## **SECTION 6. UNION SECURITY**

### **6.1 Designation of Management, Supervisory and Confidential Employees**

- a. Except as provided otherwise herein, the provisions of this Section shall apply to all employees in classifications covered under this Agreement when on paid status.
- b. However, the provisions of this Section shall not apply to individual employees of the Fire Department who have been properly and finally determined to be management, confidential or supervisory employees pursuant to Section 16.208 of the Administrative Code (Employee Relations Ordinance).
- c. When the Employee Relations Director receives a request from the Chief of the Fire Department or designee to designate position(s) as management, supervisory or confidential, the Employee Relations Director shall give the Union notice of such request. The Union shall have ten (10) business days within which to request a meeting to discuss the requested designation(s). Upon request of the Union, the Employee Relations Director and the Union shall meet to discuss the requested designation(s). The Employee Relations Director shall thereafter approve or disapprove the requested designation(s).
- d. If the Union disagrees with such designation(s), the Union may submit the matter to an Administrative Law Judge for hearing and final determination.
- e. Designation(s) of position(s) by the Employee Relations Director as management, supervisory or confidential for which no challenge has been filed by the Union shall result in termination of agency shop fees if applicable. Challenges of designation(s) by the Union shall result in agency shop fees being placed in escrow until the disagreement is resolved by an Administrative Law Judge. Following final determination by the Administrative Law Judge, the fees shall be dispersed to either the employee or the Union depending on who prevails.

## 6.2 Agency Shop

Every employee of the City in the Unit shall, as a condition of continued employment, become and remain a member of the Union, or in lieu thereof, shall pay a service fee to the Union. The fair share service fee payment shall be established annually by the Union, provided that such fair share agency shop service fee will be used by the Union only for the purposes permitted by law.

## 6.3 Payroll Deductions

- a. The Union shall provide the Employee Relations Director with a current statement of membership dues and service fees. Such statement of membership dues and service fees shall be amended as necessary.
- b. The City Controller may take up to thirty (30) days to implement changes in membership dues and service fees after receipt by the Employee Relations Director of an amended statement of dues and fees.
- c. The Controller shall continue to make deductions of membership dues or service fees, as appropriate, from the regular periodic payroll warrant of each member of the Unit.
- d. Nine (9) business days following payday, the City will promptly pay over to the Union all sums withheld for membership dues and service fees. The City shall provide, with each payment, a list of employees paying membership dues and a list of employees paying service fees. All such lists shall contain the employee's name, employee number, classification, and amount deducted.

## 6.4 Financial Reporting

Annually, the Union will provide an explanation of the service fee and sufficient financial information to enable the service fee payer to gauge the appropriateness of the fee. The Union will provide a reasonably prompt opportunity to challenge the amount of the fee before an impartial decision maker not chosen by the Union and will make provision for an escrow account to hold amounts reasonably in dispute while challenges are pending.

## 6.5 Religious Exemption

Any employee in the Unit, who is a member of a bona fide religion, body or sect which has historically held conscientious objections to joining or financially supporting a public employee organization and is recognized by the National Labor Relations Board to hold such objections to Union membership, shall upon presentation of membership and historical objection be relieved of any obligation to pay dues or fees to the Union. The Union shall be informed in writing of any such objections.

## 6.6 Hudson Compliance

The Union shall comply with the requirements set forth in Chicago Teachers Union v. Hudson, 475 U.S. 292 (1986) for the deduction of agency shop fees. Annually, the Union shall certify in writing to the City that the Union has complied with the requirements set forth in this section and in Hudson.

## **SECTION 7. MEDIA RELATIONS**

- 7.1 Elected officers or appointed committee chairpersons of the Union shall be allowed to speak or comment to the media while on duty provided they change into civilian clothes and provided further, that they do not purport to represent the views of the Department. The Chief's office shall be informed in advance, whenever possible, of such contact with the media. No member shall leave their duty or work station without specific prior approval of the Chief of the Department or authorized management official. Approval shall include consideration of the operating needs and work schedules of the Department or division to which the member is assigned.

