

Speech communities

- Language is born in social class and community.
- Education is the process of transitioning from the language of the community to the language of a profession.

Speech of Community

Academic Discourse

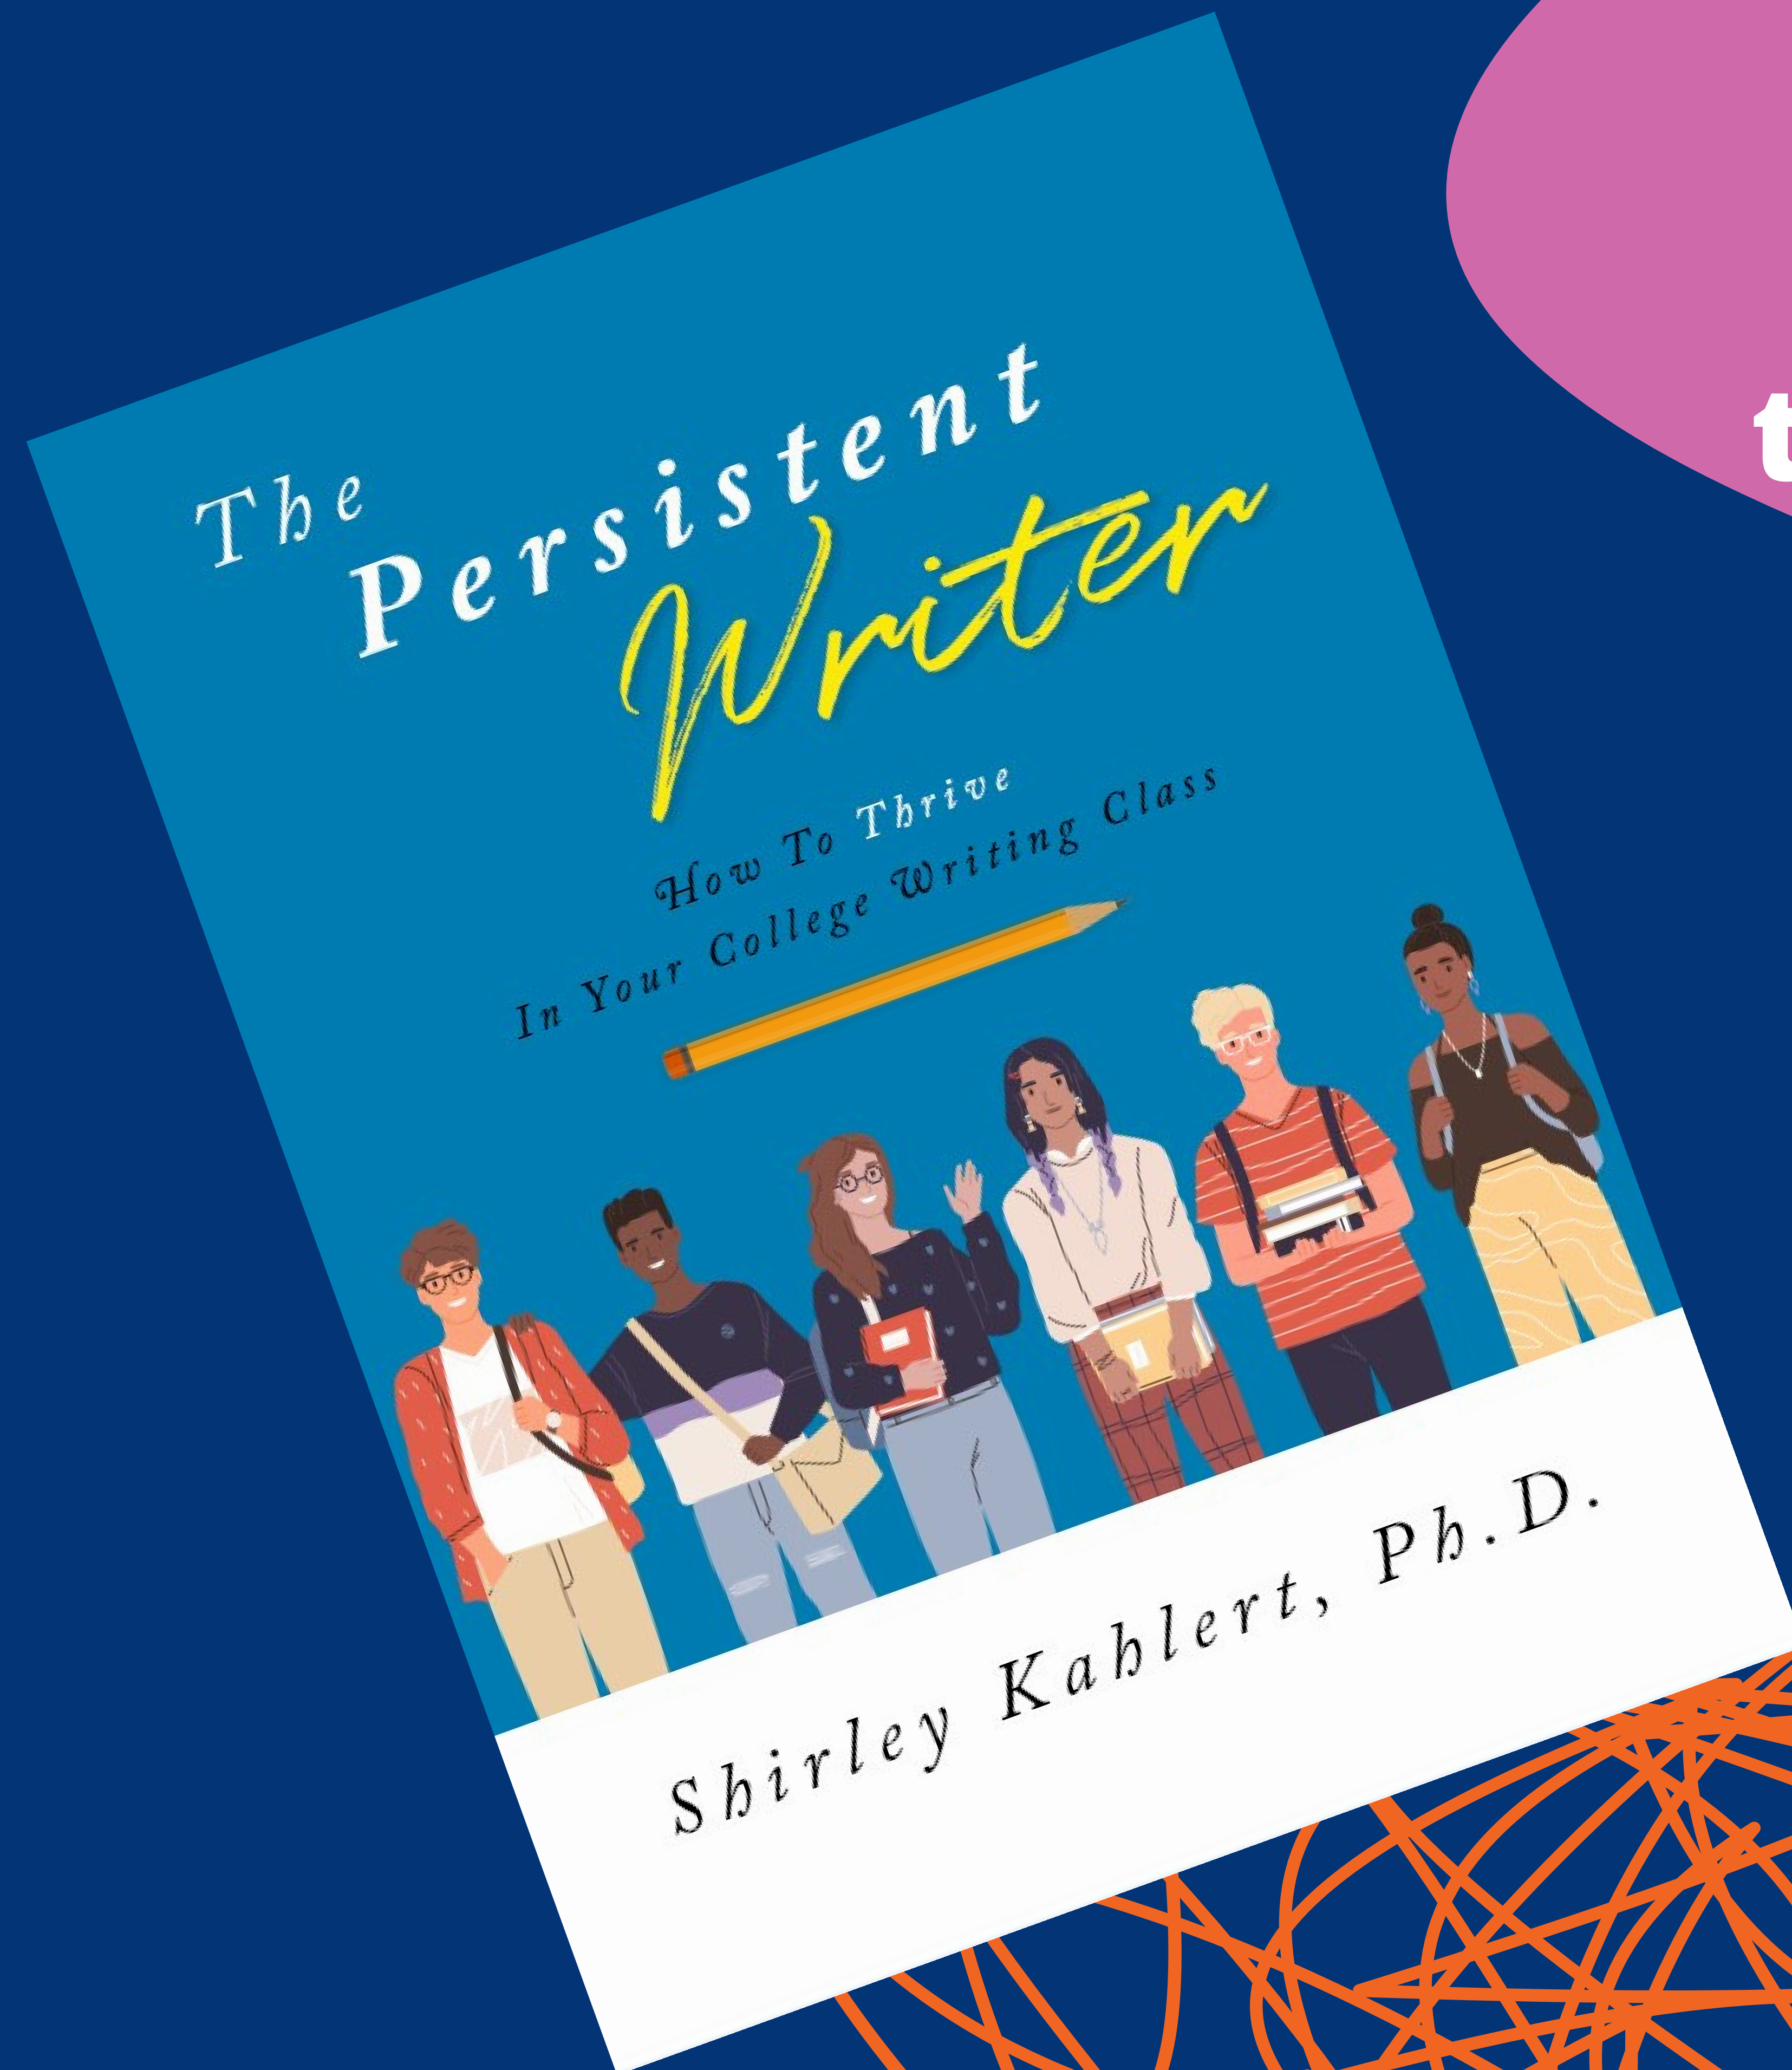

Changing from "mother tongue" to academic language is complicated.

Imposter Syndrome

AFFECTIVE ELEMENTS

- Metacognitive Skills
- Grit
- Growth Mindset

"Academic Language is No One's Mother Tongue": Teaching to the Audience Before Us

LEARNING OCCURS CONTINUOUSLY

LEARNING CAN'T BE MEASURED; IT CAN ONLY BE DESCRIBED.

LEARNING IS MESSY.
