrees to indemnify, defend and hold the State and its agents harmless against any claims made of any nature and against any suit instituted against the State arising from this Section and the deductions arising therefrom.
3. The Union agrees to annually notify all State employees in Unit 20 who pay Fair Share fees of their right to demand and receive from the Union a return of part of that fee pursuant to Government Code Section 3515.8.
4. No provisions of this Section or any disputes arising thereunder shall be subject to the grievance and arbitration procedure contained in this contract.
5. Should a recession election be successful, the written authorization for payroll deductions for Union membership shall remain in full force and effect during the life of this Contract except that any employee may withdraw from the Union by sending a signed withdrawal letter to the Union with a copy of the State Controllers Office within thirty (30) calendar days prior to the expiration of this Contract.

3.2 Home Addresses

A. Home Addresses - Generally

1. Consistent with the Public Employment Relations Board regulation and State law, the State shall continue to provide the Union with home addresses on a monthly basis for all employees covered by this Contract until it expires.

Notwithstanding any other provision of this contract, any employee may have his/her home address withheld from the Union at any time by submitting a written request to his/her appointing power on form provided by the State.

B. Home Address Withholding

Effective one-month following ratification of this contract by both parties, the State will no longer use an Employee Action Request form that provides Unit 20 employees with the option of having their home address withheld from the Union. Instead, bargaining unit employees will, upon request on their own initiative, be given a separate form by their appointing power that permits two choices: (1) withhold their address from the Union, or (2) to cancel a previous withhold request thereby permitting release of their home address to the Union.

C. Home Address Withhold Notification to Employees

Within one month following ratification of this contract by both parties, the State will send a letter drafted by the Union to all existing Bargaining Unit 20 employees that have previously requested their home address be withheld. The letter will provide said employees with the option of canceling their previous withhold request thereby permitting release of their home address to the Union.

D. Release and Use of Addresses

The State Controller's Office shall send the Union a list of all Bargaining Unit 20 employees who, pursuant to subsection (c) above, either did not respond or responded by indicating they wanted to continue withholding their home address from the Union. Said list(s) will contain the employee's name, agency and reporting unit.

E. Home Address Mailings By the State

The State will mail Union information once per year to the home address of bargaining unit employees who have requested their home address be withheld from the Union. Said material shall be provided by the Union. The cost of this mailing shall be paid for by the Union. The Union agrees to hold the State harmless for any annual mail that does not reach Bargaining Unit 20 employees.

F. Address Confidentiality

Employee work and home addresses shall be maintained as confidential by the Union. The Union shall take all reasonable steps to ensure the security of work and home addresses, and shall not disclose or otherwise make them available to any person, entity or organization.

G. Costs Reimbursable

The Union agrees to pay necessary and reasonable costs incurred by the State Controller's Office to produce the necessary name/home/work address tape file on a monthly basis.

H. Hold Harmless and Indemnification

Notwithstanding any other provision of this contract, the Union agrees to jointly defend this section and to hold the State of California, its subdivisions, and agents harmless in defending challenges of any nature arising as a result of this section of the contract.

I. Nature of Material

The Union agrees that any literature mailed to employees by the State will not be libelous, obscene, defamatory or of a partisan political nature or constitute a solicitation of any product or service unrelated to representation by the Union including that provided by and mailed on behalf of the Union. Advertisements or articles in Union provided material involving partisan politics shall not be considered of a partisan political nature or constitute a solicitation of any product or service for the purposes of this contract.

ARTICLE 4 - STATE RIGHTS

4.1 State Rights

A. Except for those rights which are expressly abridged or limited by this Contract, all rights are reserved to the State.

B. Consistent with this Contract, the rights of the State shall include, but not be limited to, the right to determine the mission of its constituent departments, commissions and boards; to maintain efficiency of State operation; to set standards of service; to determine, consistent with Article VII of the Constitution, the Civil Service Act and rules pertaining thereto the procedures and standards of selection for employment and promotion, to layoff, assignment, scheduling and training; to determine the methods, means and personnel by which State operations are to be conducted; to take all necessary action to carry out its mission in emergencies; to exercise control and discretion over the merits, necessity, or organization of any service or activity provided by law or executive order. The State has the right to make reasonable rules and regulations pertaining to employees consistent with this Contract, provided that any such rule shall be uniformly applied to all affected employees who are similarly situated.

C. This Article is not intended to, nor may it be construed to, contravene the spirit or intent of the merit principle in State employment, nor limit the rights of State Civil Service employees provided by Article 7 of the State Constitution or bylaws and rules enacted thereto. Any matters which concern the application of the merit principle to State employees are exclusively within the purview of these processes provided by Article 7 of the State Constitution or bylaws and rules enacted thereto.

ARTICLE 5 - GENERAL PROVISIONS

5.1 No Strike

A. During the term of this Agreement, neither the Union nor its agents nor any Bargaining Unit 20 employee, for any reason, will authorize, institute, aid, condone or engage in a work slowdown, work stoppage, strike, or any other interference with the work and statutory functions or obligations of the State.

B. The Union agrees to notify all of its officers, stewards, chief stewards and staff of their obligation and responsibility for maintaining compliance with this Section, including the responsibility to remain at work during any activity which may be caused or initiated by others, and to encourage employees violating this Section to return to work.

Upon occurrence of such an event, the parties shall meet and confer as soon as practical to renegotiate the invalidated provision(s).