## **SECTION 8. BULLETIN BOARDS, DISTRIBUTION OF MATERIALS, AND ANNOUNCEMENTS**

- 8.1 A reasonable amount of space on bulletin boards within Fire Department facilities shall be made available for the dissemination of Union literature. All literature shall be dated, shall be identified by affiliation and author, and shall be neatly displayed, and removed from said bulletin board when no longer timely. The Department agrees that Union literature shall not be removed from said bulletin boards without first consulting with the station steward or Union officer to determine if the literature should remain for an additional period of time. The Department is authorized to remove any literature not posted within the specific limits of this Section upon notifying the appropriate Union representative.
- 8.2 Distribution of Union literature by any Union member shall be done so as not to interfere with or interrupt the performance of official Fire Department duties.
- 8.3 The San Francisco Fire Department agrees to issue for posting through its e-mail system Union notices about Union events and activities, provided that the Union submits its request by e-mail twenty-four (24) hours in advance or by other written means forty-eight (48) hours in advance. If the request is time-sensitive, the Union shall so indicate in its request and, simultaneously with the issuance of the e-mail notice, the Department shall announce over the public address system that an e-mail notice has been issued and the general subject of the notice. Any such notice through the e-mail system shall be

accompanied by a statement that the information conveyed thereby is being provided by the Union and that the transmission is authorized by the Department.

**SECTION 9. SALARY**

9.1 General Wage Increase

Base wages shall be increased as follows:

Effective July 1, 2001	3%
Effective January 5, 2002	2%
Effective July 1, 2002	2.5%
Effective January 4, 2003	2.5%

9.2 Special Market Wage Adjustments

To address market inequities, all represented classifications shall additionally receive the following market wage adjustments:

July 1, 2001	1%
January 5, 2002	2%
July 1, 2002	1.5%
January 4, 2003	1.5%

9.3 Newly hired H-2 employees shall enter at salary step 1. Advancement to step 2 shall be upon satisfactory completion of the probationary period. Advancement to subsequent steps shall be upon completion of one year of service at that step. Salary adjustments shall be made effective the first full pay period following the effective date.

9.4 The Department will continue to post the schedule of employee wage rates.

**SECTION 10. PARITY**

10.1 The parties agree that in the event any salary (general base wage) increase is hereafter agreed to, granted or awarded to the members of the San Francisco Police Officers' Association which results in a disparity between the base wage of Q2 Police Officer and H-2 Fire Fighter, a salary (general base wage) increase shall be automatically implemented for the members of this bargaining unit in the amount necessary to maintain base wage salary parity between H-2 Fire Fighter and Q2 Police Officer.

## **SECTION 11. RETIREMENT**

- 11.1 City Pick Up Of Member Contributions. In addition to the amounts the Charter requires the City to contribute to the retirement system, the City shall continue to pick up the entire employee's share of retirement contributions to the San Francisco City & County Employees' Retirement System (SFERS).
- 11.2 The aforesaid contributions shall not be considered as a part of an employee's salary for the purpose of computing straight time earnings, compensation for overtime worked, premium pay, retirement benefits, or retirement contributions; nor shall such contributions be taken into account in determining the level of any other benefit which is a function of or percentage of salary.
- 11.3 The City shall not treat these contributions as compensation subject to income tax withholding unless the Internal Revenue Service or Franchise Tax Board indicates that such contributions are taxable income subject to withholding. Each employee shall be solely and personally responsible for any federal, state or local tax liability of the employee that may arise out of the implementation of this section or any penalty that may be imposed therefor.
- 11.4 Pre-Retirement Planning Seminar:  
The City shall offer a Pre-Retirement Planning Seminar for bargaining unit members on a semi-annual basis. Bargaining unit members shall be offered the opportunity to attend this seminar in the order of the number of years of service credit they have towards retirement. The Fire Department may offer to schedule other bargaining unit members to attend the seminar when special circumstances warrant such selection. The seminars will be administered by the San Francisco Fire Department Division of Training in consultation with the Union at a location to be mutually agreed to by the parties. Unused carry forward monies from the Tuition Reimbursement Program as provided in this Agreement will be used to cover the cost of these seminars.

## **SECTION 12. HOURS**

- 12.1 Fire Suppression personnel and employees in classification of H-3 Fire Fighter/Paramedic and H-33 EMS Captain who are not assigned to administrative assignment shall work a 24-hour shift (two (2) consecutive twelve-hour watches) and a 48-hour average work week, on an alternating (A, B, C) work schedule, and a 21-day tour of duty. Each such 24-hour shift shall commence at 0800 hours and continue through to 0800 hours the following day.
- 12.2 Fire Prevention personnel shall work a 10-hour shift and a 40-hour average work week. Except by consent of the individual, such personnel shall receive three (3) consecutive days off.

