Flowers in the Spring

Vasu Arora

for piano & violin

March 2023

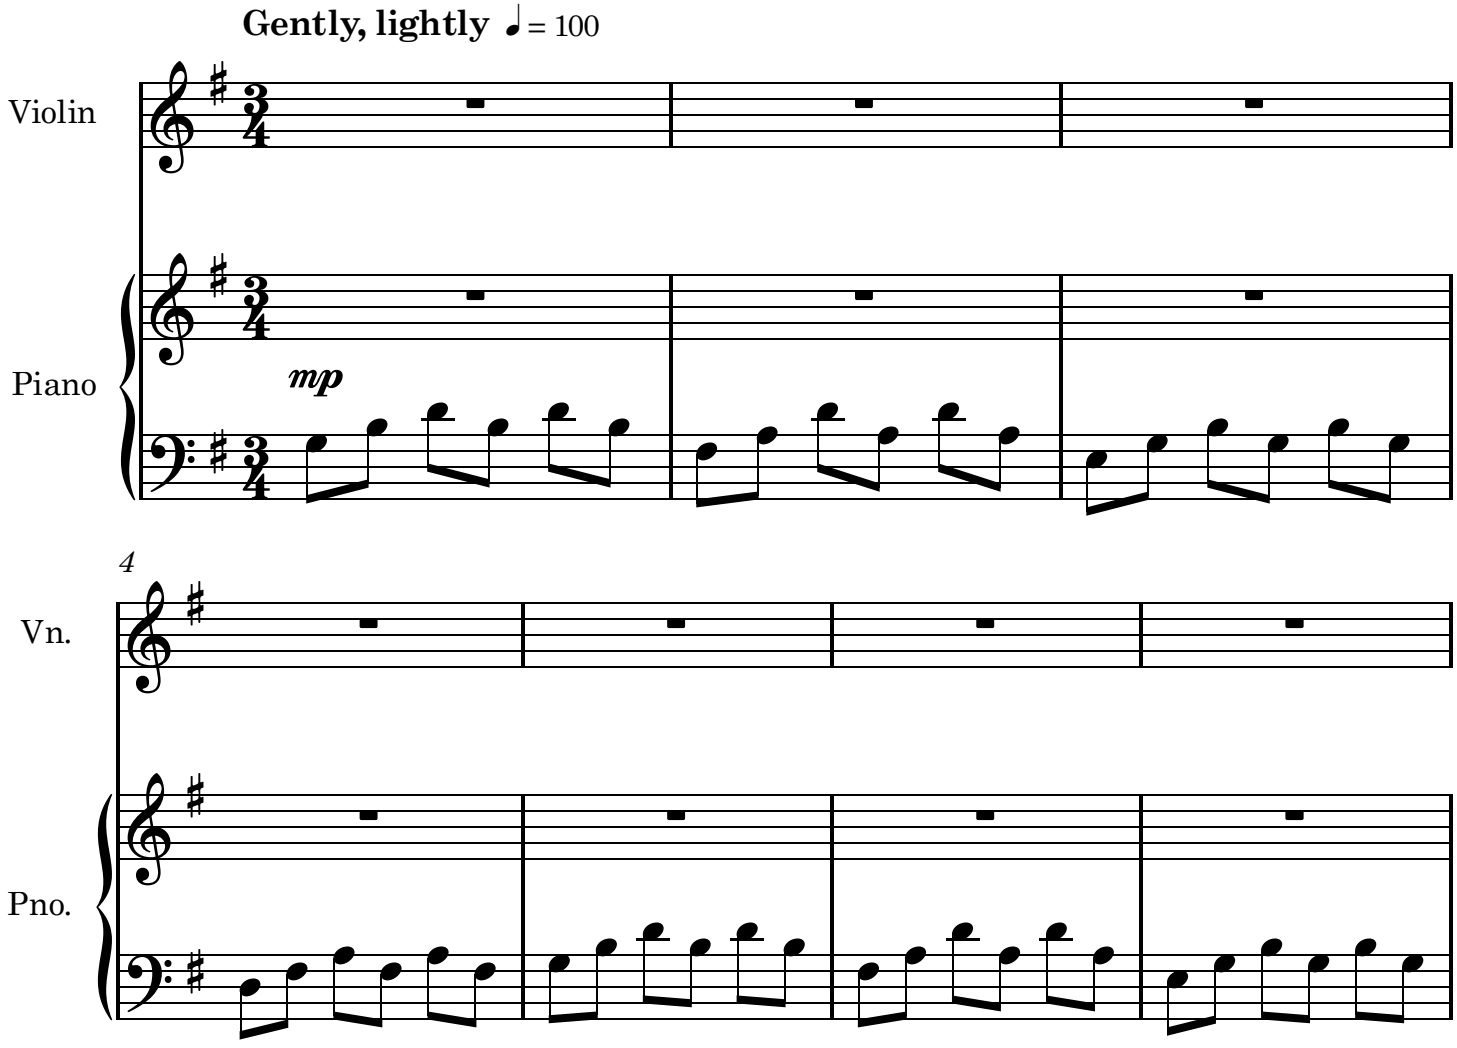

Program Notes:

This composition creates a beautiful image of flowers of all shapes and colors blooming in the spring season. I like to imagine that the flowers are dancing as a lovely spring breeze flows by. This piece consists of a sweet piano melody with a gentle violin playing along, emphasizing the delicate and innocent nature of the flowers dancing in the spring. I hope you enjoy.

Duration: 4 minutes