5.5 Reprisals Prohibited

The State and the Union shall be prohibited from imposing or threatening to impose reprisals by discriminating or threatening to discriminate against employees, or otherwise interfering with, restraining, or coercing employees because of the exercise of their rights under the Ralph C. Dills Act or any right given by this Contract. The principles of agency shall be liberally construed.

5.6 Supersession

The enumerated Government Code Sections in Appendix "B" and all existing rules, regulations, standards, practices and policies which implement the enumerated Government Code Sections are hereby incorporated into this Contract. However, if any other provision of this Contract alters or is in conflict with any of the enumerated Government Code Sections, the Contract shall be controlling and supersede said Government Code Sections or parts thereof and any rule, regulation, standard practice or policy implementing such provisions. The Government Code Sections listed in Appendix "B" are cited in Section 3517.6 of the Ralph C. Dills Act.

5.7 Non-Discrimination

A. No State employee shall be discriminated against in State employment on the basis of race, color, religion, creed, age, sex, national origin, ancestry, marital status, disability, sexual orientation, or political affiliation.

B. Allegations of discrimination shall not be subject to the grievance and arbitration procedure, but may be appealed to the State Personnel Board through the existing State Equal Employment Opportunity (EEO) complaint process, and/or the Department of Fair Employment and Housing, and/or the Federal Equal Employment Opportunity Commission.

5.8 Sexual Harassment

A. No State employee shall be subject to sexual harassment. The State agrees to take such actions as necessary to ensure that this purpose is achieved, and shall post a statement of its commitment to this principle at all work sites.

B. Allegations of sexual harassment shall not be subject to the grievance and arbitration procedure, but may be appealed to the State Personnel Board through the existing State Equal Employment Opportunity (EEO) complaint process, or the Department of Fair Employment and Housing, or the Federal Equal Employment Opportunity Commission.

5.9 Release Time for State Personnel Board Hearings

Upon two (2) working days advance notice, the State shall provide reasonable time off without loss of compensation for a reasonable number of employees to attend hearings conducted by the California State Personnel Board during the employee's normal work hours provided that the employee is either (1) a party to the hearing proceedings, e.g., an appellant, or (2) is specifically affected by the results of the hearing and has been scheduled to appear or testify by the State Personnel Board. The State shall attempt to accommodate a shift change request from an employee involved in (1) or (2) above who is scheduled to work on the day (including evening and night shifts) of an SPB hearing.

5.10 Labor/Management Committees

Upon request of the Union and with the concurrence of the department head or designee, a labor/management committee may be established to address a specific issue.

Such committees may be established according to the following guidelines:

1. The committee will consist of equal numbers of management and union representatives.
2. Committee recommendations, if any, will be advisory in nature.
3. Labor/management committee meetings shall not be considered contract negotiations and shall not be considered a substitute for the grievance procedure.

ARTICLE 6 - GRIEVANCE AND ARBITRATION PROCEDURE

6.1 Purpose

A. This grievance procedure shall be used to process and resolve grievances arising under this Contract and employment- related complaints.

B. The purposes of this procedure are:

1. To resolve grievances informally at the lowest possible level.
2. To provide an orderly procedure for reviewing and resolving grievances promptly.

6.2 Definitions

If no agreement is reached at this meeting, the parties shall, immediately and jointly, request the American Arbitration Association, State Conciliation and Mediation Service or the Federal Mediation and Conciliation Service to submit to them a panel of 10 arbitrators from which the State and the Union shall alternately strike names until one name remains and this person shall be the arbitrator. ARTICLE 8 - LEAVES

8.1 Vacation Leave

A. Employees shall not be entitled to vacation leave credit for the first six (6) months of service. On the first day of the monthly pay period following completion of six (6) qualifying monthly pay periods of continuous service, all full-time employees covered by this Section shall receive a one-time vacation bonus of 42 hours of vacation credit. Thereafter, for each additional qualifying monthly pay period, the employee shall be allowed credit for vacation with pay on the first day of the following monthly pay period as follows:

7 months to 3 years	7 hours per month
37 months to 10 years	10 hours per month
121 months to 15 years	12 hours per month
181 months to 20 years	13 hours per month
20 years and over	14 hours per month

1. An employee who returns to State service after an absence of six (6) months or longer caused by a permanent separation shall receive a one-time vacation bonus on the first monthly pay period following completion of six (6) qualifying pay periods of continuous service in accordance with the employee's total State service before and after the absence.

B. A full-time employee who has eleven (11) or more working days of service in a monthly pay period shall earn vacation credits as set forth under item a. above.

Absences from State service resulting from a temporary or permanent separation for more than eleven (11) consecutive working days which fall into two consecutive qualifying pay periods shall disqualify the second pay period.

C. Employees working less than full-time accrue vacation in accordance with the chart shown in 7 (k) of this contract.

D. Vacation credits may be taken in fifteen (15) minute increments.

E. Employees are authorized to use existing fractional vacation hours that may have been accumulated.

F. Upon termination from State employment, the employee shall be paid for accrued vacation credits for all accrued vacation time.

G. Subject to operational needs, the time when vacation shall be taken by the employee shall not be unreasonably denied. Employee vacation requests shall be submitted and granted or denied in writing in a timely manner. Vacations can only be cancelled when unanticipated operational needs require it.