- 12.3 Fire Investigation personnel assigned to Fire Suppression shall work a 24-hour shift commencing at 1200 hours and continue through 1200 hours the following day. Fire Investigation personnel shall work a 48-hour average work week.
- 12.4 Uniformed Administrative personnel shall work a 40-hour week. Daily work schedules to be set by the Bureau or Division Chief or Chief of Department.

### **SECTION 13. OVERTIME COMPENSATION**

- 13.1 The Chief of the Department or designee may require members to work longer than the regular work day or the regular work week. Subject to the provisions below, any time actually worked under proper authorization or suffered to be worked in excess of the number of hours normally scheduled shall be designated as overtime and shall be compensated at one and one half (1-1/2) times the base hourly rate, except as otherwise required by the FLSA. For the purposes of this section, statutory holidays and vacation hours shall be counted as hours worked. Overtime compensation so earned shall be computed subject to all the provisions and conditions set forth herein.
- 13.2 In addition, when the Chief of the Department or designee requires a member to return to work at a time other than the member's regularly scheduled shift, such mandatory work time shall be compensated as overtime.
- 13.3 The method of assigning overtime shall be in accordance with a procedure developed by the Fire Department and the Union. Said procedure shall provide a fair and equitable method for assigning overtime, so each member of the bargaining unit shall have as equal an opportunity as possible, taking into consideration operational needs, to be scheduled to work overtime.
- 13.4 Members working a forty (40) hour workweek (i.e., 80 hours biweekly) who accept a suppression overtime assignment shall be compensated at the appropriate suppression hourly rate (i.e., based on the 96-hour biweekly rate).

### **SECTION 14. COMPENSATORY TIME ("TIME COMING")**

- 14.1 Members may request to earn compensatory time off at the rate of time-and-one-half in lieu of paid overtime at the rate of time-and-one-half, subject to the approval of the Chief of the Department. The maximum amount of accumulated compensatory time ("time coming") shall be 480 hours. Once a bargaining unit member reaches this maximum, the member can only be paid in cash for all work for which he or she would otherwise be eligible and approved to earn compensatory time.

14.2 All bargaining unit members shall be entitled to use their compensatory time upon reasonable notice provided that such time off is not unduly disruptive to the operations of the Department.

14.3 In accordance with 29 U.S.C. 207(o)(5), no request for the use of compensatory time shall be denied on the basis that such use of compensatory time will require the hiring of a replacement on overtime.

14.4 Restrictions on Requests for Non-Emergency Time Coming

a. In order to provide consistent staffing throughout each tour of duty, all time-coming, for employees assigned to 24-hour shifts, will be granted in increments of twelve (12) hours, corresponding to the member's assigned watch. In this way, members who use compensatory time-coming can be replaced and proper staffing levels maintained.

b. Exchange of time-coming will only be allowed between members of the same rank.

14.5 Emergency Time Coming

a. Emergency use of time-coming may be granted to officers and members of fire suppression companies by the on-duty battalion chief. Firefighters shall request such use through their company officer.

b. During regular office hours, the granting officer shall verify with the Bureau of Assignments that the member has sufficient time accumulated to satisfy the request. If emergency compensatory time is requested and granted after normal Bureau of Assignments office hours, the granting Chief Officer shall verify and report the requesting member's time-coming balance by contacting the Bureau of Assignments (between 0700 and 0800 hours) prior to the completion of the Tour of Duty.

c. Form 418.2 shall be completed and signed by the granting officer, and submitted through channels to the Bureau of Assignments immediately after verification.

d. Emergency use of time-coming may be granted to non-suppression members by their immediate superior. Verification and report requirements are the same as for members of fire suppression companies.

**SECTION 15. STANDBY PAY**

15.1 Employees who, as part of the duties of their positions, are assigned in writing by the Chief of the Department or designee, to standby service while off duty to be instantly available shall have a paging device or cell phone made available to use during the period of standby service. Such employees shall be paid ten percent (10%) of base pay for the period of such standby service. When such employees are called to perform their duties, they shall be paid at their regular rate of pay at the appropriate straight-time or overtime rate for all time while engaged in the performance of their duties plus actual travel time to and from the assignment not to exceed one (1) hour of travel time each way.

**SECTION 16. SENIORITY LIST**

16.1 The Fire Department shall maintain and post biannually a current seniority list on approximately January 1 and July 1 of each year during the term of this Agreement.

