Corrigendum to World Kidney Day 2016. Averting the legacy of kidney disease – focus on childhood [Pediatria Polska (2016);91(2)105–110]

Julie R. Ingelfinger^{1,*}, Kamyar Kalantar-Zadeh², Franz Schaefer³, on behalf of the World Kidney Day Steering Committee⁴

¹Harvard Medical School, Pediatric Nephrology, Mass General Hospital for Children at Massachusetts General Hospital, Boston, MA, USA

²Division of Nephrology & Hypertension, Pediatrics and Public Health University of California Irvine, School of Medicine, Veterans Affairs (VA) Long Beach Healthcare System, Long Beach, Dept. Epidemiology, UCLA Fielding School of Public Health, Los Angeles, CA, USA

³University of Heidelberg Head, Division of Pediatric Nephrology, Center for Pediatrics and Adolescent Medicine Heidelberg, Germany

The authors regret having incorrectly written the definition of HN for Hypertension in the Footnote of Table II. This should have been HN for “hereditary nephropathy”.

The authors would like to apologise for any inconvenience caused.