H. Vacation requests must be submitted in accordance with departmental policies on this subject. However, when two (2) or more employees on the same shift (if applicable) in a work unit (as defined by each department head or designee) request the same vacation time and approval cannot be given to all employees

requesting it, employees shall be granted their preferred vacation period in order of seniority (defined as total months of State service in the same manner as vacation is accumulated). When two (2) or more employees have the same amount of State service, department seniority will be used to break the tie. Vacation schedules, which have been established in a work unit, pursuant to the seniority provisions in this Article, shall not be affected by employee(s) entering the unit after the schedule has been established.

I. By June 1 of each calendar year, those employees whose vacation balance exceeds, or could exceed by December 31, the vacation cap of Article 8.1 (J) must submit to their supervisor for approval a plan to use vacation to bring their balance below the cap. If the employee fails to submit a plan, or adhere to an approved plan, the department head or designee has the right to order an employee to take sufficient vacation to reduce the employee's vacation balance or potential balance on December 31 below the cap specified in 8.1 (J).

J. If an employee does not use all of the vacation that the employee has accrued in a calendar year, the employee may carry over his/her accrued vacation credits to the following calendar year to a maximum of 640 hours. A department head or designee shall permit an employee to carry over more than 640 hours because the employee: (1) was required to work as a result of fire, flood, or other extensive emergency; (2) was assigned work of a priority or critical nature over an extended period of time; (3) was absent on full salary for commendable injury; (4) was prevented by department regulations from taking vacation until December 31 because of sick leave; or (5) was on jury duty.

8.2 Sick Leave

A. As used in this Section, "sick leave" means the necessary absence from duty of an employee because of:

1. Illness or injury, including illness or injury relating to pregnancy.
2. Exposure to a contagious disease which is determined by a physician to require absence from work.
3. Dental, eye, and other physical or medical examination or treatment by a licensed practitioner.
4. Absence from duty for attendance upon the employee's ill or injured mother, father, husband, wife, son, daughter, brother, or sister, or any person residing in the immediate household. Such absence shall be limited to 5 work days per occurrence or, in extraordinary situations, to the time necessary for care until physician or other care can be arranged.

B. A full-time employee who has 11 or more working days of service in a monthly pay period shall be eligible for up to 8 hours of sick leave credit. On the first day of the monthly pay period following completion of each qualifying pay period of service, each full-time employee shall earn 8 hours of credit for sick leave with pay.

C. Credit for less than full-time employees shall be computed as follows:

1. Part-time employees. On the first day of the monthly pay period following completion of each monthly pay period of continuous service, each part-time employee shall be allowed, on a pro-rata basis, the fractional part of his/her appropriate accrual rate of credit for sick leave with pay in accordance with the schedule in 8.1 (C).
2. Multiple positions under this rule;
 - a. An employee holding a position in State service in addition to the primary full-time position with the State shall not receive credit for sick leave with pay for service in the additional position.
 - b. Where an employee holds 2 or more "less than full-time positions", the time worked in each position shall be combined for purposes of computing credits for sick leave with pay, but such credits shall not exceed the amount earned for (8 hours per pay period) full-time employment credit.

D. The department head or designee shall approve sick leave only after having ascertained that the absence is for an authorized reason and may require the employee to submit substantiating evidence including, but not limited to, a physician's or licensed practitioner's verification. The State recognizes the confidential nature of the relationship between the health care provider and patient. However, such substantiation shall include, but not be limited to, the general nature of the employee's illness or injury and prognosis (i.e. the anticipated length of the absence, any restrictions upon return to work that prevents the employee from performing the full range of his/her normal work assignments and anticipated future absences). If the department head or designee does not consider the evidence adequate, the request for sick leave shall be disapproved. Upon request, a denial of sick leave shall be in writing stating the reason for denial.

E. An employee may be required to provide a physician's or licensed practitioner's verification of sick leave when:

1. the employee has a demonstrable pattern of sick leave abuse; or
2. the supervisor believes the absence was for an unauthorized reason.,

F. Sick leave may be accumulated without limit.

G. Sick leave may be requested and taken in 15 minute increments.

H. A full-time employee whose continuity of employment is broken by a permanent separation of 6 months or longer and is subsequently re-employed cannot be credited with any unused sick leave accumulated prior to the employee's separation and the full-time employee must complete one month of continuous service before being granted one day of sick leave credit. In addition, when a full-time employee has a break in continuity of employment because of a permanent separation of less 6 months or because of temporary separation, the full-time employee's prior unused sick leave balance is restored.

I When an employee's sick leave balance is zero, other leave credits such as vacation, CTO, PLP, personal holiday, or holiday leave may be substituted with the supervisor's approval, and shall not be unreasonably denied.

8.3 Bereavement Leave

A. A department head or designee shall authorize bereavement leave with pay for a permanent full-time State employee due to death of his/her parent, stepparent, spouse, child, grandchild, grandparent, brother, sister, mother-in-law, father-in-law, daughter-in-law, son-in-law, sister-in-law, brother-in-law, stepchild, or adopted child. Such bereavement leave shall be authorized for up to three (3) regular work days of the employee per occurrence. The employee shall give notice to his/her immediate supervisor as soon as possible and shall, if requested by the employee's supervisor, provide substantiation to support the request.