**SECTION 17. DEFINITION OF SENIORITY**

17.1 Departmental seniority shall be determined by continuous service in the Fire Department calculated from the date of employment in a uniformed rank in the Department. Seniority in rank shall be calculated from date of appointment to the rank. Continuous service shall be broken only by resignation, discharge or retirement. This section is not intended to change the current rules of the San Francisco Fire Department regarding seniority.

17.2 Notwithstanding the above, seniority within the rank of H-3 Firefighter Paramedic for members who were in the Department as of July 1, 1997 and who completed paramedic training by February 1, 2000 shall be calculated using an "odd/even" plan as follows: members appointed to this rank who previously held permanent appointment to the rank of H-2 Firefighter shall be assigned odd seniority numbers and members who previously held permanent appointment to the rank of H-1 Firefighter Paramedic shall be assigned even seniority numbers. For members who were not in the Department as of July 1, 1997, seniority within the rank of H-3 Firefighter Paramedic shall be calculated from the date of the appointment to the H-3 rank, except that seniority for members in the fourth and fifth paramedic classes shall be in accordance with General Order 99 A-99. Seniority numbers previously granted to H-3 Firefighter Paramedics will remain the same.

17.3 Further, seniority within the rank H-33 EMS Captain shall be identical with that of the DPH Paramedic Division sign up roster for all persons appointed to the H-33 rank from class 2534.

- 17.4 Seniority for employees appointed to the same rank on the same day shall be calculated for new employees using the Department's lottery method and for promotional employees, by using an employee's ranking on the eligibility list of said rank.

## **SECTION 18. ASSIGNMENTS AND TRANSFERS**

- 18.1 Assignments and transfers shall be made pursuant to the provisions of Article No. 39, Rule 3953 of the Rules and Regulations of the Fire Department.
- 18.2 Employees who are appointed from the rank of H-2 Firefighter to the rank of H-3 Firefighter/Paramedic shall be entitled to reinstate to the rank of H-2 Firefighter after five (5) years of continuous service in the rank of H-3 Firefighter/Paramedic, except that such reinstatement may be permitted at an earlier date in cases of extreme personal hardship or when a H-3 Firefighter/Paramedic can no longer perform the duties of a paramedic and is able to perform the duties of Firefighter subject to the approval of the Chief of Department.
- 18.3 All reinstatements will become effective based on the Department's assessment of its operational needs and service to the public. Upon reinstatement, the employee's years of service in the rank of H-3 Firefighter/Paramedic shall be counted as years of service in the rank of H-2 Firefighter for the purpose of determining seniority in that rank.
- 18.4 Vacant Tour Assignments within Suppression shall be awarded by seniority on the basis of the then current seniority list.

### Assignment of Apparatus Operators, Emergency Medical Technicians and Associated Relief Personnel

- 18.5 Assignment to permanent vacancies in designated Apparatus Operator and EMT positions will be in accordance with §3953 of the Rules and Regulations. Personnel holding permanent assignment to these positions will keep the position, providing they remain qualified and subject to the provisions of §3953 of the Rules and Regulations.
- 18.6 Short term vacancies, sixty (60) days or less, will be filled on a daily basis by a qualified person in the following order:
- a. Assigned members in the company by seniority, provided that such member is regularly scheduled for work on that day in that company.
  - b. Assigned members in the station by seniority.
  - c. Vacation relief or detailed members by seniority.

**NOTE:** Vacation relief personnel will not be assigned to an Apparatus Operator or EMT position if there is a qualified permanent member in the company or station willing to be temporarily assigned to the position.

- 18.7 Long term vacancies, more than sixty (60) days, will be temporarily filled, until the position is advertised and permanently filled, by a qualified person in the following order:
- a. Assigned members in the company as designated by the Captain of the company, with due regard for seniority.
  - b. Assigned members in the station as designated by the Captain of the company, with due regard for seniority.
  - c. Vacation relief personnel will be assigned to the position by the Bureau of Assignments, with due regard for seniority.

**NOTE:** Vacation relief personnel will not be assigned to an Apparatus Operator or EMT position if there is a permanent qualified member in the company or station willing to be temporarily assigned to the position.

- 18.8 In no case may a person own two positions.
- 18.9 Temporary reassignments may not be made of personnel occupying a similar assignment in the same or another company.

