“Alexander R. Horswill,” “Heidi A. Crosby,” and “Kevin P. Francis” were not included as authors in the published article. The corrected **Author Contributions statement** and **Acknowledgements** appears below.

Author Contributions

“XT performed all *in vitro* and some *in vivo* experiments, analyzed data, and edited manuscript. JH assisted with experimental design, analyzed data, and edited manuscript. AH, HC, and KF engineered and developed the bacterial strains used in the study. AP designed all the experiments, performed mouse surgeries, analyzed data, and wrote and edited manuscript.”

Acknowledgements

“We would like to acknowledge the following individuals for assistance with providing reagents, mice, advice, helpful discussions, and critical reading and editing of the manuscript: Douglas Fadrosch (UCSF), Susan Lynch (UCSF), Michael Matthay (UCSF), Mervyn Maze (UCSF), Clifford Lowell (UCSF), Kevin Wilhelmsen (MarinBiologics), Milo Vassallo (Methodist Hospital, Brooklyn, NY), Gautam Prakash (Arlington, VA). The authors would also like to acknowledge the role of THFC (COYS) on these studies.”

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