B. If the death of a person as described above requires the employee to travel over four hundred (400) miles one-way from his/her home, additional time off with pay shall be granted for two (2) additional days which shall be deducted from accrued sick leave. Should additional leave be necessary, the department head or designee may authorize the use of existing leave credits or authorized leave without pay.

C. Employees may utilize all leave credits except for sick leave for additional time required in excess of the time allowed in (a) or time required due to the death of other relatives not listed in (a) above.

D. Fractional time base (part-time) employee's will be eligible for bereavement leave on a pro rata basis, based on the employee's fractional time base. (See DPA Management Memo 83-7-1 for fractional time base employees.)

8.6 Union Leave

A. The Union shall have the choice of requesting an unpaid leave of absence or a paid leave of absence (Union leave) for a Union bargaining council representative, steward or chief job steward. An unpaid leave of absence may be granted by the State pursuant to the unpaid leave of absence provisions in this Agreement. A Union leave may also be granted at the discretion of the affected department head or designee in accordance with the following:

7. Employees on Union leave under this provision and the Union shall waive any and all claims against the State for Workers' Compensation and Industrial Disability Leave.
8. In the event an employee on a Union leave, as discussed above, files a workers' compensation claim against the State of California or any agency thereof, for an injury or injuries sustained while on a Union leave, the Union agrees to indemnify and hold harmless the State of California or agencies thereof, from both workers' compensation liability and any costs of legal defense incurred as a result of the filing of the claim.

8.7 Unpaid Leave of Absence

A. A department head or designee may grant an unpaid leave of absence for a period not to exceed one (1) year. The employee shall provide substantiation to support the employee's request for an unpaid leave of absence.

B. Except as otherwise provided in Subsection c. below, an unpaid leave of absence shall not be granted to any employee who is accepting some other position in State employment; or who is leaving State employment to enter other outside employment; or does not intend to, nor can reasonably be expected to, return to State employment on or before the expiration of the unpaid leave of absence. A leave, so granted, shall assure an employee the right to his/her former position upon termination of the leave. The term "former position" is defined in Government Code Section 18522.

- A. An employee shall be allowed such time off without loss of compensation as is required in connection with jury duty. If payment is made for such time off, the employee is required to remit to the State jury fees received. When night jury service is required of an employee, the employee shall be allowed time off without loss of compensation for such portion of the required time that coincides with the employee's normal work schedule. This includes any necessary travel time.

F. The total leave credits received by the employee shall normally not exceed three (3) months; however, if approved by the appointing authority, the total leave credits received may be six (6) months.

G. Donations shall be made on a form to be developed by the State, signed by the donating employee, and verified by the donating department. These donations are irrevocable.

H. This Section is not subject to the grievance and arbitration article of this Contract.

8.13 Court Appearance and/or Subpoena

A. Whenever a Unit 20 employee is served with a subpoena which compels his/her presence as a witness, unless he/she is a party or an expert witness, such employee shall be granted a leave of absence with pay in the amount of the

difference between the employee's regular earnings and any amount he/she receives for such appearance.

B. This action shall not be applicable to appearances for which the employee receives compensation in excess of his/her regular earnings.

8.14 Dependent Care Leave

A department head or designee may grant a permanent employee's request for an unpaid leave of absence for the purposes of providing personal medical care for the employee's ill or injured mother, father, husband, wife, son, or daughter, or persons residing in household. The employee may be required to provide substantiation to support the employee's request for the unpaid leave.

The period of leave shall not exceed three (3) months. Extensions of an unpaid leave may be requested by the employee and may be granted by the department head or designee.

A dependent care leave may be terminated by the department head or designee prior to the expiration date with written notice at least thirty (30) work days prior to the effective date of the revocation.

During the period of time an employee is on dependent care leave, he/she shall be allowed to continue health, dental and vision benefits. The total cost of these benefits shall be paid by the employee and the rate that the employee will pay will be the group rate.

8.15 Personal Leave Program

A. Personal leave shall be requested and used by the employee in the same manner as vacation or annual leave. Requests to use personal leave must be submitted in accordance with departmental policies on vacation or annual leave.

B. Unused personal leave credits may be cashed out at the employees salary rate at the time the personal leave payment is made. Upon termination from State employment, the employee shall be paid for unused personal leave credits in the same manner as vacation or annual leave. Cash out or lump sum payment for any Personal Leave credits shall not be considered as "compensation" for purposes of retirement. Departments may offer employees the opportunity to cash out accrued personal leave.

8.16 Industrial Disability Leave

A. For periods of disability commencing on or after January 1, 1993, subject to Government Code Section 19875, eligible employees shall receive IDL payments equivalent to full net pay, for the first 22 work days after the date of the reported injury.

B. In the event that the disability exceeds 22 work days, the employee will receive 66 and 2/3% of gross pay from the 23rd work day of disability until the end of the 52nd week of disability. No IDL or payments shall be allowed after two years from the first day (i.e., date) of disability.

C. The employee may elect to supplement payment from the 23rd work day with accrued leave credits including annual leave, vacation, sick leave, or compensating time off (CTO) in the amount necessary to approximate the employee's full net pay. Partial supplementation will be allowed, but fractions of less than one hour will not be permitted. Once the level of supplementation is selected, it may be decreased to accommodate a declining leave balance but it may not be increased. Reductions to supplementation amounts will be made on a prospective basis only.