Assignment to the Emergency Communications Department (“ECD”)

- 18.10 It is the goal of the City and County of San Francisco to staff the ECD with non-uniformed dispatchers.
- 18.11 The regular schedule for members assigned to the ECD shall be a twelve (12) hour shift and a forty-two (42) hour average workweek. - 34.2 The Union agrees that its members shall be subject to all Civil Service and Fire Department Rules and Regulations, and to all General Orders of the Fire Department, including those relating to conduct and work performance. The parties agree that this section does not alter the parties' respective positions on the application of Charter Section A8.590 et seq. to disputes over changes to Civil Service Commission Rules or changes to employment practices within the scope of those Rules. The above subject matters are not subject to the grievance procedure contained in this MOU.

- 41.2 In addition, subject to the discretion of the Chief, all apparatus operators involved in a vehicular accident may be subject to a physical examination.
- 41.3 Recognizing that alcoholism and drug abuse are illnesses, it is the City's policy to prevent substance abuse and to provide employees with the opportunity to participate in a rehabilitation program. Employees with substance abuse problems are encouraged to seek medical or professional assistance.
- 41.4 Any bargaining unit member ordered to undergo a mandatory physical examination for reasonable suspicion may request the presence of a Union representative at all times while being examined. However, the inability to secure the presence of a Union representative shall not be cause to delay the administration of the mandatory physical examination.
- 41.5 Any test that is conducted shall be at the City's expense.

**SECTION 42. PHYSICAL FITNESS PROGRAM**

- 42.1 The Joint Labor/Management Physical Fitness Committee consisting of four (4) members, two (2) appointed by the Chief of Department and two (2) appointed by the Union shall develop a physical fitness program for the Department to maintain and improve the health and fitness of members and reduce injuries.

## **SECTION 44. TEMPORARY MODIFIED DUTY ASSIGNMENTS**

- 44.1 The Department will make a good faith effort to place eligible members, who sustain a temporary injury or illness and who are thereby unable to perform the assigned functions of their regular positions, in available temporary modified duty assignments. Any such assignment must be appropriate for the member's medical restrictions, as determined by the member's treating physician or, where appropriate, the City's independent medical expert, and as reviewed and approved by the Department's physician. If the Department's physician or, where appropriate, the City's independent medical expert, determines after medical examination and/or review of medical records and upon consultation with the member's treating physician, that the member cannot fully return to his or her regular position within one (1) year, the member is not eligible for a temporary modified duty assignment.
- 44.2 Effective upon the date of ratification of this Agreement, members who sustain non-industrial injuries or illnesses are not eligible for temporary modified duty assignments for the following waiting periods after notifying the Department of the injury or illness: twenty (20) calendar days during the first year of employment after graduation from the SFFD Academy; forty (40) calendar days during the second year of employment, and sixty (60) calendar days after the end of the second year of employment, and thereafter. During this waiting period, members should use accrued sick leave, or if the member's sick leave balance is exhausted, other approved leave. Pregnant members are entitled to request to go on temporary modified duty without any waiting period.
- 44.3 Duties of the temporary modified duty assignment may differ from the member's regular job duties and/or from the job duties regularly assigned to members in the same rank. When an appropriate temporary modified duty assignment is not available within the member's rank, and/or on the member's regular shift, the member may be temporarily assigned pursuant to this section to work in another rank and/or classification, and/or on a different shift, subject to the approval of the Chief of the Department or designee.
- 44.4 At the end of thirty (30) days of a temporary modified duty assignment, and every thirty (30) days thereafter, the Department's physician may review the member's medical condition and determine, after consultation with the member's treating physician or, where appropriate, the City's independent medical expert, whether the member is able to return to his or her regular assignment. If it is determined that the member is not then

able to return to his or her regular assignment, the Department may extend the temporary modified duty assignment for periods of thirty (30) days, up to a maximum of one (1) year.