D. Temporary Disability (TD) with supplementation, as provided for in Government Code Section 19863, will no longer be available to any State employee who is a member of either the PERS or STRS retirement system during the first 52 weeks, after the first date of disability, within a two year period. Any employee who is already receiving disability payments on the effective date of this provision will be notified and given 30 days to make a voluntary, but irrevocable, change to the new benefit for the remainder of his/her eligibility for IDL.

E. If the employee remains disabled after the IDL benefit is exhausted, then the employee will be eligible to receive Temporary Disability benefits as provided for in Government Code Section 19863.

F. In the event that an employee is determined to be "permanent and stationary" by his/her physician before the IDL benefit is exhausted, but is unable to return to work, he/she must agree to participate in a vocational rehabilitation program. Refusing to participate will result in immediate suspension of the IDL benefit.

G. An employee may elect to supplement Vocational Rehabilitation Maintenance Allowance, which is provided pursuant to Section 10125.1, Title 8, California Code of Regulations, with leave credits.

H. The State and Union agree to support legislation to amend Government Code Section 19863.1, to allow an employee to supplement Vocational Rehabilitation Maintenance Allowance with leave credits.

I. All appeals of an employee's denial of IDL benefits shall only follow the procedures in the Government Code and Title 2. All disputes relating to an employee's denial of benefits are not grievable or arbitrable. This does not change either party's contractual rights which are not related to an individual's denial of benefits.

8.17 Special Schools Leave Bank

Bargaining Unit 20 employees that are scheduled to work a 10-month school year:

1. May be scheduled and use vacation leave during their initial six (6) months of employment. This is an exception to the Bargaining Unit 20 Contract vacation leave provision.

2. Shall receive 70 hours of vacation leave credit which will be credited to their vacation leave credit account upon commencement of the school year. This vacation leave credit shall be used to offset noncompensable absences during school recess periods. In addition, the Special Schools may allow employees to utilize these vacation leave credits during scheduled work periods.

3. Sections B. (1) and (2) shall apply to permanent, part-time employees on a pro rata basis.

4. The 70 hours of vacation leave credit (and prorated amount for permanent, part-time employees) is contingent upon an employee's continued employment for a minimum 10 qualifying pay periods beginning with the employee's first qualifying pay period of the school year. If an employee terminates employment prior to this 10 qualifying pay period duration and the Special School is unable to adjust the employee's vacation and/or CTO credit balances in order to reflect the proper vacation leave credit balance, the employee shall reimburse the Special School for the amount that is outstanding.

B. The Special Schools shall provide eligibility for medical and dental benefits during the months of July and August by scheduling a minimum 2 days work, training, vacation or CTO in July and a minimum 2 days of work, training, vacation or CTO in August.

8.18 Annual Leave Program

A. Employees may elect to enroll in the annual leave program to receive annual leave credit in lieu of vacation and sick leave credits. Employees enrolled in the annual leave program may elect to enroll in the vacation and sick leave program at any time except that once an employee elects to enroll in either the annual leave program or vacation and sick leave program, the employee may not elect to enroll in the other program until 24 months has elapsed from date of enrollment.

B. Each full-time employee shall receive credit for annual leave in lieu of the vacation and sick leave credits of this agreement in accordance with the following schedule:

1 month to 3 years	11 hours per month
37 months to 10 years	14 hours per month
121 months to 15 years	16 hours per month
181 months to 20 years	17 hours per month
241 months and over	18 hours per month

Part-time and hourly employees shall accrue proportional annual leave credits, in accordance with the applicable DPA rules. Employees shall have the continued use of any sick leave accrued as of the effective date of this Agreement, in accordance with applicable laws, rules, or memorandum of understanding.

All provisions necessary for the administration of this Section shall be provided by DPA rule or memorandum of understanding.

C. A full-time employee who has 11 or more working days of service in a monthly pay period shall earn annual leave credits as set forth in DPA Rules 599.608 and 599.609.

Absences from State service resulting from a temporary or permanent separation for more than 11 consecutive days which fall into two consecutive qualifying pay periods shall disqualify the second pay period.

D. Employees who work in multiple positions may participate in annual leave, provided an election is made while employed in an eligible position subject to these provisions. Annual leave accrual for employees in multiple positions will be computed by combining all positions, as in vacation leave, provided the result does not exceed the amount earnable in full-time employment, and the rate of accrual shall be determined by the schedule which applies to the position or collective bargaining status under which the election was made.

E. If an employee does not use all of the annual leave that the employee has accrued in a calendar year, the employee may carry over his/her accrued annual leave credits to the following calendar year to a maximum of 640 hours. A department head or designee may permit an employee to carry over more than 640 hours of accrued hours because the employee: (1) was required to work as a result of fire, flood, or other extensive emergency; (2) was assigned work of a priority or critical nature over an extended period of time; (3) was absent on full salary for compensable injury; (4) was prevented by department regulations from taking annual leave until December 31 because of sick leave; or (5) was on jury duty.

F. Upon termination from State employment, the employee shall be paid for accrued annual leave credits for all accrued annual leave time.

G. The time when annual leave shall be taken by the employee shall be determined by the department head or designee. If on January 1 of each year an employee's annual leave bank exceeds the cap in Subsection e., the department may order the employee to take annual leave.

H. Annual leave request must be submitted in accordance with departmental policies on this subject. However, when two or more employees on the same shift (if applicable) in a work unit (as defined by each department head or designee) request the same annual leave time and approval cannot be given to all employees requesting it, employees shall be granted their preferred annual leave period in order of State seniority.

I. Each department head or designee will make every effort to act on annual leave requests in a timely manner.

J. Annual leave that is used for purposes of sick leave is subject to the requirements set forth in section 8.2, Sick Leave, of this Agreement.

K. The enhanced non-industrial disability insurance (ENDI) in Section 8.19 applies only to those in the annual leave program described above in this Section.

L. Employees who are currently subject to vacation and sick leave provisions may elect to enroll in the annual leave program at any time after 24 months has elapsed from date of last enrollment. The effective date of the election shall be the first day of the pay period in which the election is received by the appointing power. Once enrolled in annual leave, an employee shall become entitled to an enhanced NDI benefit (50 percent of gross salary).

8.19 Enhanced Non-Industrial Disability Insurance - Annual Leave

A. This ENDI provision is only applicable to employees participating in the annual leave program referenced in Section 8.2.

B. Enhanced Non-Industrial Disability Insurance (ENDI) is a program for State employees who become disabled due to nonwork-related disabilities as defined by Section 2626 of the Unemployment Insurance Code.

C. For periods of disability commencing on or after January 1, 1989, eligible employees shall receive ENDI payments at 50 percent of their gross salary, payable monthly for a period not exceeding 26 weeks for any one disability benefit period. An employee is not eligible for a second disability benefit due to the same or related cause or condition unless they have returned to their regular time base, and work for at least ten (10) consecutive work days. Paid leave shall not be used to cover the ten (10) work days. Disability payments may be supplemented with annual leave, sick leave or partial payment to provide for up to 100% income replacement. At the time of an ENDI claim, an employee may elect either the 50% ENDI benefit rate or a supplementation level of 75% or 100% at gross pay. Once a claim for ENDI has been filed and the employee has determined the rate of supplementation, the supplemental rate shall be maintained throughout the disability period.

D. The employee shall serve a seven (7) consecutive calendar day waiting period before ENDI payments commence for each disability. Accrued paid leave or CTO leave balances may be used to cover this waiting period. The waiting period may be waived when the employee is a registered bed patient in a hospital or nursing home, or receives treatment in a hospital surgical unit or licensed surgical clinic. Procedure rooms and doctors offices are not included.

E. If the employee elects to use annual leave or sick leave credits prior to receiving ENDI payments, he or she is not required to exhaust the accrued leave balance.

F. Following the start of ENDI payments an employee may at any time switch from ENDI to sick leave or annual leave, but may not return to ENDI until that leave is exhausted.

G. In accordance with the State's "return to work" policy, an employee who is eligible to receive ENDI benefits and who is medically certified as unable to return to their full-time work during the period of his or her disability, may upon the discretion of his or her appointing power, work those hours (in hour increments) which when combined with the ENDI benefit will not exceed 100 percent of their regular "full pay". This does not qualify the employee for a new disability period under c. of this article. The appointing power may require an employee to submit to a medical examination by a physician or physicians designated by the Director of the Employment Development Department for the purpose of evaluating the capacity of the employee to perform the work of his or her position.

H. If an employee refuses to return to work in a position offered by the employer under the State's Injured State Worker Assistance Program, ENDI benefits will be terminated effective the date of the offer.

I. Where employment is intermittent or irregular, the payments shall be determined on the basis of the proportionate part of a monthly rate established by the total hours actually employed in the 18 monthly pay periods immediately preceding the pay period in which the disability begins as compared to the regular rate for a full-time employee in the same group or class. An employee will be eligible for ENDI payments on the first day of the monthly pay period following completion of 960 hours of compensated work.

J. All other applicable Department of Personnel Administration laws and regulations not superseded by these provisions will remain in effect.

K. Upon approval of ENDI benefits, the State may issue an employee a salary advance if the employee so requests.

L. All appeals of an employee's denial of ENDI benefits shall only follow the procedures in the Unemployment Insurance Code and Title 22. All disputes relating to an employee's denial of benefits are not grievable or arbitrable. This does not change either party's contractual rights which are not related to an individual's denial of benefits.

M. Employees who become covered in the annual leave program while on an NDI claim shall continue to receive NDI pay at the old rate for the duration of the claim.

N. Employees who do not elect the annual leave program will receive NDI benefits in accordance with the current program in section 9.9 and such benefits are limited to \$135.00 per week.

8.20 Department Development Services/LVN Vacation Scheduling

A. On October 1 of each year, each unit/work location in the Department of Developmental Services shall post a vacation calendar in a prominent place readily available to Bargaining Unit 15 (Hospital Worker), 17 (Registered Nurse), 18 and 20 (Licensed Vocational Nurse) employees. For the a.m. and p.m. shifts, the calendar shall clearly indicate by unit/work location (as defined by the program management) and shift, the number of LOC employees that maybe on vacation on each day of the upcoming year. For the NOC shift, the calendar shall

indicate by program, the number of employees that may be on vacation on each day of the upcoming year. The posted vacation time shall be sufficient to permit all employees on each shift to have a vacation sometime during the year. Non-Client residential programs are exempt from coverage but will be governed by terms and conditions provided under the expired Collective Bargaining Agreement.