- 44.5 Effective upon the date of ratification of this Agreement, a member placed in a temporary modified duty assignment shall receive compensation at his/her normal compensation including applicable holiday pay as provided in Section 20, Administrative Assignment Pay as provided in Section 28, Training and Education Achievement Pay as provided in Section 24 and Retention Pay as provided in Section 29.7. However, if a member, who sustains a temporary industrial injury or illness after having worked at least ten (10) consecutive days at a higher classification, is placed in a temporary modified duty assignment, the member shall receive compensation at the higher rate of pay which he/she was receiving at the time of such injury or illness for a period not exceeding a total of twelve (12) months, including periods of temporary modified duty and periods of disability leave. Compensation while on temporary modified duty and/or disability leave in excess of twelve (12) months shall revert to the member's normal compensation as described above.
- 44.6 If a member is denied a temporary modified duty assignment, or when a temporary modified duty assignment ends, the Department will consider and discuss with the member the following options: (1) returning the member to the full duties of his or her regular or working out of classification assignment; (2) granting a request for a disability accommodation under the Americans with Disabilities Act and/or similar provisions of state law; (3) initiating a disability retirement; (4) providing an unpaid leave of absence pursuant to the Civil Service Rules; (5) allowing sick leave or leave under the Family Medical Leave Act or similar provisions of state law; (6) providing a disability transfer to another City job pursuant to City policies; (7) initiating a non-punitive separation if none of the above are appropriate.
- 44.7 The Department will discuss the available options with members who are on temporary modified duty as of January 5, 2002, and determine whether they are eligible under the Department's modified duty policy to continue on temporary modified duty, or whether one of the other options set forth above is appropriate. If such members are continued on temporary modified duty, the first day of such duty shall be deemed to be January 5, 2002. If such a member is otherwise ineligible under the Department's modified duty policy, the member shall be entitled to a temporary modified duty assignment for a period of twelve (12) months starting January 5, 2002, in the case of an industrial injury or illness, or three (3) months starting January 5, 2002, in the case of a non-industrial injury or illness. At the end of the appropriate time period, the member will be subject to the provisions of Section 44.6.
- 44.8 If a member is placed in a temporary modified duty assignment, he or she will be required to sign an acknowledgement confirming that he or she understands and agrees to abide by the provisions set forth in this section.

- 44.9 This section does not modify, alter or affect any rights members may have under the law, including but not limited to rights under the San Francisco Charter, the San Francisco Administrative Code, the California Labor Code, the California Government Code and the Americans with Disabilities Act, concerning disability, disability leave, disability retirement, and/or workers compensation.
- 44.10 This section shall not be subject to the grievance or arbitration procedures of this Agreement except for an allegation that this section has been administered in an arbitrary manner.

#### **SECTION 45. PERSONNEL FILES**

- 45.1 The Deputy Chief, Administration or designee shall maintain one official personnel file for each member. Members or their authorized representatives have the right to examine the contents of their official personnel file maintained by the Deputy Chief, Administration during business hours Monday through Friday excluding legal holidays. Adverse comments may not be placed in a member's official personnel file unless and until the member has been informed that such comments are to be placed in his or her file and a notation has been made on the face of the document of the date and time when the member was so informed. Members may cause to be placed in their official personnel file all such responses as they deem appropriate to adverse material inserted therein. Members may also request to be placed in their official personnel file a reasonable amount of correspondence as determined by the Deputy Chief, Administration originating from other sources directly related to their job performance.
- 45.2 Only persons authorized by the Deputy Chief, Administration or designee may review a member's master personnel file in compliance with the Citywide Employee Personnel Records Guidelines.
- 45.3 Formal reprimands without further penalty more than two (2) years old, and those with additional penalty more than five (5) years old, will not be considered for purposes of promotion, transfer or special assignments. All members shall have the right to review their official personnel file to identify all such documents. Upon concurrence of the Deputy Chief, Administration that such documents have been appropriately identified, they will be placed in an envelope, sealed and initialed by the member. The envelope will be placed in the member's personnel file and will be opened only in the event that the member is in the future subject to discipline or access is deemed by the City to pertain to investigations, EEO compliance, Consent Decrees or other legal or administrative proceedings.

#### **SECTION 46. EMPLOYEE TRAINING AND REIMBURSEMENT PROGRAMS**

- 46.1 The City shall provide all ranks requiring EMT certification and/or paramedic certification/licenses with such training as is necessary to maintain such certification

and/or license and shall pay all fees and costs related thereto, including but not limited to the fees charged by other public agencies for issuance of licenses or certificates. Such training shall be provided during each employee's regularly scheduled hours of work whenever possible. In the event an employee is assigned to attend such training during hours other than the employee's regularly scheduled hours of work, those hours shall be compensated as overtime worked in accordance with the overtime provisions of this Agreement.