B. During the period of October 1 to October 31, all employees, without regard to Bargaining Unit classification or seniority, may sign up for no more than two vacation periods for the upcoming calendar year. Each vacation period shall be for consecutive days. The vacation periods combined shall not exceed thirty-two days of vacation days scheduled off during the vacation year, and any one vacation period shall not exceed twenty-four vacation days scheduled off. Each vacation period shall be separated by at least twenty-two days worked.

1. Vacation requests shall not exceed the employee's accrued vacation time balance at the time(s) the vacation(s) is taken.
2. No other accumulated/acrued time shall be authorized for the purpose of requesting vacation time off.
3. During the above period, management will not intervene to resolve conflicts in the vacation requests.

C. Beginning November 1 and ending the close of November 30, those employees with overlapping vacation requests that would result in exceeding the authorized vacation posting shall be notified. These employees will be given the opportunity to modify their vacation choices through discussion and compromise among the affected employees. Where these discussions do not result in compromise and agreement among the affected employees, the most senior employee's vacation request shall prevail if the employees are in the same bargaining unit. Conflicts between employees of different bargaining units shall be resolved by lot (coin toss). If an employee does not obtain his/her bid vacation, he/she will be provided the same duration of time off as bided as determined by management, or the employee may bid on the remaining unbid vacation time.

D. On December 7, program management shall post the vacation calendar for the upcoming vacation year.

E. Program management shall post an hoc calendar on a quarterly basis for the purpose of identifying potential time slots.

The calendar shall be posted on or about December 20 for the January/March quarter and by the 20th day of the last month of each quarter thereafter.

1. Program management shall maintain full and unabridged discretion to determine the time slot(s) subject to cancellation for operational needs
2. the ad hoc calendar shall be obtained on a first-come, first-served basis without regard to what type of employee time accrual is used to request the time slot(s) off.

F. When an employee cancels a vacation period, the State shall make a reasonable effort to make all or part of the time available on the ad hoc calendar.

G. A reasonable effort shall be made to honor vacation time when an employee transfers to another position within the facility. If it cannot be honored, the employee will be guaranteed the equivalent time off at another time, as determined by management.

H. Nothing in this agreement shall prevent program management from granting additional time in excess of the ad hoc calendar.

I. If an ad hoc time slot is available, an employee who elects to use a personal holiday, it shall be granted if the request is made at least five (5) calendar days in advance.

J. The above vacation scheduling procedure supersedes the "DDS Vacation Scheduling" method and nullifies all other prior understandings over intent or application of vacation scheduling and ad hoc time off unless explicitly incorporated into this provision.

8.21 Family Medical Leave Act (FMLA)

A. The State acknowledges its commitment to comply with the spirit and intent of the leave entitlement provided by the FMLA and the California Family Rights Act (CFRA) referred to collectively as "FMLA." The State and the Union recognize that on occasion it will be necessary for employees of the State to take job-protected leave for reasons consistent with the FMLA. As defined by the FMLA, reasons for an FMLA leave may include an employee's serious health condition, for the care of a child, spouse, or parent who has a serious health condition, and/or for the birth or adoption of a child.

B. For the purposes of providing the FMLA benefits the following definitions shall apply:

1. An eligible employee means an employee who meets the eligibility criteria set forth in the FMLA;
2. An employee's child means any child, regardless of age, who is affected by a serious health condition as defined by the FMLA and is incapable of self care. "Care" as provided in this section applies to the individual with the covered health condition;
3. An employee's parent means a parent or an individual standing in loco parentis as set forth in the FMLA;
4. Leave may include paid sick leave, vacation, annual leave, personal leave, catastrophic leave, holiday credit, excess hours, and unpaid leave. In accordance with the FMLA, an employee shall not be required to use CTO credits, unless otherwise specified by Section 8.8 of this Contract.
 - a. FMLA absences due to illness and/or injury of the employee or eligible family member, may be covered with the employee's available sick leave credits and catastrophic leave donations. Catastrophic leave eligibility and sick leave credit usage for a

FMLA leave will be administered in accordance with Section 8.8 and 8.2 of this Contract.

b. Other leave may be substituted for the FMLA absence due to illness and/or injury, at the employee's discretion. An employee shall not be required to exhaust all paid leave, before choosing unpaid leave, unless otherwise required by Section 8.8 of this Contract.

c. FMLA absences for reasons other than illness and/or injury (i.e., adoption or care of an eligible family member), may be covered with leave credits, other than sick leave, including unpaid leave, at the employee's discretion. Except in accordance with Section 8.8 of this Contract, an employee shall not be required to exhaust all leave credits available before choosing unpaid leave to cover an FMLA absence.

C. An eligible employee shall be entitled to a maximum of twelve (12) workweeks (480 hours) FMLA leave per defined year and all other rights set forth in the FMLA. This entitlement shall be administered in concert with the other leave provisions in Article 8 of this Contract. Nothing in this Contract should be construed to allow the State to provide less than that provided by the FMLA.

D. An eligible employee shall provide certification of the need for an FMLA leave. Additional certification may be requested if the department head or designee has reasonable cause to believe the employee's condition or eligibility for FMLA leave has changed. The reasons for the additional certification request shall be provided to the employee in writing.

E. FMLA leave shall be recorded in accordance with the 12 month "rolling backward" year. A "rolling" 12-month period is measured backward from the date the employee uses any FMLA leave. Each time an employee takes an FMLA leave, the remaining leave entitlement is any balance of the twelve (12) workweeks that has not been used during the preceding twelve (12) months.