- 46.2 The City shall provide employees in the ranks of H-3 Firefighter/Paramedic who request to qualify as a Preceptor with the appropriate training subject to approval of the Chief of Department. Such training shall be provided during each employee's regularly scheduled hours of work whenever possible. In the event an employee is assigned to attend such training during hours other than the employee's regularly scheduled hours of work, those hours shall be compensated as overtime worked in accordance with the overtime provisions of this Agreement. The City shall pay all fees and costs related to such training.
- 46.3 The City shall pay for all applicable Relicensure or any other fees required to maintain a California State Paramedic license for employees in the ranks of H-3 Firefighter/Paramedic and H-33 EMS Captain.
- 46.4 In order to maintain their fire suppression skills, all uniformed members in the Bureau of Fire Prevention and the Bureau of Fire Investigation shall attend a minimum of eight (8) hours of training per year at the Division of Training to cover all aspects of structural fire fighting, including ladder raising and use of SCOT air packs and forcible entry tools.

## **SECTION 47. AMERICANS WITH DISABILITIES ACT**

- 47.1 The parties agree that they are required to provide reasonable accommodations for persons with disabilities in order to comply with the provisions of the American with Disabilities Act and further agree that this Memorandum will not be interpreted,

administered or applied in any manner which is inconsistent with said Act. The City reserves the right to make reasonable accommodations to comply therewith.

## **SECTION 48. GRIEVANCE PROCEDURE**

- 48.1 A grievance is any dispute over the application or interpretation of this Agreement, including the arbitrability thereof. Grievances shall be settled in the following manner:
- 48.2 Grievances may be filed either by a member of the bargaining unit or by the Union through its President and/or such other officers which the Union designates as officers with that authority, provided, however, that a member of the bargaining unit may file a grievance alleging a violation of this Agreement, or advance any such grievance to the next step in this grievance procedure, only with the consent of the Union through its President and/or such officers which the Union designates as officers with that authority.
- 48.3 Grievances shall specify the section of this Agreement that is alleged to have been violated, the facts giving rise to the alleged violation, and the remedy requested for the alleged violation. The City may reject a grievance which fails to comply with these requirements; however, grievances may be amended and resubmitted at any time before Step III of this grievance procedure, provided that the amendment does not materially change the substance of the grievance.
- 48.4 The purpose of the time limits in this grievance procedure is to hasten the resolution of grievances. These time limits may only be modified by agreement between the parties. In the event the Chief of Department or Director of Employee Relations fails to provide the Union with a response to a grievance filed by the Union within the time limits specified herein, the grievance shall be deemed to have been denied on the last day for the provision of such response and the Union may advance the grievance to the next step in the grievance procedure. In the event the Union fails to advance a grievance to the next step in the grievance procedure within the time limits specified herein, the grievance will be deemed to have been withdrawn. Any time limit concerning grievances that expires on a weekend or a holiday set forth in this Agreement shall expire instead on the next business day.
- 48.5 A grievance should be filed at the lowest step in the grievance procedure in which the City's representative would have the authority to make a final and binding resolution of the grievance. In the event a grievance is filed at a step in the grievance procedure which the City deems inappropriate, the City's representative with whom the grievance was filed shall remand the grievance to the appropriate step.

Step I. If a dispute cannot be informally resolved between a member of the bargaining unit and his or her immediate supervisors, the member may with the approval of the Union's President and/or such other officers which the Union designates as officers with that authority, submit a grievance in writing to the member's

immediate supervisor within thirty (30) days of the alleged violation. The supervisor shall attempt to adjust the grievance and shall provide a written response within fifteen (15) calendar days following receipt of the written grievance.

Step II. If a grievance initiated by either a member of the bargaining unit or the Union is not settled at Step I, or a member's immediate supervisor would not have the authority to make a final and binding resolution of the grievance, the grievance shall be submitted to the Chief of Department, within fifteen (15) calendar days of the last date for the Step I response. The Chief shall provide a written response within fifteen (15) calendar days of receipt of the Step II grievance.

Step III. If the grievance is not settled at Step II, or the Chief of Department would not have the authority to make a final and binding resolution of the grievance, the grievance shall be submitted to the Director, Employee Relations within fifteen (15) calendar days of the last date for the Step II response. The Director, Employee Relations shall provide a written response within fifteen (15) calendar days of receipt of the Step III grievance. If the Director, Employee Relations is unable to resolve the grievance to the mutual satisfaction of the parties, the grievance may, at the request of either the Union or the City, be submitted to arbitration by notifying the Chief of Department and the Director, Employee Relations in writing, within fifteen (15) calendar days of the last date for the Step III response.

Step IV. Arbitration. Within fifteen (15) calendar days after receipt of notice that the Union has elected to submit a grievance to arbitration, the City shall confer with the Union's representative for the purpose of selecting an arbitrator. In the event the Union and the City cannot agree on an arbitrator, an impartial arbitrator shall be selected from a panel of seven (7) qualified and experienced labor arbitrators supplied by the California State Mediation and Conciliation Service upon the request of either party. The parties shall within five (5) calendar days of receipt of the panel, make a selection of an arbitrator by alternately deleting names from such a list until only one (1) name remains. If that person cannot serve, or parties agree not to use that person's services, the parties shall obtain a new list and start the selection over. The first party to delete a name shall be determined by lot. The decision of the arbitrator will be final and binding upon both parties. The hearing shall be conducted in accordance with California Code of Civil Procedure, Sections 1280, *et seq.* Individual grievants shall be released from duty without loss of compensation for the time of the arbitration hearing. Witnesses who are employees and on duty at the time of a scheduled appearance at an arbitration hearing shall be released from duty without loss of compensation for the time required to testify. The parties shall meet at least seven (7) calendar days prior to the arbitration hearing for the purpose of narrowing issues for arbitration, discussing possible stipulations and exchanging documents intended for use at the hearing.

- 48.6 Any and all disputes over the arbitrability of an asserted grievance shall be decided by an arbitrator selected by the parties pursuant to the provisions herein. The arbitrator selected to hear the issue of arbitrability will not adjudicate the merits of the underlying grievance, except as mutually agreed to by both parties.
- 48.7 The arbitrator shall not have the right to alter, amend, delete or add to any of the terms of this Agreement.
- 48.8 Notwithstanding any other provisions of this MOU, disciplinary or punitive actions described in Charter Section A8.343 cannot be grieved or arbitrated. An arbitrator selected pursuant hereto shall have no authority to hear or decide any such disciplinary or punitive actions.
- 48.9 An Arbitrator selected pursuant to this Agreement shall have no power or authority to alter or supersede the Charter, the Civil Service Commission Rules, or the Administrative Code. Any decision or award shall be invalid if it conflicts with any of said provisions and those provisions shall prevail.
- 48.10 An Arbitrator's decision or award shall be invalid to the extent that it orders or requires any legislative act by any Board, Commission, or official except as may pertain to back pay awards.
- 48.11 The parties shall share the jointly-incurred costs of the arbitration proceedings.
- 48.12 Each party shall in good faith divulge to the other party all available material facts at the time said party acquires knowledge thereof concerning the matter in dispute.
- 48.13 Nothing herein shall restrict the right of the City or the Department to initiate grievances under this Agreement. In such instance, only Step III shall be applicable prior to the determination to proceed to arbitration.

#### **SECTION 49. NO WORK STOPPAGES**

- 49.1 It is mutually agreed and understood that during the period this Agreement is in force and effect, the Union and its members will not authorize or engage in any strike as defined by Charter Section A8.346(a), slowdown, or work stoppage against the City and County of San Francisco.

#### **SECTION 50. LABOR-MANAGEMENT COMMITTEE**

- 50.1 There shall be a Labor-Management Committee consisting of three (3) representatives appointed by the President of the Union and three (3) representatives appointed by the

Chief of Department. The Committee shall meet quarterly to discuss employer-employee issues of mutual concern. The Committee shall have the authority to make recommendations to the Union and the Chief of Department, and through the Chief of Department, to the Fire Commission.

**SECTION 51. H-3 ADVISORY COMMITTEE**

51.1 There shall be an H-3 Advisory Committee of three (3) representatives appointed by the President of the Union and three (3) representatives appointed by the Chief of Department. The Committee shall meet monthly to discuss issues concerning H-3 Firefighters/Paramedics. The Committee shall have the authority to make recommendations to the Union and the Chief of Department, and through the Chief of the Department, to the Fire Commission.

**SECTION 52. NEGOTIATION RESPONSIBILITIES**

52.1 Nothing contained herein shall be so construed as to prohibit negotiations mutually agreed to by the parties.

**SECTION 53. SEVERABILITY**

53.1 Should any provision of this Memorandum or the application of such provision to any person or circumstances, be held invalid, the remainder of this Agreement or the application of such provisions to persons or circumstances other than those to which it is held invalid, shall not be affected thereby.

**SECTION 54. TERM**

54.1 This Agreement shall remain in full force and effect from July 1, 2001, to and including June 30, 2003.

54.2 The provisions of this Agreement shall be effective on the effective date stated above except as otherwise specifically provided.

54.3 The parties agree to establish a negotiation schedule for a new agreement 180 days prior to the termination of this Agreement.