F. An employee on FMLA leave has a right to be restored to his/her same or "equivalent" position (FMLA) or to a "comparable" position (CFRA) with equivalent pay, benefits, and other terms and conditions of employment.

G. For the purposes of computing seniority, employees on paid FMLA leave will accrue seniority credit in accordance with the Department of Personnel Administration Rules 599.608 and 599.609.

H. Any appeals regarding an FMLA decision should be directed to the department head or designee. FMLA is a Federal law and administered and enforced by the Department of Labor, Employment Standards Administration, Wage and Hour Division. The State's CFRA is a State law which is administered and enforced by Department of Fair Employment and Housing. FMLA/CFRA does not supersede any article of this Contract which provides greater family and medical leave rights. This section is not subject to grievance or arbitration.

The intent of this Section is to assist an employee's voluntary efforts to treat alcoholism, nicotine use, or a drug related or a stress-related problem.

B. Each department head or designee shall designate an Employee Assistance Program Coordinator who will arrange for programs to implement this Section. Employees who are referred to an Employee Assistance Program Coordinator will be referred by the appropriate management personnel. An employee undergoing alcohol, nicotine, drug, or mental health treatment, upon approval, may use accrued sick leave credits, CTO credits, vacation and holiday credits for such a purpose. An employee is not eligible for a second disability benefit due to the same or related cause or condition unless they have returned to work for at least ten (10) consecutive work days. Paid leave shall not be used to cover the ten (10) work days.

B. The employee shall serve a ten (10) consecutive calendar day waiting period before NDI payments commence for each disability. Accrued vacation or sick leave balances may be used to cover this waiting period. The waiting period may be waived commencing with the first full day of confinement in a hospital or nursing home. Said pay shall be limited to out-of-class work performed (a) during the one year calendar day period before the employee's grievance was filed; and (b) the time between when the grievance was filed and finally decided by an arbitrator.

ARTICLE 17 – RETIREMENT

17.1 First Tier Retirement Formula (2% @ 55)

A. The Union and the State (parties) agree that the legislation implementing this agreement shall contain language to enhance the current age benefit factors on which service retirement benefits are based for Miscellaneous and Industrial members of the First Tier plan under the Public Employees' Retirement System (CalPERS). The parties further agree that the provisions of this article will be effective only upon the CalPERS board adopting a resolution that will employ, for the June 30, 1998 valuation and thereafter, 95 percent (95%) of the market value of CalPERS' assets as the actuarial value of the assets, and to amortize the June 30, 1998 excess assets over a twenty (20) year period, beginning July 1, 1999. The parties agree to jointly request the CalPERS board to extend the twenty (20) year amortization period in the event the cost of these benefits or unfavorable returns on investments results in an increased employer contribution by the State.

B. The legislative language would provide the enhanced benefit factors to State employees who retire directly from State employment on and after January 1, 2000.

C. The table below compares the current First Tier age benefit factors to the improved factors that the proposed legislation would place in the part of the Government Code administered by CalPERS.

AGE AT RETIREMENT	CURRENT FACTORS	PROPOSED FACTORS
50	1.092	1.100
52	1.224	1.460
53	1.296	1.640
54	1.376	1.820
55	1.460	2.000
56	1.552	2.063
57	1.650	2.125
58	1.758	2.188
59	1.874	2.250
60	2.000	2.313
61	2.134	2.375
62	2.272	2.438
63 and over	2.418	2.500

D. There would be factors for attained quarter ages, such as 52 $\frac{3}{4}$, that will be included in the proposed legislation. These improved age benefit factors will apply for service rendered on and after the effective date of the memorandum of understanding between the State and the Union. The improved factors will also

apply to past service that is credited under the First Tier and the Modified First Tier.

E. The amount of member contributions required of employees who will be covered under these new factors will continue to be five percent (5%) of monthly compensation in excess of \$513.

The parties agree to jointly request the CalPERS board to extend the twenty (20) year amortization period in the event the cost of these benefits or unfavorable returns on investments results in an increased employer contribution by the State.

B. The legislative language would allow an employee in the Second Tier to exercise the Tier 1 right of election at any time after the effective date of this legislation. An employee who makes this election would then be eligible to purchase past Second Tier service. The parties will work with CalPERS to establish more flexible purchase provisions for employees. These include, but are not limited to, increasing the installment period from 96 months (8 years) to 144 months (12 years) or up to 180 months (15 years), and allowing employees to purchase partial amounts of service.

C. New employees who meet the criteria for CalPERS membership would be enrolled in the First Tier plan and have the right to be covered under the Second Tier plan within 180 days of the date of their appointment. If a new employee does not make an election for Second Tier coverage during this period, he/she would remain in the First Tier plan.

D. Employees who purchase their past service would be required to pay the amount of contributions they would have paid had they been First Tier members during the period of service that they are purchasing. As required by CalPERS

The parties agree to jointly request the CalPERS board to extend the 20 year amortization period in the event the cost of these benefits or unfavorable returns on investments results in an increased employer contribution by the State.

B. The parties agree to support legislation that will improve the age benefit factors from age 50 to 55 for Safety members. The age benefit factor at age 55 for members of this Union will be 2.5 percent of compensation for each year of service.
